CAROLINE'S POD OF POSITIVITY

Welcome to my weekly column. My name is Caroline, I am a certified DóTERRA essential oil specialist and over the last three years I have been helping, guiding and supporting so many people along with their friends and families throughout North Kerry, West Limerick and the wider county regions in using dóTERRA Essential Oils in living a life of wellness, happiness and positivity. From personal experience and from using the oils consistently within our own home I know how the oils can support the Body, the Mind and the Mood. Each week I'll be bringing you information on different oils along with their uses and benefits, so that you can also make them apart of your every day routine in living your best Essential Oil Life.

The Perfect Essential Oil Gift

If you are new to my weekly column and want to know more about dóTerra's essential oils this is the perfect way to experience them. The Trio Kit contains 3 x beautiful oils that can be used in so many different ways in supporting you and your family both emotionally and physically. All three essential oils in this Trio Kit can be used individually or can be combined together using our 3 – way method of, Diffuse, Use & Apply.

The Trio Kit contains Lemon, Lavender and Peppermint. They are 5ml size bottles containing 95 x drops of certified pure tested grade essential oil. Here are just a few of my suggested uses for each of these oils in the Trio Kit. I know you will love them!

Lemon

- Add a drop to your water for a refreshing drink and to help the body detox
- Apply directly to cold sores for instant relief
- Diffuse in your cold water diffuser to elevate the mood
- Add to baking recipes or your morning yogurts
- Add to a drop of honey to soothe sore throats

Lavender

- Apply to the wrist points, the back of the neck and the bottoms of the feet in the morning and before bedtime to soothe and calm any upset or heightened emotions
- Use to calm and soothe sunburn skin, scalds, burns or nappy rash
- Use 2 to 3 x drops with bath salts for relaxation
- Apply to the skin to calm reaction of bug bites

Peppermint

- Apply topically to the temples and the back of the neck to soothe headaches
- Inhale or put a drop into the palms of the hands for an instant boost of energy
- Diffuse in a room for focus during study time or concentration
- Apply to the body to cool off when overheated
- Add to your morning coffee or even your favourite chocolate recipes

Combining all three oils above act as a natural antihistamine and can support the body when pollen is high and when experiencing watery eyes, sneezing, runny noses etc

The Trio Kit retails at €40 and can be ordered by contacting me on the number below. The Trio Kit would make a perfect gift for you or a loved one this Christmas.

The Oils are a Natural Solution to care for our needs and our family's health needs and they can support us with many of the following that we may experience from time to time, such as: Anxiety Issues, Digestive Support, Sleep Assist, Muscle Care, Stress Buster, Depression, Grief, Energy Boost, Skin Support, Immunity, Allergy Assist and so much more.

For extra positivity and well-being, check out my Facebook & Instagram pages – Caroline's Pod of Positivity where I have information and videos on all of the oils. The foundation oils are key to optimal wellness and there are 10 x foundation oils within the dóTerra range. For convenience these 10 foundation oils come beautifully packaged in Kits.

For consultations, appointments, workshops or group talks you can reach me on the number below to arrange a time / date that suits you and together we will educate you on your journey using DóTerra's essential oils with my guided support.

Cllr. Mike Kennelly welcomes €955,000 for Advance Flood Relief Works for the Clieveragh / Ballylongford Rd in Listowel

Cllr. Mike Kennelly has this week welcomed funding of almost €1million to Kerry County Council for flooding works in the town of Listowel. The funding of €955,000 will be used for flood defences to protect some 50 properties at risk from flooding at Clieveragh in Listowel. The Clieveragh area has experienced significant flooding in 2009, 2012, 2014 and 2015 and again in 2023.

Mike Kennelly, said: "Over the last number of years I have personally lobbied and fought for funding for these extremely important works. I have worked with local residents, businesses and other concerned members of the community, who have experienced flooding in recent years. Only this summer, after a significant heavy rainfall event, the streams in Clieveragh could not take the volumes of water.

Mike Kennelly said: "This is phase one of an overall flood relief scheme for Listowel as a result of the most recent flooding events in Clieveragh. Kerry County Council, Uisce Éireann and The OPW are designing and are near completion of a new Listowel area drainage plan to alleviate potential future issues. The funding allocated for Clieveragh will benefit other areas in the town including The Ballybunion Road, onto the newly constructed by-pass road and towards and onto The Forge Road, Greenville. The drainage plan that is currently being proposed will take into account the flooding the town endured in June and find solutions to eradicate anymore fears of future flooding."

"People cannot be asked to live with the risk and the fear of flooding where an easy solution can be identified and easily delivered. While there is a planned flood relief scheme for Listowel, a simple solution can be easily delivered in advance of the main scheme to manage the flood risk at the boundary of the town."

The funding will enable works to include:

- Over ground storm water attenuation pond (purpose built water storage facility on three and a half acres) at Curraghatoosane.
- New open channel to convey the outflow from the pond to the Clieveragh watercourse to the south

This week's allocation brings funding to manage flooding at Clieveragh to €1.1m after previous amounts of €176,000 in 2016-17 were allocated to Kerry County Council to explore and design a flood relief solution for the area.

Cllr. Mike Kennelly concluded: "I am personally delighted for the individuals, families and businesses that have been continuously affected by these flooding issues from The Ballylongford Road, Clieveragh area, Ballybunion Road and The Forge Road areas. This project has been a long time in coming but finally there is light at the end of the tunnel and this is great news for all the concerned parties going forward."

DUAGH DEFIBRILLATOR AGM

The AGM will be held next Tuesday night the 21st November at 7:15pm in the Presbytery. We are asking for as many as possible to please attend this meeting.

PRES LISTOWEL DEBATING SUCCESS

5th years students from Presentation Secondary Listowel, Sine Fogarty, Aoibh Lennon and Noelle Dillon competed in the first round of the Irish debating competition, Díospóireacht an Phiarsaigh, organised by Gael Linn. The debate was held in Scoil Pól, Kilfinane and the girls debated in favour of the motion that parents should have control of their children's social media up until the age of 18. The girls were excellent on the night and have qualified for the next round. Pictures L-R: Aoibh Lennon, Sine fogarty and Noelle Dillon

SAN RITA WELLNESS

Welcome to San Rita Wellness weekly column...We hope you are safe and well

This week we are going to focus on how important it is for you and your wellbeing to keep yourself accountable to your commitment to feel and look better especially now as Christmas is approaching. There are many areas where accountability plays a big part in your weight loss and wellness journey. So, let's break them down and ask yourself are you actually ticking all the boxes.

It's you not me...

Very often you can blame others for "making" you eat or drink something you actually hadn't planned on having which can very often be the start of the slippery slope that we are all familiar with. For example your feelings and emotions could be responsible for your actions to eat mindlessly and yet you could point the finger of blame at someone else. So maybe it's time to recognise that you need to take the reigns of responsibility into your own hands, as after all it's only you will carry the implications of your actions around with you let it be in your mind or your body.

There will always be occasions when we do want to have that little bit of relaxation to have the treat without the after taste of the guilt. These would be occasions like a day out, a meal out, a mini staycation or an office get together.

Blaming others for our actions is an easy way of letting ourselves "off the hook" for our own accountability. Your choices are your decisions. Always remember when you point the finger at someone else remember there are still four fingers pointing back at YOU.

Accountability

Accountability is all about keeping records.

It is a proven fact when you keep an account of what you eat and drink you are more aware and mindful of your calorie intake. By keeping a track of your calories you are less likely to "forget" the little things that can all add up in the end. Keeping track of your daily foods can be done in different ways, it's all about finding the way that works for you. Some people may like to keep a track record on their phone while others may prefer to put pen to paper and write it down, Whichever works will work

No guessing, No messing!!

Being accountable to somebody else with your weight other than yourself is very important also as we do tend to leave ourselves off the hook quite easily at times. By doing this you are making a commitment not alone to yourself but to somebody else also. "It will be a weight off your mind". So that is another reason why **San Rita Wellness** works so well for our members as they check in weekly with us.

Mini Goals

Setting yourself a mini goal will keep you mindful and in the loop when you do feel like you may be inclined to throw complete caution to the wind. Having that mini goal in mind will help you to get back on track again so as not to cause too much damage overall

Keeping a weekly record of your mini goals can help your motivation and commitment to stick with it and know that it will be worth it. Remember the saying "Slow progress is better than No progress"

You may set yourself a goal by deciding to lose five to seven pounds at a time or maybe seeing a lower number on the scales. It could be an item of clothing that is a little bit too tight at the moment that you would like for it to fit better or maybe you would like to be able to reach for a size down in the clothes rail next time you buy yourself something whether it's online or in the shops. Now picture that in your mind and think how great that would feel.

Motivation

We are all different and it takes different things to encourage us to be more motivated. For some it can be the number on the scales or the clothes fitting better. For more it could be looking forward to meeting up with family and friends over Christmas and wanting to look and feel our best.

By constantly reminding ourselves of whichever it is will help keep the motivation strong.

So, remember there is a saying: *To wake up with Motivation, Go to bed with Determination*

MICHAEL HEALY-RAE TD TO LAUNCH MEMOIR OF TARBERT MAN, DAN KIELY

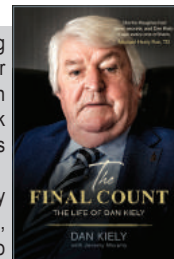

'MICHAEL HEALY-RAE TD TO LAUNCH MEMOIR OF COLOURFUL AND CONTROVERSIAL FORMER KERRY SENATOR AND TARBERT MAN, DAN KIELY'

Colourful, charismatic, loyal, hard-working, controversial - these are some of the words people have used to describe politician, businessman and Kerryman Dan Kiely. But who is the real man? Dan's achievements have been dissected in the pages of The Irish Examiner, The Phoenix, and The Kerryman, but which account is true? A close confidant of former taoisigh Charles Haughey and Bertie Ahern, readers will be shocked and amused by his insights into the inner workings of power. From a scoop into the resignation of Minister for Justice Seán Doherty, to a very personal account of Ireland's Machiavellian political culture, The Final Count is a hard-hitting memoir. In the words of Michael Healy Rae TD, 'Charlie Haughey had many secrets, and Dan Kiely knew every one of them'.

Emigrating to the United States at the tender age of seventeen, Dan Kiely was working in both Goldman Sachs and Gaelic Park within a year. Along with GAA legend John 'Kerry'

O'Donnell, Dan was instrumental in organising the Cardinal Cushing games, which saw Kerry football legends Tom Long, Mick O'Dwyer and Mick O'Connell take to the field in New York and Boston. He soon became the youngest ever holder of a nightclub license in New York state, by leasing the lively 'Red Mill' in the Bronx, where showbands managed by Dan Kiely entertained the Irish immigrant community. Acts like Joe Dolan, 'Big Tom' McBride and rock n' roll legend Roy Orbison would later perform in ballrooms managed by Dan in Dublin, Youghal, Tralee and Ballybunion. The Final Count's rare glimpse into how the Irish senator managed the stars is not to be missed.

The Final Count will be launched by Michael Healy Rae TD in the Mermaids Bar Listowel, on Friday the 17th, at 7pm. All are welcome in what promises to be an incredible night of music, chat and celebration. A premium, Irish-produced edition will be available thereafter in several local bookstores in Kerry, including Wolfe's Books, Listowel, O'Mahony's and Polymath in Tralee, Easons in Tralee, Listowel and Killarney, and more, while an international edition will be available widely online, on websites including Amazon, Watsons online, Barnes and Noble online and more.

BLINDBOY BOATCLUB:

TOPOGRAPHIA HIBERNICA

By Blindboy Boatclub

The short-story collection from Irish bestselling author, musician and comedian Blindboy Boatclub.

You don't fully appreciate how large a donkey's head is until it's beside you in a Fiat Punto. The view in my mirror was furry and violent. I was driving blind.

Driving with a donkey stuffed in the back seat; jackdaws pecking brains out through the roof of a confessional box; cat piss and astronauts. This is the world not as you see it, but as it is, twisted from the maverick mind of Blindboy Boatclub.

These are stories of the strange unsettlings in the souls of men caught in between the past and the possible; stories of heart-blinding rage and disquieting compassion. Taking its title from a twelfth-century English manuscript of the same name, which dehumanised the people and culture of Ireland to facilitate domination, Topographia Hibernica is a collection that unravels the knotted threads of humanity, nature and colonisation from a contemporary Irish perspective.

Called 'one of the most gifted writers of his generation' by the Irish Times, Blindboy Boatclub is the essential voice for the Irish condition in the twenty-first century. Topographia Hibernica is his unmissable short-story collection.

HISTORICAL SOCIETY

Tarbert Historical and Heritage Society will host historian Tom Dillon in the Bredwell, Tarbert on Saturday 18 November at 7.30pm Tom's talk entitled 'Good luck and Holy Water - Kerry folklore and customs' will delve into traditions, superstitions and beliefs about luck which feature in so many aspects of Irish life. Tom served as historian in residence with Kerry County Council and has researched many aspects of Kerry and local history. Beidh fáilte roimh gach éinne agus cupán tae le fáil ina diaidh.

ROAD SIGNAGE

Councillor Michael Foley advises that following his representations to Transport Infrastructure Ireland (TII) pedestrian signage will be installed on the N67 to Tarbert Island section of road in November. This is welcome news as this is a very popular walking route for many people. With the number of recent road deaths involving pedestrians and some in our own locality it is important to stress again the need for pedestrians to wear high visibility clothing especially with the onset of darkness.

CRAFT FAIR

Tarbert Christmas Craft Fair will take place again this year. Tarbert Community Centre in collaboration with Tarbert Development Association will be organising the Fair this year which will

take place in the Community Centre, Tarbert on Sunday 26 November from 11am to 4pm. Tables are nearly sold out so if you want one of the last spaces please contact Tarbert.ie Facebook page. Tables are priced at €25 each and this can be paid on line or in cash on the day.

SANTA CLAUS

Hail, rain or snow Santa Claus will be in Tarbert on Sunday 26 November at the Bredwell between 2pm and 4pm. The admission charge is €5 per child which includes a free gift and there is no pre-booking. Fáilte an Nollag roimh gach éinne.

REMEMBRANCE SERVICE

On last Saturday 11 November at 11am at the Memorial Plaza, Tarbert Historical and Heritage Society remembered the 14 young men from the parish who were killed in two World Wars. Joan Langan who lost two relatives, Eamon Brandon and Maurice Langan, in naval engagements while serving with the Royal Navy in World War 2 laid a laurel wreath at the memorial. Patrick Lynch whose uncle Michael Lynch was at 20 years of age the youngest of the Tarbert casualties of World War 1 called the roll call of the dead and led a decade of the Rosary, remembering all who died in wars including those in ongoing conflicts in Ukraine and Gaza. Solas na bhFálth-eas agus suaimhneas síoraí dóibh go léir.

RAMBLING HOUSE

The next session of the Rambling House will take place on Saturday 25 November in Tarbert Community Centre from 8pm to 11pm. There will be a cupán tae le fáil agus fáilte roimh gach éinne with the best of singing, recitation and musical talent on the night.

TARBERT ABÚ

Following their recent unexpected heavy defeat to Renard, Tarbert's 'never say die' character was vindicated at O'Rahilly Park, Ballylongford on Sunday last when they defeated a gallant Moyvane side in the quarter final of the Bernard O'Callaghan Senior Football championship. With Moyvane in the lead, Cillian Langan forced a draw with a great point and this was followed by two periods of extra time. In according to Denis Kiely, a nail-biting encounter Tarbert pulled out all the stops to win by a point scored by Danny Stack who came on as a sub. Best of luck to the players and management who will next meet St. Senans on Sunday 26 November at a venue to be decided.

IMPROVEMENTS

In a recent item in the Tarbert Notes reporting on improvements carried out on footpaths in Tarbert by Kerry County Council I now understand that Councillor Mike Kennelly contributed from his Council Allocation towards reinstatement of footpath at Tarbert National School while Councillor Michael Foley contributed towards reinstatement at the Community Centre and Church entrances. Hoping this clarifies the matter for all concerned.

LENAMORE NATIONAL SCHOOL

More positive news at Lenamore National School this week with the appointment of Ms. Claire O'Connor as Deputy Principal. Claire comes from Listowel and is very well connected across the community. Claire has moved to Lenamore National School from neighbouring Tarbert National School where she spent many years nurturing the children there. In many ways, Claire's connections with Lenamore run deep with many of her extended family – the O'Flaherty's – having attended Lenamore School in the past. No doubt we will see Seán and John 'Bosco' McMahon and their families around the roads of Lenamore attending the various events that will be held at the

school as they support Claire and the great work that she will do there. This news follows the recent appointment of Moyvane native, Tara Mulvihill, as Principal. Both Tara and Claire will make a powerful team as they continue the journey of renewal of the renowned school. This period of change, and the efforts of the staff, have not gone unrewarded as they welcomed two new starters at the school this week and there are a number of early enrolments on the cards for next year. The school is only one pupil short of obtaining a third teacher and we hope that they achieve and exceed their target.

We wish the school every success and have no doubt that there will be many more updates from what seems to be a period of great excitement for Lenamore.

BALLYDUFF GAA NEWS

Under 21 Hurling Championship:
The Hurling season for Ballyduff ended on a high when we won our first Under 21 championship in ten years when we defeated St Brendans at Austin Stack Park on Sunday last. Huge thanks to everyone who made it possible to our sponsors, many thanks to the huge band of supporters who gave great encouragement all through and to the back-room team led by William "Choppers" Quinlan, his brother Pakie, John Hennessy, Jerry Moriarty, Kitman Mike Guerin, Hurley man Mike Moriarty and Maór Uisce John Mike O'Connor on a job well done.
The game was played in good conditions and Ballyduff got off to a good start and led by two points early on. St. Brendans levelled matters before Kevin Goulding goalied to give Ballyduff the lead once more. However, a St. Brendans goal had the Ardferit men ahead by a point after 15 minutes of play. A St. Brendans player was sent off in the 20th and just before the break Kevin Goulding fired home his second goal to leave Ballyduff ahead 2 – 6 to 1 – 5 at half time. St. Brendans opened the second half scoring with a point, but Ballyduff swept up the field and Killian Boyle stuck the ball in the net for Ballyduff's third goal. Two points followed and Ballyduff led by eight points at the three-quarter stage. St. Brendans dug deep and hit four unanswered points to reduce the margin to four approaching the 55th minute mark. Ballyduff finished strongly and two further goals saw the Atlantic Oils Trophy return to Ballyduff for the first time since 2013.

BALLYDUFF TEAM: Cillian Murphy; J P O'Carroll, Kyle O'Connor, Tommy O'Grady; Evan Boyle (0 – 1), Darragh Slattery, Adam Segal; Aidan O'Connor (Capt.), Jack Enright (0 – 1); Killian Boyle (1 – 6, 4f, "65"), Anthony Kavanagh, Aodhan Curley; Ryan O'Rourke, Kevin Goulding (2 – 1), Luke Rochford (1 – 0).

Homecoming: A huge crowd turned out to welcome home the Champions on Sunday evening in Ballyduff where after the traditional parade Winning Manager Wm (Choppers) Quinlan addressed the huge crowd and thanked everyone who supported them during the game on Sunday describing them as their sixteenth man and those

who turned up for the welcome home and wished the players well in the future and hoped they would bring many more titles to Ballyduff.

Hurling & Football Double: Five young men made their bit of history on Sunday last when they won County under 21 hurling Championship medals to add to the County under 21 football medals they won with North Kerry earlier this year. Evan Boyle, Darragh Slattery, Kevin Goulding, Adam Segal and JP O'Carroll were the players involved. A nice double well done boys.

A special thank you to those who sponsored the team to help get them there on the day and helped provide food for the celebration. Topline Boyles Builders Providers of Tralee generously sponsored the tops for team and management. This top was designed and supplied by Paul Galvin and the crew at Keohane Athletic Sports. North Kerry Senior Football Championship quarter final result
Tarbert 0-15, Moyvane 0-14.
Our Senior team got back to winning ways on Sunday 12th November with a hard fought victory over neighbours Moyvane in the quarter finals of the North Kerry Championship held in Ballylongford. Tarbert were slow to start and were down 3 points to no score after 10 minutes of play, with Moyvane kicking two frees and a point from play. Indeed Moyvane missed two further scoreable chances before our boys were kicked into life to register four unanswered points of their own with Cillian Langan, Andrew Doherty and John Coolahan among the scorers. Tarbert led at half time by the shortest of margins, Tarbert 0-07, Moyvane 0-06. On the resumption Tarbert stretched their lead and heading into the final 15 minutes of the game were ahead 0-10 to 0-07. However Moyvane rallied and registered five unanswered points to leave them ahead 0-12 to 0-10 with only 2 minutes remaining. Tarbert closed the gap to one point thanks to a Shea McDonnell point from play before Cillian Langan kicked a beautiful point from out wide on the left hand side to bring the game to extra time at 0-12 to 0-12. In extra time Tarbert seemed the fitter team and their substitutions made before the end of normal time and during extra time proving the difference with Danny Stack (who kicked a massive '45), Gavin Breen and Ambrose Lanigan all contributing well. In the period of extra time Tarbert added three more points with the best of them coming from Gavin Breen attacking from wing back, as Moyvane could only add two points to their total to leave the men in Red and Black victorious by one point, Tarbert 0-15, Moyvane 0-14. Notable performers on the day for Tarbert were Pa Carmody in goals as his high fielding and kickouts were without flaw. Danny Wren did a superb man marking job on Moyvane's danger man in the corner forward position and kept his man scoreless for the game. Sean Carrig was brave in defence and attacked when possible from wing back. Micheal Normile had an outstanding game at centre field winning his battle against his counterpart and was a huge factor in Tarbert's victory on the day. Upfront the standout performers were John Coolahan and in particular Cillian Langan. When his side needed him throughout the 80 minutes Langan stepped up on numerous occasions and shouldered

the responsibility and helped his team to victory. Team: Pa Carmody, Danny Wren, Kevin Enright, Daniel O Connor, Sean Carrig, Michael Heaphy, Michael Carrig, Shea McDonnell, Michael Normile, Finbarr Carrig, Mark Buckley, Shane Enright, Andrew Doherty, John Coolahan, Cillian Langan. Subs who played: Paddy O Callaghan, Darragh Foley, Danny Stack, Ambrose Lanigan. Our Seniors will now take on St Senans in the semi final, date to be confirmed.

Sunday 10th December @ 2pm venue: T.B.C.

Full time after Extra Time: Tarbert 0.15 -v- Moyvane 0.14
Report by Jack Hennessy: Tarbert left all the disappointment of loosing their recent County Final well behind them as they advanced to the semi final of the championship on Sunday last at O Rahilly Park, Ballylongford before a huge attendance that were in full voice throughout cheering on their respective clubs who provided a fantastic game of fast open football. It took over 80mts before we could declare a winner and at the end of it all just a point separated these two neighbouring clubs .Certainly this was not a game for the faint hearted with both teams going hell for leather and played in a true sporting manner giving excellent match Referee Mike Hennessy to go about his business without fuss. Moyvane were enjoying early possession and by the 14th mt had gone 3pts without reply with Martin Stack, (2) and Rian Quinn on target. Eventually Cillian Langan who finished as the games top scorer with 7pts kicked over a hatrick of close in frees to level up the game by the 20th mt. So after Moyvane dictating play early on the Shannonsiders were now getting to grips with the game. John Coolahan sent over a neat point to put Tarbert ahead for the first time in the game. From here to the half time whistle it was full throttle and the sides were all square on 3 occasions. Play drifted from end and the remaining scorers; Patrick O Connor and Darragh Mulvihill for Moyvane while Andrew Doherty, 2 frees, Eoin Flaherty and Michael Heaphy replied for Tarbert. So at half time it was Tarbert with that late burst that saw them lead by a single point. Tarbert 0-7 Moyvane 0-6. On the change over it was Andrew Doherty who extended Tarberts lead to 2pts while midfielder Shay McDonnell added another. Martin Stack and Cillian Langan exchanged points as every ball was now contested as if their lives depended on it. Rian Quinn pointed for Moyvane to 0-10 each with 9mts remaining. Now Moyvane were in full flight but a teak tough Tarbert defence stood firm with Shane Enright directing proceedings. Patrick O Connor and Cillian Langan were on target and with time almost up it looked as if Moyvane would hold on having that 1pt lead. But the Shannonsiders had another twist to the story; Cillian Langan won possession around the middle of the field; he drifted out towards the line at the Village side of the pitch and from at least 35 meters out he unleached a mighty kick that split the uprights and put the game into extra time. 0-12 each. 20 more minutes and nobody leaving and its still anybodys guess as to who will take on St. Senans in a semi final. Certainly Tarbert should have goaled in the first minute as the ball bobbed almost on the goal line but somehow a defender got it up and cleared to safety, however from their next attack Cillian Langan pointed and was followed by a monster 45 from the boot of substitute Tadhg O Connor . Tarbert 0-14 Moyvane 0-13.2mts remain and it was Tarbert with another substitute Gavin Breen who put 2pts between the teams and with virtually the last kick of the game Martin Stack pointed as the final sounded. What can one say only credit both teams for a whale of a game and are a credit to their clubs. Football was definitely the winner.

MEANING OF LIFE

"Over 300,000 Pro-Palestinians march in London."

Our screens have been filled in recent days by anti-Israeli protesters around the world carrying placards with "From the River to the Sea", an idiom for Jewish extermination. Even some outside the Sydney Opera House were crying "Gas the Jews" and other hate filled taunts for which the Premier of New South Wales has since publicly apologised. I find the extent of hatred towards Israel and the Jewish people in some countries very frightening and sickening these days. I know that if I didn't believe that the Bible is the Word of God I might also have a different world view. But I am a bible believing Christian. And God has so much to say about this People, and about the land they now occupy since the end of World War one.

There are numerous Old Testament verses about the land of Israel and God's covenant with Abraham, to give them this land after the Exodus from Egypt. For example *"To your offspring I will give this land."* **Genesis 12:7. Or again In Genesis 17:8 God says to Abraham "The whole land of Canaan, where you now reside a foreigner, I will give as an everlasting possession to you and your descendants."**

But enough about the land for the moment. For us as Christians the most important thing is that Jesus our Saviour was a Jew, born of the virgin Mary, herself a descendant of Abraham and a Jewess. From the Jews we get the Old Testament and all the writers of the New Testament were Jews with the possible exception of Luke the Evangelist. All 12 of the apostles were Jewish and all converts to early Christianity were of Jewish descent. So, our Christian faith was birthed in the cradle of the Jewish religion. God chose the Jews to be the people through whom our Saviour Jesus came to

earth. I read that *"....salvation is of the Jews."* in John's Gospel 4:22. But it's not just for the Jews. God's plan of Salvation always included peoples of all nations...

God says in Genesis 12:3 that because of Jesus our Saviour *"All peoples (that includes us if we want) will be blessed through you (the Jews)." The Jewish people are so precious to God that He tells us that ".....he who touches them touches the apple of God's eye."* Zechariah 2:8. And also in 12:2-3 God said to Abram...*I will bless those who bless you and I will curse him who curses you."*

So what can we do in these hate filled days with those calling for the extermination of all Jews in Israel? I think we can pray for the Jews that they will be free to live in safety and security in the land of Israel and most importantly that their hearts will be opened once again to receive their Messiah Jesus, whom they rejected at His first coming. We can also pray for the breaking of the stranglehold by the Islamic fundamentalist group Hamas over the Palestinian peoples of Gaza who are callously being used by this fanatical group as human shields in this awful conflict.

The Bible does indicate that Jesus will return to this earth, I read in Zechariah 14:4 *"... and in that day His feet will stand on the Mount of Olives, which faces Jerusalem."*

May all our own hearts be open to receive His word and prepared for His return whenever that will be. Have a blessed week.
