CAROLINE'S DÓTERRA ESSENTIAL OILS

CAROLINE'S POD OF POSITIVITY

Welcome to my weekly column. My name is Caroline and I'm a trained and qualified dōTerra essential oil specialist helping, guiding and supporting many people along with their friends and families throughout North Kerry, West Limerick and the wider county regions in using the Oils in living a life of health, wellness and positivity. From personal experience and from using the oils consistently within our own home I know how the oils can support the Body, the Mind and the Mood. Each week I'll be bringing you information on different oils along with their uses and benefits, so that you can also make them apart of your every day routine in living your best essential oil life with my guided support.

Love Yourself First Before You Love Anyone Else.

With Valentines just around the corner and Love is the topic associated with this time of year, let's change our thinking as a time for Self-Love and the Love that we need to have for ourselves. Self-Love is the foundation of all success and it can bring so much good into our life. You need to love yourself first before you love anyone else whether that is your children, your partner, husband, wife, friends, no matter who it is or who it maybe thats in your quality world, you need to first learn to show yourself some Self-Love and Self-Care.

Two of my favourite dōTerra essential oils come to mind when we talk about self-care and self-love and they are Grapefruit and Frankincense, particularly these two at this time of year. Using both these essential oils in our foods, diffusing them around the home or having them applied to the body can support us in our Self-Care routine. Grapefruit is referred to as the forbidden fruit and one of the Seven Wonders of Barbados. It is known for its energising, invigorating and uplifting aroma and is an excellent pick-me-up to our emotions when feeling not-so positive. I recommend diffusing this dōTerra essential oil in your cold-water diffuser and to also add a drop or two when you're drinking your recommended daily water. It gives you an uplifting and happy feeling that lasts throughout the day. In the evening or before you go to bed have a relaxing bath, light a candle, and add three to four drops of Grapefruit and Frankincense to the bath water for pure tranquillity and self-care.

Both of these dōTerra essential oils are very beneficial to the skin and adding two to three drops of each to your face cream or body cream is a must. As Frankincense is the most scared of all essential oils, it is a very fitting one for this month and is at the top of the list in the Wellness Pyramid. Frankincense is often referred to as the King of essential oils and a nice self care practice is to use this oil topically over your heart and crown chakra before meditation or yoga.

I personally like to take a drop under my tongue for my overall cellular health, to keep and maintain a positive mindset, to ground both my body and mind when feeling anxious and especially before I sit down in my quiet space and write my gratitude and self care list in my Journal.

These DōTERRA Essential Oils and Supplements are a Natural Solution to care for our needs and our family's health needs. Supporting us naturally with many of the following that we may experience from time to time such as: Anxiety Issues, Digestive Support, Sleep Assist, Muscle Care, Stress Buster, Depression, Grief, Energy Boost, Skin Support, Emotional Wellbeing, Immunity, Allergy Assist and so much more.

Three Ways To Use DōTerra's Essential Oils:

1. Topically: applying them on to our skin particularly our pulse points and soles of the feet.
2. Aromatically: by placing two to three drops into a cold-water diffuser and diffusing these oils in our homes, classrooms, offices, places of work and business.
3. Internally: by adding them to our favourite foods when preparing and cooking, adding the oils into our waters and beverages, or simply by taking the oils sublingually (putting a drop under the tongue) daily.

For extra positivity and well-being, check out my Facebook page; Caroline's Pod of Positivity where I have information and videos on all of DōTerra's essential oils. For consultations and wellness talks you can reach me on the number below to arrange a time and date that suits you and together we will start you on your journey of health and wellness using DōTerra's essential oils.

Thought For The Week 'It Is Not Selfish To Love Yourself. Take Care of Yourself First. Make Yourself a Priority. Self-care and Self-love is Necessary for You'

LISTOWEL CREDIT UNION SPONSOR POTTING BENCHES FOR KERRY PARENTS & FRIENDS "GREEN THUMBS UP" SOCIAL ENTERPRISE, LISTOWEL

Listowel Credit Union is delighted to provide sponsorship for the purchase of two free standing potting benches for Kerry Parents & Friends (KPFA) "Green Thumbs Up" Social Enterprise in Listowel.

The social enterprise was launched late in 2023 with KPFA service users who work in the garden group wishing to share their gardening skills and knowledge with the community. The group offer gardening workshops to the wider community while also planting, growing and selling a range of plants from the enterprise polytunnel at the Farmers Market Stall in Listowel every Friday.

Marketing Manager, Ashley Fitzgerald and ESG Committee Member, Katie O'Connell of Listowel Credit Union were welcomed by the Green Thumbs Up Group on Tuesday morning last to see the fantastic work being done by the enterprise.

Kathleen Horan Centre Manager KPFA and Lucy Trant Senior Instructor/ Horticulturist KPFA on behalf of the "Green Thumbs Up" Group said: "We are delighted with the addition of two potting benches for our service users. This social enterprise allows service users to gain meaningful employment which in turn brings about positive life skills and social inclusion opportunities. Having Listowel Credit Union come on board helps us advance the development of Green Thumbs Up and encourage more users to play a socially valued role in their own community."

On the sponsorship, Ashley FitzGerald, Marketing Manager, Listowel Credit Union, said: "We are delighted to be able to come on board for this fantastic enterprise with Kerry Parents & Friends to provide sponsorship from our ESG Community Fund. We can see here today first-hand the difference the benches will make, and the fantastic work already being done by the hard-working Green Thumbs up team. The enterprise helps address the social issue of lack of meaningful employment for those with disabilities and we are delighted to help play a part in its success."

For more information on the Green Thumbs Up Enterprise contact Lucy Trant, Kerry Parents & Friends, Listowel.

SAN RITA WELLNESS

Welcome to San Rita Wellness weekly column...We hope you are safe and well

Love is in the air and as it's Valentines Day next Wednesday it might be worth asking ourselves...

What is Love?

Someone once said "Love is an understanding or a misunderstanding between two fools"

Love comes in many ways, shapes and forms. This week, we are looking at three different kinds of love.

The foods we LOVE, the people we LOVE and the different ways we can LOVE ourselves.

Foods we LOVE ♥

At San Rita Wellness we believe that it is important to find a way to still have the foods you love without feeling guilty, and that's why our plan works so well for our members. We all know that if you have to deprive yourself of something it only makes you want it all the more. So, with consideration everything in moderation. It is important to us all to be able to still have the foods we love and still feel in control of our weight.

Tips:

- * Look on them as a treat rather than a threat.
- * Quality over Quantity, ie. go for a good quality chocolate rather than a cheaper brand.
- * Choosing lower calorie meals during the day allows you to have a more indulgent evening meal.
- * Keep active and burn calories to allow you to indulge a little at this time special time.

People we LOVE ♥

Having the love and support from the people around you is a very important part of a person's wellness journey. We all love some time on our own but there are other times when we need the company of others. We all love for example catching up with our friends either in person or over the phone. So let's look at how the people you love can help you on your Weight loss and Wellness journey.

Tips:

- * Go for a walk together as a family.
- * Play cards or a board game in the evening time as very often this can be a danger time for snacking.
- * Ask them to keep their treats out of sight from you as they may tempt you.
- * Get everyone involved with you on a fun workout on You Tube etc.

Self Care and LOVE ♥

Loving yourself is not selfish. Make yourself a priority. Schedule in some "ME" Time. Don't wait for the time to just magically appear. It won't. If you don't show love to yourself, you can't expect anyone else to show love to you. It is also important to keep in mind how you speak to yourself. When you look in the mirror every morning start your day by giving yourself a compliment.

Tips:

- * Dress up every morning and put on make up.
- * Have a pamper night, a relaxing bath, apply a face mask and paint your nails.
- * Every day set 10 or 15 mins aside without any distractions just for yourself.
- * A walk in the beautiful town park or the beach can be beneficial to both your mindset and your body.

So to finish up a little Valentines thought,

Don't shower me with flowers
Don't dance with me for hours
Don't take me out to dinner
Just say "I'm looking slimmer"

For extra support and for weekly accountability check us out on Facebook San Rita Wellness or sanritawellness.ie for details of our "In Person Meetings", "At Home Service" or our "One to One Service"

BODY OF TRUTH

By Marie Cassidy

The unmissable debut crime thriller from Ireland's former state pathologist & bestselling author of Beyond the Tape

FROM IRELAND'S FORMER STATE PATHOLOGIST MARIE CASSIDY COMES A GRIPPING THRILLER WHERE THE SECRETS OF THE MORTUARY ARE UNCOVERED WITH SCALPEL-LIKE PRECISION.

IN THE HUNT FOR A KILLER THE SCARS OF DEATH DON'T LIE

Dr Terry O'Brien has recently arrived in Ireland from Scotland to take up a position as State Pathologist when a high-profile murder occurs.

The victim is Rachel Reece, host of a popular true crime podcast on unsolved murders of Irish women and niece of a prominent politician.

As Terry gathers evidence to help with the police investigation, she becomes convinced that they are following the wrong line of inquiry and begins her own research. She soon finds herself in the thick of cold cases of murdered Irish women, with questions mounting.

What did Rachel Reece find out about the unsolved murder of Eileen McCarthy before she died? Who is sending ominous messages to Terry and what do they mean? And why is she increasingly at odds with her superiors?

Terry knows that the pathology never lies. But when her forensic skills reveal something that might hold the key to the case, little does she know the deadly risk of revealing the truth...

BALLYDUFF GAA

Senior Football:

Our senior footballers continued their north Kerry League campaign on Friday night in a round 2 game v St. Senans in Ballyduff. On a historic occasion for the club as it was the first game under the new floodlights. Conditions didn't help with free-flowing football as a strong wind and occasional showers persisted during the game but that didn't hamper both set of players to play an enjoyable game. St. Senans opened the scoring, but Darragh Goulding went into the history books as the first Ballyduff player to score under lights. End to end action lit up the first half with Ballyduff up four points at the short whistle. The introduction of Cillian Trant at half time strengthened the St. Senans cause and the Mountcoal men got to within one point, but Ballyduff pulled away at the final whistle with Aidan O'Connor getting a brace of goals in only his second game back with the big ball. Many thanks to the St. Senans players and referee Peter Curtin for an entertaining game.

Next up will be home game versus County and Munster champions Listowel Emmets.

National Club Draw:

The National Club Draw is taking place in March, and it provides a great opportunity to support Ballyduff GAA Club and be in with a chance of winning some fantastic prizes including a top prize of a brand-new car. All proceeds from the sale of these tickets stays in the club as the prizes are provided by Croke Park. As we have been engaged in massive development of both the pitch and grounds these funds would be a massive help to now maintaining the pitch at its high standard and keeping the new walkway lit and of course purchasing any new equipment needed for all our teams from U7 up to senior. Tickets cost €10 and the draw takes place on March 27th. The first prize is the all-new Dacia Sendero Car, 2nd prize is €10,000 and there are a number of All Ireland hurling and football packages also up for grabs. You can purchase a ticket from any of the club officers, online or by following the link. <https://www.foireann.ie/.../7467a12d-d147-4c5c-8a02...>

BEALE GAA

Beale seniors lost out to Ballydonoghue in round 2 of Division 1A of the North Kerry League on Sunday, again by the bare minimum. Goals were the order of the day, with two in each half. We got off to a blistering start, rattling the net in the sixth minute and again in the twelfth. Despite a saved penalty, we went on to lead by eight points. Our opponents hit three unanswered points, and the two goals separated the teams at the interval, 2-5 to 0-5.

Ballydonoghue raised the green flag on the changeover and we struck the post twice. The teams exchanged points, as our opponents put us under pressure and pulled us back to just one point going into the final quarter. This half was plagued by stoppages and some players were guilty of scrappy play.

We regrouped and went ahead again by 3 but their second goal levelled the game. The teams exchanged points again and were level as the clock ticked. Ballydonoghue finished by finding that winning point. The final score read 2-10 to 2-9.

On Saturday, we host Desmonds in Páirc de Staic at 3.30. Then we travel to Brosna for our last round game the following weekend.

Beale minors contest Division 5B of the County League, with our first game at home to Beaufort on Saturday, February 17th. Throw in is at 3 o'clock. Then we travel to Currow the following weekend. Other teams in this division are, Finuge, Moyvane and Ardfer, with games every weekend u til mid-March.

Our under-13s contest Division 6 of the County League. Other teams in this division include Beaufort, Daingean Uí Chúis, Duagh, Northern Gaels and St Pats. Our under-15s contest Division 5, with Dromid/Waterville, Fossa, Knock/Brosna and St Senans.

Beale GAA Club extends sincere sympathies to Patrick and the O'Sullivan and Joyce families, and to Mags and Tony, on the untimely passing of Lena O'Sullivan, RIP. Actively involved in Beale GAA down the years, with Bernie O'Callaghan, as chairman, Lena spent time as secretary and also as treasurer. With her young family, her main focus was under-age and she spent time as secretary of Coiste na nÓg and PRO for Beale Ladies.

Lena was one of the founding members of Beale Ladies. With her husband, Patrick at the helm, Beale Ladies brought county glory back to the seaside in their first year of competition. A skilful and tight-marking corner back, 40 years ago, Lena captained the first, and only, Beale Ladies team to win the County Intermediate Championship.

On that victorious team too was her sister, Joan Marie, sister-in-law, Pat, and cousin, Josephine Moloney. A family steeped in football, her brother, Mike, was a force to be reckoned with on the Super Beale team of the seventies and eighties, and brothers, John and Pat, also wore the club colours. Their dad, Mick Joy, played on the first Beale team to win a North Kerry cup, in 1939.

Lena and Patrick were forever on the road to matches and on the Beale sideline. Together with their close friend, Mags Brennan, their vans and cars were loaded with young players as they traversed the countryside to matches.

Lena was very proud of her 6 children wearing the club colours and also for Kilconly School. Her great GAA tradition lives on too with her grandchildren. Gracie has captained Kilconly School to county glory and played with Kerry under-age girls in 2023 and again this year. We look forward to Patrick, Kerri and Chloe wearing the Beale colours.

Lena also enjoyed the social occasions with Beale supporters, especially in Cliff House and, in the earlier years, Beale Bar. She will, no doubt, be keeping a watchful eye on football activities, from the heavens. Solas na bhFlaitheas ar a h-anam dhil

KERRY FOOTBALL: The men's senior side got back to winning ways with a solid win over a tough Monaghan team last Sunday. This is a welcome display ahead of a big game against Mayo Saturday week 17th of February in Austin Stack Park at 7:30pm - a game that never disappoints!

Kerry senior Ladies put in another impressive display this time against Cork in their round three national league win over old friends Cork. OUR LADY OF MOUNT CARMEL

Oh, most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven.

Blessed Mother of the Son of God; Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me you are my Mother. Oh, Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succour me in my necessity (Mention your request here)

There are none that can withstand your power. Oh, Mary, conceived without sin, pray for us who have recourse to thee (3 times). Sweet Mother, I place this cause in your hands (3 times). Amen

This prayer is never known to fail. It is to be said for 3 consecutive days. Publication on granting of the favour must be promised and done. M.P.

PRECIOUS MOTHER OF JESUS

Mother of Divine Grace, You can find a way where there is no way, please hear my prayer and grant my request. Amen. Say 6 times a day for 3 days. **N.B.**

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours.

This time I ask you this special one, (mention favour). Take it dear heart of Jesus and place it within your heart where your father sees it. Then in his merciful eyes it will become your own favour not mine. Amen.

Say this prayer three times for three days and your favour will be granted. Never been known to fail. Must promise publication of prayer. **B.S.**
