CAROLINE'S DÓTERRA ESSENTIAL OILS

CAROLINE'S POD OF POSITIVITY

Welcome to my weekly column. My name is Caroline, I am a certified DóTERRA essential oil specialist and over the last three years I have been helping, guiding and supporting so many people along with their friends and families throughout North Kerry, West Limerick and the wider county regions in using dÓTERRA Essential Oils in living a life of wellness, happiness and positivity. From personal experience and from using the oils consistently within our own home I know how the oils can support the Body, the Mind and the Mood. Each week I'll be bringing you information on different oils along with their uses and benefits, so that you can also make them a part of your every day routine in living your best essential oil life.

Add a little Zest to your Life

This week I want to bring your attention to another favourite of mine from DóTerra's essential oil collection – It's the gorgeous, refreshing and uplifting Lemon essential oil. This oil has a variety of uses and benefits. The dÓTerra team produce this Lemon oil from cold pressed peels of the bright yellow lemon fruit all the way from Sicily in Italy. It is one of the oils that's bottled in the brand new dÓTerra bottling plant in Co Cork. This facility is the only base plant in Europe for dÓTerra outside of the United States and I was so fortunate to be invited down to Cork recently for the grand tour and seeing the production lines right up to the finishing product.

It takes about 75 lemons to make the 15ml bottle of Lemon oil that you open at your kitchen table in your home. Lemon is a very popular seller with my Pod Members who all benefit from my guided support in using this oil along with all the other oils in the dÓTerra collection.

DóTerra's Lemon essential oil contains 285 drops of pure unadulterated oil that can be used on the body, in your cold water diffusers, can work as a cleaning agent in your home and can also be used in your daily waters and foods. It's a great oil to have it hand for colds, flues, sore throats and also to increase positivity and focus.

I personally like to take this Lemon oil in my water throughout the day to encourage hydration and detox the body. I add 3 to 4 drops into each pint glass of water with a focus on drinking 2 litres over the course of the day. As dÓTerra's Lemon essential oil is so pure and potent you need to drink your water with your added Lemon from a glass or stainless steel bottle. I do not recommend drinking it from a plastic bottle as the Lemon may strip down the BPA in the plastic due to its purity.

This Lemon oil is also fantastic for the skin and works as a great exfoliate. It can give the complexion a refreshed and healthy looking glow. Here is a homemade exfoliate that my Pod members like to use and I would like to share it with my readers this week.

Caroline's Lemon Facial Scrub

1. Combine 4 to 5 drops of your dÓTerra Lemon essential oil into a small amount of oatmeal with some water in a bowl.
2. Apply the Lemon Scrub to your skin and work it in using circular motions paying particular attention to any problem areas or dry patches.
3. You will start to feel the cleansing and refreshing properties of the Lemon oil working to exfoliate and clean the skin.
4. Rinse with cold water and pat the skin dry. Apply your dÓTerra facial moisturiser or feel refreshed for the day ahead.

You can purchase your DóTerra Lemon essential oil by contacting me on the number below.

Three Ways To Use dÓTerra's Essential Oils:

1. Topically – applying them on to our skin particularly our pulse points and soles of the feet.
2. Aromatically – by placing two to three drops into a cold-water diffuser and diffusing these oils in our homes, classrooms, offices, salons or places of work / business and thirdly using the oils and
3. Internally – by adding them to our favourite food, waters, or drinks, or simply by taking one drop daily under the tongue.

The oils are a Natural Solution to care for our needs and our family's health needs and they can support us with many of the following that we may experience from time to time, such as: Anxiety Issues, Digestive Support, Sleep Assist, Muscle Care, Stress Buster, Depression, Grief, Energy Boost, Skin Support, Immunity, Allergy Assist and so much more.

For extra positivity and well-being, check out my Facebook page – Caroline's Pod of Positivity where we have information and videos on all of DóTerra's essential oils. For consultations and appointments you can reach me on the number below to arrange a time / date that suits you and together we will start you on your journey with DóTerra's essential oils and my guided support.

Thought for the week: Live your Life with Zest!

NORTH KERRY REGION LEFT DEVASTATED with no future as 'Greens' out muscle Government Parties

Deputy Michael Healy Rae TD has said that the Government has left the North Kerry Region in a state of devastation with news that the Shannon LNG €650m liquefied natural gas facility has been rejected by An Bord Pleanála.

Despite Green Party opposition to the construction of an LNG terminal from the start of the project, Deputy Michael Healy Rae TD has called on representatives of both Fine Gael and Fianna Fail in Kerry to answer on their inability to deliver on a project in which "they spent the last 20 years promising to the people of Kerry"

"Fine Gael and Fianna Fail have been chasing each other around North Kerry land bank taking pictures with their leaders on every visit to the site, promising a new future, a better future and a secure future. Well it is easy for them today to take their photos with no future for the place."

"This project was more than just the jobs for North Kerry and Shannon area, it was also about a security of energy supply with a 600MW power plant at the site. Needed now more than ever due to the Ukraine/Russia conflict.

"The Environment Minister Eamon Ryan who made no secret in his opposition to the construction of an LNG terminal in Ireland, has today ensured a bleak outcome for North Kerry, but I'd imagine he won't mind too much tonight as he pushes on with his make it up as you go policies on offshore wind energy farms which will take years before they come on stream.

Permission was granted in 2007 for an LNG regasification terminal but there were legal challenges, and an extension of permission was quashed by the High Court in 2020.

In August 2021, Shannon LNG Ltd, a subsidiary of New Fortress Energy, applied to An Bord Pleanála for permission to build a power plant on the Tarbert/Ballylongford landbank.

The planning application proposed to develop a liquefied natural gas terminal, including a floating storage and regasification unit and onshore receiving facilities on the 52-hectare site.

Listowel Tidy Towns group in association with An Taisc and with the kind permission of Listowel Race Co. are delighted to confirm their Sustainable.fun, fashion event takes place on Saturday 23rd September at the Listowel Racecourse.

SAN RITA WELLNESS

Welcome to San Rita Wellness weekly column...We hope you are safe and well

How are you?

Compared to this time last year we now have more control and choice of what we want to do or where we want to go. This has a positive impact on our overall health and well being. But at the same time there are many things that we may need to continue keeping control over to achieve a healthy lifestyle.

So let us take a look at a few of those:

FOOD - Now that routine has come back again with all of the schools reopened, establish your own meal time routine again.

Plan your meals in advance and batch cook as this can leave you feeling more organised especially if you are working from home

Try out some new recipes as variety is the spice of life.... SafeFood.ie, and Bord Bia have some nice recipe and meal ideas

Just be mindful of the extra foods and treats you may have in your home as you may be inclined to buy that bit extra to treat yourself .

TREATS - Don't let the treats become a threat. There are other ways to make yourself feel better such as buying yourself a book or a magazine, treat yourself to a lovely body lotion or a nice bottle of your favourite perfume. Have a pamper night where you can have a relaxing bath, paint the nails or apply a rejuvenating face mask.

ALCOHOL - Limit your alcohol to the weekend's. That way it can be something you can look forward to. There are also low calorie options available in the alcohol also, such as light beers, low alcohol wine and add your diet and slimline minerals as mixers for spirits.

WEEKENDS - Plan your weekends and stick to your plan. It's important not to let your guard down too much then just because it's the weekend. Remember after all there are 52 weekends in the year

ACTIVITY - The best way to overcome cabin fever is to get out in the fresh air, whether it is to your local park or beach. Being active will benefit you as it is good for the head and will give you a positive attitude so you will feel better. When you Feel better you Think better and then you Eat better.

ATTITUDE - What is your attitude at the moment? Eat all around you and go out of control OR eat mindfully and stay in control. How we think determines how we feel, how we feel determines what we do next.

So think positive, feel positive, be positive.

So all of these things we can be "IN CONTROL" of so at the end of the day not only are we all responsible for ourselves but also to ourselves.

For extra support and for weekly accountability check us out on Facebook San Rita Wellness or sanritawellness.ie for details of our "In Person Meetings", "At Home Service" or our "One to One Service".

NB - Our weekly "In Person Meetings"

take place in The Kerry Writers Museum, The Square, Listowel every Wednesday from 10am to 11am and 6pm to 7pm.

Give us a call on Sandra 087 6718377, Rita 087 1012174

Until next week, Sandra and Rita

THE LONG GAME

By Aoife Moore

Inside Sinn Féin

Inside the rise of the political party, once subordinate to the IRA, that is on the brink of taking power in Ireland

Sinn Féin is the most popular political party in both Northern Ireland and the Republic. A movement once synonymous with a paramilitary campaign is on the brink of taking real power through purely democratic means. But if Sinn Féin has mastered the art of electoral politics, it remains strangely opaque. Who really runs the party? How is it funded? And what can we expect of it as a party of government?

Aoife Moore, Irish Journalist of the Year in 2021, explores these and other burning questions in The Long Game. Drawing on exclusive interviews with current and former members of Sinn Féin, she builds up a picture of a party undergoing a profound, and still incomplete, transformation. She looks at the key individuals and moments that put the party on its present course, and she explores tensions within the party and the wider republican movement.

Packed with revelatory details, The Long Game is a groundbreaking telling of contemporary Ireland's biggest and most elusive political story.

"I am Reading"

QUALITIES OF A SUCCESSFUL STUDENT

By James Kenny is a retired Guidance Counsellor and has taught at both primary and second level.

Last week we spoke about the importance of having a study and revision plan. Hopefully by now you have these in place. This week we will take a broader perspective on what ingredients make for successful students. A google search you will bring up numerous lists with some qualities common across all recommendations.

I will dilute these down to five study habits which I have used over many years with students. I have selected these because they are practical, achievable, and realistic. So here goes. In general, successful students have good study habits which they apply to all their classes. They try to not to do too much study at one time to avoid overload and tiredness. Space your work and take short breaks to restore mental energy. Schedule specific times throughout the week for your study time. This establishes a routine that becomes a regular part of your school life.

Plan for specific times for studying, always related to schoolwork. It can be homework, completing an assignment, a brief for construction studies, working on a project or preparing for a test.

Successful students set specific goals for their study time which will help you stay focused and monitor your progress. You must be very clear about what you want to achieve. Your time is precious so use it effectively. So, start working when planned and do not procrastinate. We know that studying is not easy and there are always excuses to do something more satisfying. Remain disciplined. It might be useful to start with the most difficult assignment.

A good student is organised. They always have their notes, handouts from teachers and textbook at the ready for each session and get more done with less time. This will keep you focused on the task at hand.

Now, we get on to the tricky part, the smart phone. Your mobile can be "the enemy" of studying. Its simply a major distraction and you must take personal responsibility and be disciplined with its use. I know you might not welcome this advice. Just turn it off and call your friends when finished your work.

Finally good students review their work over the weekend, filling in any gaps and preparing to be ready for Monday.

Don't forget that weekends are also fun time; a reward for all the hard work, time to relax, get some exercise and meet up with friends.

So good luck for now. More next week...

DEATHS

The death took place of Sr. Sheila Collins, Daughters of Mary and Joseph, Los Angeles and formerly of Ballygoughlin, Glin. Sr. Sheila died on Thursday 7 September in the St. John of Gpd Retirement Care Centre, Los Angeles. Her funeral service took place on Friday 15 September in Los Angeles. A Memorial Mass also took place in St Mary's Church, Tarbert on the same day. There was a large congregation at this Mass which was celebrated by Fr William King, a priest of the Dublin Archdiocese assisted by Fr. John O'Connor and Fr. Philip O'Connell, Tarbert. In his homily, Fr King, a native of Kilflyn, said that he got to know Sr Sheila over 50 years ago in San Diego in the United States and he was always impressed with her humility and work ethic. Fr John told of how she had left her home in Ballygoughlin, Glin at the age of 15 to join the Order of the Daughters of Mary and Joseph, how she had worked as a teacher and had become a community leader in her Order, a position from which she retired in 2012. On holidays he remembered her cycling around the area, meeting up with neighbours. Fr King at the conclusion of his address complimented St Mary's Choir and Sacristan James for his efficiency.

Sr Sheila was aged 90 when she died and was predeceased by her parents William and Nora, her brother Sean who died in 1986, her sister Anna who died on 31 October 2022 and her grand nephew Stephen. Sympathy of the Community is extended to her sisters, Mai (Carr), Josephine (Walsh) and Frances (Walsh), brother-in-law Maurice, nephews, nieces, relatives, friends and Sisters in the Daughters of Mary and Joseph.

The death also took place of Denis McCarthy, formerly of Tarbert and Santry Dublin who died on 6 September in Dublin. Denis was grandson of Denis and Margaret McCarthy, Chapel Street, Tarbert. Margaret McCarthy carried on business as a Grocer and Publican in Chapel Street and she died in 1943. Prior to her death she sold the premises to Paddy Carmody, a retired RIC man with the proviso that she would live out her remaining years on the premises. Sympathy to Denis's son, daughter and sister Mary. Beannacht Dé le h-anamacha na marbh go léir.

BIRTHDAY WISHES

Congratulations and continued good health and happiness to Fr Philip O'Connell, Chapel Street who celebrated his 88th. Birthday last Friday 15 September. Fr Philip spent nine years as Religion Teacher and Student Chaplain in Tarbert Comprehensive School before returning to parish work in the mid 1980's, his last appointment being in Ballylongford where he served as Parish Priest for 15 years. He continues to assist in the celebration of Mass at St Mary's Church, Tarbert.

RACES ENTERTAINMENT

In keeping with the tradition to mark the Listowel Racing Festival, Nuala Carmody will host 'The Wicklow Boys' and their music on Wednesday and Thursday nights this week providing entertainment for those wishing to enjoy the Race Week festivities in comfortable surroundings.

JIM RETIRES

Best wishes to Mayor of Kerry and Chairman of Kerry County Council, Jim Finucane who has decided to retire from active politics and will not be seeking re-election at next year's local elections. Jim who is 66 was first elected to Tralee Urban District Council for Fine Gael in 1986 and successfully contested 5 elections and served 29 years on the Urban and County Council combined. He is highly regarded across the political divide and a great ambassador for Tralee and Kerry during his term of office. Jim was born in Tarbert to the late Danny and May Finucane. He attended the local National and Comprehensive Schools. He worked for a while in Dublin where he was a founder member of Youn Fine Gael. He returned to Tralee and set up in business as an Auctioneer. Jim has been a staunch supporter of the proposed Shannon LNG project since it was first mooted. We wish Jim and his wife Sheila a happy retirement.

SWANKY CATHY FUNDRAISER

A reminder that the Fundraiser Night takes place in the Swanky Bar on Saturday 30 September at 9pm. There will be an auction of a greyhound pup, sponsored by Saleen kennels on the night as well as numerous other prizes in a monster raffle on the night.

SHANNON LNG

The announcement by an Bórd Pleanála that the proposed Shannon Lng Project is contrary to current Government policy and could not be supported at this time came as a disappointment to many who have supported it through various planning battles over the past 16 years. Minister Ryan's promises to bring greater investment and more jobs to the region in the development of offshore wind energy should now be put to the test. Public representatives and community organisations in the region should now put pressure on the Minister to follow through on his words with a definite timeline and targets for their implementation.

THE RAMBLING HOUSE

The Rambling House featuring the best of traditional music, song and culture will take place at the Community Centre, Tarbert on Saturday next 30 September at 8pm. Singers and musicians from North Kerry and West Limerick will take part. There will be a cupán tae ina diaidh in Kitty's Kitchen agus fáilte roimh gach éinne.

TARBERT BRIDEWELL

Would like to thank everyone who contributed or donated cakes, buns, etc to the Swanky Cathy Fundraising Coffee morning held on the 15th September. The Coffee Morning raised €1146.55, we are very grateful for your support.

Minor Football:
Well Done to our Minor Football Team who had a great win in the semi-final of the Keane's sponsored County Club Championship. They defeated John Mitchells on Saturday last at John Mitchells home ground in Tralee. The home side were ahead early on but the visitors, after missing a number of chances, had three goals just before halftime and led by six points at the interval. It was sore for score in the second period with Ballyduff always in control and ran out winners on the score Ballyduff 3 – 11 John Mitchells 0 – 15. Ballyduff now meet Moyvane in the final this coming weekend with date and venue to be decided.

Senior Hurling:
County Champions Crotta were visitors to Ballyduff for round two of the North Kerry Senior Hurling Championship. Both teams were under strength due to football commitments with Shannon Rangers and Feale Rangers. Ballyduff played well and were leading by six points with twelve minutes left when they had a man sent off (wrongly). This changed the game completely and Crotta went on to win by three points 1 – 18 to 2 – 12.

Shannon Rangers:
Shannon Rangers Senior football team travelled to Tralee's Austin Stack Park on Saturday last to take on Kerins O'Rahillys in the Garvey's sponsored County Senior Football Championship and after a good display they came up short by five points on a scoreline of 1 – 21 to 1 – 16. Ballyduff was represented by Kevin O'Connor, Adam Segal (0 – 1), Jack O Sullivan, Podge Boyle, Mikey Boyle (0 – 3), Kevin Goulding (1 – 2), Michael Slattery. They are in action again this coming week end with the fixture to be announced on Monday last.

All Ireland Masters Final:
Hard luck to the Kerry Masters Football team who were defeated by defending Champions, Tyrone in the All-Ireland Final in Roscommon on Saturday last. Ballyduff was represented on the team by John Paul Leahy.

FINUGE GAA

FINUGE 500: Congratulations to our August winners of the Finuge 500 cash draw - the crew at Liston Electrical who won the €500 pot. We had bonus prizes in August with 8 pairs of passes for Listowel Races going to Patrick Buckley, Marie Slattery O'Carroll, Darraigh O'Regan, Paddy Hegarty, Jackie Gilbert, Laura Horgan, Maurice Corridan, Eoin McCarthy.

Entry tickets for September are available at McCarthy's Bar Finuge, Foleys Gala Express Shop Lixnaw, Stacks Londis Lixnaw, JJ Walsh Butchers Lixnaw and Gibbons Filling Station Lixnaw. Also available online at www.finugegaa.com with two entries for €10, a 6-month ticket for €25 (1 free entry) and a 12-month ticket for €50 (2 free entries). Next draw takes place Monday 25th September.

SENIOR: The focus for the team now turns to preparations for the North Kerry Championship and the draw for the opening rounds has been held. Our senior team will face off against Beale in the first round at home in James O'Sullivan Park. This will be a big ask of our lads as Beale have made it to the county Junior semifinal recently but it is the North Kerry Championship and anything can happen....

MINORS: Last Saturday the team Furies in the semifinal of group E, with the game at home in O'Sullivan Park last Saturday. Furies got off to a quick start and led 1-04 to 0-02 after eight minutes but our lads played their way back into it with plenty of possession. However, they were not able to reflect this on the scoreboard with Furies very dangerous on the counter attack throughout. A fortuitous goal by Furies from a short free, along with a missed chance by Finuge when an open goal beckoned, meant a six point swing coming up to half time. Again in the second half our lads had their hands on plenty of ball but were not converting into scores. Furies were defending in numbers, turning over play and running hard on the counter attack which yielded them two more goals. The visitors ran out deserving winners on the scoreline Finuge 0-10 Furies 4-09. Hard luck to our lads who battled to the end against a strong side - next up will be NK Championship in October, details TBC. Missing a few regulars through injury, the team would be hopeful of an upset should they get back to the regular squad line up again.

U15: The team played their NK League Division 1 against Listowel last Wednesday evening in Duagh. Conditions were very poor on the night and both teams settled down to slug it out. Halftime score read Finuge 0-04, Listowel 0-03. The town side would go on to score goals that were always going to be crucial in such conditions. Our lads got one back towards the end to close the gap back to a point but Listowel would finish with another goal to win out the game on the scoreline Finuge 1-07, Listowel 3-05. Well done to our lads battling hard against a stronger and more fancied side. The team are awaiting details on their opening NK Championship game which is expected shortly.

U13: The team have had a break after winning the NK div 2 League Final and are now preparing for the NK Championship. The 'Tommy Madden' quarterfinal game is against Beale Tarbert on October 1st at home in Finuge.

U9: Training continues Monday evenings in Finuge 6:30 - 7:30pm, all new comers are most welcome!

U7: Our super troopers were in action last Monday evening against Moyvane in Finuge. As always the whole squad put in a great effort and continue to show great improvement in their play. With the end of season fast approaching, it is great to get more games under their belt.

SENIOR COUNTY CHAMPIONSHIP: Feale Rangers faced off against Kenmare at Fitzgeralds Stadium last Sunday and the club side showed their experience and recent run of form by taking the win. Next up for the Rangers will be Rathmore.

FINUGE/ST SENANS: It was a case of so close in the end when the senior ladies played round three of the county championship against Castleisland Desmonds. They left a big gap to close at half time but close it they did, only to fall short by the minimum at the end. Final score: FSS 2-12, Desmonds 4-07.

HAPPY BIRTHDAY: To one of our top supporters Mary McCarthy of McCarthy's Bar, Finuge - we hope you had a great day and enjoyed your celebrations!

ASDEE GAA

Scor: It's that time of the year once again when Scor is almost upon us as we prepare for Coiste Scor Sinsear Giarrai Finals. First up though will be the North Kerry Scor Sinsear Finals which will be coming up in a few weeks and no doubt the local club will once again be competing. Venue, Date, and time to be confirmed. John Paul Galvin became the clubs first Scor Officer in the mid 80s and he was later instrumental when the Club donated a beautiful Cup to the County Scor Committee for the Recitation section in honour of the late Mick

Hennessy who represented the club at Munster Finals at Recitation during the 90s First winner of the Cup was Frances Kennedy, Listowel with many Asdee connections and was presented by Enda son of the late Mick.

Congratulations: Well done to the Northern Gaels Under 15 footballers who had a splendid victory over Listowel "B" in the North Kerry Shield Division 2 final played at Frank Sheehy Park, Listowel last weekend. Northern Gaels 2-15 Listowel Emmets "B" 2-13. The Byrne brothers Fionn, as captain and Cathal from the Asdee/Bally combination were prominent members of the club.

County Championship

Shannon Rangers put up a superb performance in the Garvey's Supervalve County Senior Football Championship before going down to Kerins O Rahilly's on Saturday evening last at Austin Stack Park. Martin Collins from the local St. Marys, Asdee club was a playing member of the team.

Fixtures: Kerry Petroleum Novice Championship, the winners of Clounmacon or Ballylongford who will be playing a preliminary round, will play Asdee in a quarter final. Games finish on the day. Date and time to be confirmed.

Website: Asdee GAA is now up and running so all GAA enthusiasts from the parish can now tune in to enjoy some of the happenings of the Club since its beginning so, for all our activities and match reports just log on to: www.asdeegaa.com

NORTH KERRY GAA

Bernard O Callaghan Memorial Senior Football Draw

By Jack Hennessy

All club delegates within the North Kerry Football Board were in attendance at McMunns Bar and Restaurant, Ballybunion who are sponsors of the North Kerry Senior Football Championship on Friday night last September 8th. Draws took place for the Minor, Intermediate, Novice and Junior North Kerry Championships but all eyes were on the Senior Championship draw for the Bernard O Callaghan Memorial Championship for the Eamon O Donoghue Memorial Cup with 14 teams going into the draw. Board President Jer D O Connor, of Ballydonoghue made the draw for all the above competitions while Greg Ryan of McMunns our main sponsor of the Senior Championship did the honour. All first named teams will have home advantage and certainly it threw up some very exciting contests. Certainly the clash of great rivals Moyvane against Duagh is sure to bring out the supporters in huge numbers to Con Brosnan Park; Ballyduff at home to St. Senans is also a tough one to call. Castleisland who were going for a 3-in-a-row of North Kerry Championship were stopped in their tracks by Listowel Emmets and now face a tricky situation having to travel to Brosna. James O Sullivan Park will host Finuge and Beale and this is another tie that could go down to the wire. Ballylongford and Knocknagoshel

who would seem to be going through a lean time at the minute looked to be well matched and will go ahead at Willie Walsh Park, Knocknagoshel. Finally, Listowel Emmets last years champions and favourites to retain their title will take on Asdee and certainly this would seem to be a bridge too far for the Shannonsiders. Two byes went to Tarbert and Ballydonoghue. Dates and venues to be decided by the CCC of the Board Exciting times ahead.

KERRY PITCH & PUTT

There was fierce disappointment in Kerry Pitch & Putt circles last week when the Paul O'Sullivan Memorial Scratch Cup scheduled for last Sunday had to be called off due to circumstances beyond the control of the Kerry County Board.

The Board looked at a number of alternatives that would have allowed the event to go ahead but ultimately these proved unsuccessful and it was decided to postpone the competition as we will now be liaising with the National Executive to see if we can get a new date before the playing season ends.

This weekend sees action outside of the county of Kerry interest. On Saturday teams from both Deerpark and Tralee will head to the National Inter-Club Qualifiers in both Riverdale, Nenagh and Tipperary Hills seeking to qualify for the National Finals which will take place on the October Bank Holiday Saturday. The top five sides from both venues will go forward to the National Finals after this Saturday.

On Sunday meanwhile the Kerry Junior Mens team will head to Ryston in Newbridge, Co Kildare to take on Louth in the National Inter-County Challenge for the sides that won their provincial grades in the competition. Kerry represent Munster after their win in the provincial competition in Raffeen Creek in Cork as this Challenge will be played in a Matchplay format with play comprising both Scotch Foursomes and Singles play.
We wish the team of Michael Creagh, Fintan Martin, Brian Moloney, John O'Regan, Mark Lucey, Daniel Broderick Jnr, Mark O'Regan and team manager Christy O'Mahony the very best of luck in Newbridge this Sunday.

Well done to the Duagh u12 girls who had two teams at the Carmel O'Connor Memorial Garda blitz last Saturday in Castleisland

The Presentation Secondary Listowel girls started the season with tremendous success as the U16 football team played their first game of the group stages against St. Joseph's, Ballybunion last Friday. The Pres girls got on the score board straight away with an early goal putting them in the lead from the start, going into half time 1-5 to 0-1 up. However, Ballybunion came back fighting, scoring 0-9 in the second half and closing it to a 4 point gap. It was a physical game but the Presentation girls held their own and worked hard including strong contributions from their subs who added some fantastic scores including another goal to finish the game 2-10 to 0-10. Well done to everyone involved today. Both Presentation Listowel and Ballybunion displayed great strength of character and we wish both teams great success in their next games!

THE MIRACLE PRAYER

Dear Heart of Jesus in
the past I have asked
many favours.

This time I ask you this
special one, (mention fa-
vour). Take it dear heart
of Jesus and place it
within your heart where

your father sees it. Then in his merciful eyes it will
become your own favour not mine. Amen.

Say this prayer three times for three days and your
favour will be granted. Never been known to fail.
Must promise publication of prayer. C.D.

MEANING OF LIFE

"Have you forgotten what Nelson Mandela
said about resentment?" asked my friend.

I had just shared with her that old hurts had poked
their ugly heads into my heart and I was struggling
big time with resentment.

In fact, it was as if I was determined to be angry
and resentful until the persons who had wronged
me put it right.....paid the debt they owed me....
made it better.....made right the wrong.
But the truth is that person may no longer be on
the planet or may be thousands of miles away!
The problem is mine and the solution is up to me....
if I want to have peace of mind, because I'm the
one who is suffering!!!!

Then my friend reminded me.... Nelson Mandela
said **Resentment is like me taking poison and
hoping it kills my enemy!**

Well, it got me thinking.

God has a lot to say about dealing with resentment
and anger. In the book of Job 5:2 God says "**anger
kills a foolish man.**"

We know that anger causes alot of health issues.
As with every problem in this life, God has the cure.
It's called forgiveness.

**"As the Lord has forgiven you so you also must
forgive."** Colossians 3:13.

That's hard to swallow.
Matthew 6:15 is very clear. **"But if you do not for-
give others their trespasses neither will your
Heavenly Father forgive your trespasses."**
I need to hear that!

And this is not just a nice suggestion from God. If
I say I'm a follower of Jesus then **forgiveness is
mandatory.**

**"How often shall my brother sin against me
and I forgive him?"** Peter asked Jesus **"Up to
seven times?"**

Jesus said to him **"I do not say to you seven times
but up to seventy times seven."**

We think that forgiving someone excuses the per-
son who is in the wrong. But thankfully God knows
much more than we do.

Forgiving someone actually sets us free to enjoy
peace of mind.

We trap ourselves when we don't forgive some-
one. Forgiving is for our benefit.

And God also tells us in Romans 12:19 **"Beloved,
never avenge yourselves but leave it to the
wrath of God for it is written "vengeance is
mine, I will repay", says the Lord."**

Just to be very clear, this article is not about toler-
ating abuse. It's about releasing resentment which
we need to do again and again, for our own sake.

Jesus Christ died to pay the price for our wrongdo-
ings.... we didn't deserve it. Now we can extend
our forgiveness to someone who doesn't deserve
it. And so enjoy the freedom that is only found in
Christ.
