LISTOWEL CREDIT UNION REACHES €20 MILLION LOAN BOOK MILESTONE

Listowel Credit Union has offered safe, affordable financial services to its community since first opening in 1973, providing flexible loan products and secure savings accounts to the people of North Kerry.

In the month of March Listowel Credit Union reached the significant milestone of €20 Million Loan Book. This significant lending to members highlights momentous growth in recent years and the continued support from members.

Denis Dillane, Listowel Credit Union CEO, said: "We are absolutely delighted to reach a Loan Book of €20M with our members! We have overcome challenges in the past number of years, and we will undoubtedly face more challenges in the future, however, this is a fantastic milestone for Listowel Credit Union and the members we serve. This loan book growth could not have been achieved without the support and trust of our Members across North Kerry, Staff, Management, and our dedicated Board of Directors."

"We have experienced significant changes in Irish Banking however, here at Listowel Credit Union, we understand the importance of retaining our 'face-to-face' engagement while also working to enhance our online services for the benefit of all members. Listowel Credit Union is here to support our members and the community. Together we will grow from strength to strength as we work towards the next milestone."

To mark this important milestone, Listowel Credit Union will be hosting an open day at the main Listowel Office on Friday April 26th from 10am to 4pm.

An open invitation is extended to everyone in the locality to come along on the day and join in the celebrations. Light refreshments will be served, there will be member draw for all transactions completed on the day across both offices.

Staff will also be on hand to demonstrate the new Online Card Payment service available and can assist members with Online Banking registration. Listowel Credit Union Limited is regulated by the Central Bank of Ireland.

Members of the 1959 Ballydonoghue winning North Kerry Championship side along with their families were honoured by the Ballydonoghue Parish Magazine and the GAA club at a function held in the Club Rooms Coolard on Friday night last April 12th 2024. COLM O'BRIEN TRIBUTE CONCERT THIS FRIDAY AT THE TINTEAN

A tribute concert in memory of the late Colm O'Brien will take place at the Tintean Theatre, Ballybunion, this Friday evening April 19th at 800pm.

Colm passed away last November and has left an enduring legacy of music and song to Listowel and beyond. Colm was known locally as 'Stride' as he was an exponent of the stride method of piano playing. He was a regular performer in The National Concert Hall in Dublin over the years and at a number of festivals around the world.

He founded Listowel Singers in the 1980's and arranged performances for the group in The Vatican for Pope John Paul II and in New York for the St. Patrick's Day Parade.

The tribute will include performances by Kerry Choral Union conducted by Sharon Reidy, Kerry Chamber Choir conducted by Aidan O'Carroll and award winning Munster Technological University Choir conducted by Lisselton born Caitriona Fitzmaurice who was a former student of Colm's.

All proceeds from the evening will be donated to Aras Mhuire Nursing Home, Listowel.

UNRECORDED PLACES IN BETWEEN

A new Poetry Book - Proceeds to the RISE Foundation

Paddy Creedon's new poetry book, with artwork by Tricia Healy, will be read out loud on Wednesday 1st May at 7.30pm in St John's Theatre & Arts Centre Listowel and again on Saturday 4th May in the Tarbert Community Centre at 7.30pm.

With respect to all those whose lives have been touched by alcohol harm, all these events are alcohol free.

Pick up your copy of 'Unrecorded Places in Between' at these events – recommended donation €10 per copy

All proceeds going to the RISE Foundation: <https://www.therisefoundation.ie/>

Senator Frances Black, Founder of the RISE Foundation, in welcoming the publication said: "This splendid publication combines the heartfelt poetic words that Paddy has carefully crafted with that of artist Tricia Healy's beautifully haunting artwork. The result is so relevant to today's rupture and repair world where recovery built on love, respect, family, nature and healing can transform lives every day."

Cónal Creedon, Critically acclaimed novelist, playwright, and documentary filmmaker had this to say: "There is profound power in Unrecorded Places in Between - I love these poems and artistic images, a beautiful production. Paddy's opening poem that has given the book its title is based on a letter that turned up unexpectedly in the Padraic Pearse Archive, involving Paddy's Grandfather Patrick and his Dad Brendan. Broader than that, it concerns the land wars, 1916, and the fate experienced by Republicans after the Civil War."

Paddy Creedon counts himself as one of the lucky ones with a lifetime of recovery from the illness of alcoholism behind him. He continues to be a passionate and grateful recovery advocate for people who suffer from all addictions and their loved ones. His passion brings him into daily contact with people in active addiction, their families, their workplaces and their communities. Paddy has a Masters in Administration (MBA) from the Vlerick Business School in Belgium. Follow Paddy Creedon on www.paddycreedon.com.

Tricia Healy is an artist and psychotherapist in Ireland who has specialised for over 15 years in working with palliatively ill and dying people. She is deeply passionate about her work and considers herself an apprentice and the people she meets are some of her greatest teachers. Tricia is an accomplished artist and is committed through her work and creativity to making the world a much better place for all. Tricia will complete her Masters in Psychology later this year. Follow Tricia Healy on LinkedIn on <https://www.linkedin.com/in/tricia-healy-640a7a2b/>. Both have 'Kingdom' roots embedded in their DNA and are deeply proud of being 'Of Kerry'.

The RISE Foundation currently runs non-residential Family Programmes and a 1 to 1 Counselling Service with a team of experienced addiction for people adversely affected by a loved one's addiction.

These services are available to people from all communities throughout the island of Ireland.

LYREACROMPANE PRIMARY SCHOOL EMBRACES NEW CHAPTER

Lyreacrompane Primary School Embraces New Chapter as Kerry Education and Training Boards Fourth Community National School.

In a significant move reflecting the evolving landscape of education in Ireland, Lyreacrompane Primary School has announced its transition to become Kerry Education and Training Board's (Kerry ETB's) fourth Community National School (CNS). This decision marks a shift from its previous Catholic ethos to a multidominational one, aimed at offering greater inclusivity and choice to families within the community and wider area. Lyreacrompane will be the only school offering this choice for parents in the north Kerry area.

Principal Eilish Lyons expressed the motivation behind this transition, stating, "Locally, there was a lot of support for it. Many of our families have different religions, and we wanted to offer choice to everyone. We are a changing Ireland." The decision was met with overwhelming positivity from the local community, including parents, teachers, and students. Eilish emphasised the collaborative nature of the decision-making process, highlighting the involvement of parents and the board of management as well as the Kerry Diocese.

The transition is not merely a symbolic shift but also carries profound implications for the school's educational philosophy and values. While the curriculum remains unchanged, the introduction of the Goodness Me Goodness You Programme reflects a commitment to inclusivity and diversity. Eilish elaborated on this, noting, "We currently have children that do not take part in our religion classes, they do other work, and now they will be fully included in our school day."

Eilish emphasised that, "the primary school curriculum is the same as all other schools but the Goodness Me Goodness You which is the 30 minute per day patrons programme enables the holistic development of the child, supporting them to grow and flourish as active participants in their learning and in their communities." The teaching methodologies will also see a shift towards greater emphasis on philosophy and critical thinking. Ann O'Dwyer, Director of School, Youth, and Music at Kerry ETB, mentioned the importance of nurturing these skills from an early age. "A community national school aims to facilitate pupils' thinking and debating skills and to facilitate their understanding of their own ideas and those of others," she explained. "Philosophy helps children to reflect and think deeply about their place in their community, society, and globally."

Community engagement has been a cornerstone of this transition, with the school actively involving local stakeholders from the outset. Meetings with parents and community gatherings provided avenues for voicing opinions and concerns.

Regarding staffing and leadership, the transition will involve support and training from Kerry ETB for current staff. While there will be no changes to the school's facilities, the long-term vision is to develop the school further, potentially extending services such as a bus route from a local town if there are 10 or more pupils who would use the service.

There will be increased choice and new learning opportunities for pupils, both academically and socially. Measures will be in place to support students who have strong ties to the Catholic tradition of the school, including supporting Communion and Confirmation preparation after school.

As Lyreacrompane Primary School embarks on this transformative journey, the overarching goal is clear: to ensure that the school welcomes all while fostering a vibrant and inclusive learning environment. "It is wonderful place to receive a first class primary education, in beautiful quiet surroundings on the banks of the Smearlagh River and its adjoining Woodlands." Added Ann.

If you would like to enquire about places in the school feel free to contact the Principal Eilish Lyons on (068) 48233 or email lyreschool@gmail.com

SAN RITA WELLNESS

Welcome to San Rita Wellness weekly column...We hope you are safe and well

We hope all is well with everyone and you are looking forward to the beautiful weather that is forecast. It is definitely not before time as the weeks are ticking by. From our own experience listening to our children and grandchildren talking about making videos on their phones using " Tik Tok " we sometimes feel we are out of touch.

The only "Tick Tock" many of us may be familiar with is the one with the big hand and the small hand. As we all know the clock can have a big influence on what we do and when we do it.

For example: When we eat, What we eat,
 When we drink, What we drink
 When we are active, What we do to keep active
 When we sleep, How long we sleep for
 When we shop, Where we shop

Time has a bearing on all of these things.

Eat by the clock

So have a think about your own eating pattern.

Are you actually genuinely hungry when you eat or is it because it is a certain time on the clock?

Are you allowing yourself enough time to sit and enjoy your meal or are you rushing it ?

Are you having something to eat every time someone sits at your kitchen table just to be sociable ?

We know it is important to have 3 well balanced meals a day, it is important to allow yourself the time to sit and enjoy your food because this makes us more mindful and aware of our feeling of satisfaction .

Very often it can be the things we eat in between our meals that can do us no favours.

Move by the clock

Now we want you to think about how active are you at the moment .

Does time have an influence on what you do to keep active ?

Some people have the time to go to the gym, more people have the time to go for a long walk or jog . It all comes down to time. It is highly recommended that we all need to be active at least 30 mins a day, 5 times a week. Not alone is activity important for our overall health and well being it is also good for our head space. So make sure whatever it is you choose to do that you enjoy it and make the time for it.

Sleep by the clock

Are you getting enough sleep at night?

Sleep plays a very important part in our overall health and well being also. Our bodies repair while we are sleeping and we actually burn calories when we sleep, believe it or not. If we don't get enough sleep this has an impact on how we feel the following day. For example we can be tired and cranky and end up feeding our emotions, we may not have the energy or enthusiasm to go for a walk.

Setting a bedtime routine and sticking to eat is a healthy habit to develop. You will feel better and have more energy and zest everyday.

Early to bed, Early to rise.

Lets wind things up by saying that San Rita Wellness are always there to support you at any " time " on your Weight loss and Wellness journey. s

EARTH

By John Boyne

From million-copy-bestselling author John Boyne, an inescapably gritty story about one young man whose direction in life takes a vastly different turn than what he expected.

It's the tabloid sensation of the year: two well-known footballers standing in the dock, charged with sexual assault, a series of vile text messages pointing towards their guilt.

As the trial unfolds, Evan Keogh reflects on the events that have led him to this moment. Since leaving his island home, his life has been a lie on many levels. He's a talented footballer who wanted to be an artist. A gay man in a sport that rejects diversity. A defendant whose knowledge of what took place on that fateful night threatens more than just his freedom or career.

The jury will deliver a verdict but, before they do, Evan must judge for himself whether the man he has become is the man he wanted to be.

BALLYDUFF GAA

U15 football

For the fourth time in six days a Ballyduff team had to travel to the opposite end of the county to play a game. After trips to Kenmare, Waterville, Glenflesk in recent days this time it was onto Rathmore for our u15 footballers who travelled to take on the home team in a Round 2 clash in the County League. Yet again weather and pitch conditions were far from ideal however both teams endeavoured to play a nice brand of football. Despite playing against the wind our boys started the sharper and took an early lead, a lead they maintained throughout the half. It's fair to say that the men in Green dominated the exchanges but didn't convert all the possession into scores. The second half saw our lads extend their lead and looked to be cruising to victory however after injuries to two of our players the momentum swung towards the home side as they grew in confidence and kept chipping away at the Ballyduff lead. The East Kerry men smelt blood and it looked like they would take control of the game. It was back to the wall stuff as the Rathmore men brought the lead to the tightest of margins with time almost up. The Ref blew the final whistle much to the relief of the North Kerry boys as they held on for a win by the narrowest of margins on a score line of Ballyduff 3 – 6 Rathmore 2 – 8. Thanks to the parents for making the long journey. Another sporting game despite the conditions and well handled by the Referee on duty.

Féile Hurling:

The 2023 Lee Strand Féile na Gael hurling final between Ballyduff and Crota ranks as one of the greatest ever in the history of the competition. Few

could have predicted that Friday night's 2024 semi-final could have come close in terms of excitement but the large crowd in attendance was not left disappointed as they were treated to another thriller. Ballyduff went into the game without a number of key players but playing with the breeze they raced into an early lead. After eight minutes they found themselves 3 – 1 to 1 – 0 in front. Crota found their rhythm and hit three unanswered points before Ballyduff raised the white flag again. Crota rallied once more and sent over four points in as many minutes leaving just the slightest of margins between the two teams at halftime 3 – 2 to 1 – 7.

Ballyduff started the second half with great heart and were 4 – 8 to 1 – 10 in front at the three quarter mark. When a fifth green flag for Ballyduff left us ten points ahead with ten minutes remaining it should have been game over. However the never say die attitude of Crota saw them score 2 – 2 in quick succession. The players on both sides gave their all in the quest for victory but in the end it was the Ballyduff boys who emerged victorious. Final score Ballyduff 5 – 9 to 3 – 13. Huge credit is due to this very young Ballyduff side for their incredible work rate and the teamwork on display. Inspired by their management team of William and Pakie Quinlan, John Hennessy and Joe Roberts, the team played with passion and showed great pride in their club jersey. Thanks also to referee Eugene Stack who officiated the game effectively. We look forward to next weekend's Division 2 Féile Final against Kilmoyley.

Senior Hurling:

A great game of hurling, played in greasy conditions in Ballyduff on Friday evening, ended up in a good five point win for the home team. The first half was nip and tuck, with Kilmoyley leading most of the way, until Ballyduff rattled off 3 late points to lead by 2 at halftime. Two points by Padraig Boyle in the first half were worthy of an All-Ireland final.

Ballyduff opened the second half in ferocious fashion, and an early goal from Kevin Goulding, set up brilliantly by Padraig Boyle, opened up a six point lead which left the home team with breathing space. Kilmoyley never backed down though, and chipped away at the home team, bringing it down to three points, with the time nearly up, after a long Daniel Collins free found its way to the net. Ballyduff stood firm, and closed out the game with two fantastic long range points. It was great to see the young lads stepping up, particularly Anthony Kavanagh and Aaron White in the fullback line. The future looks bright.

BALLYBUNION TIDY TOWNS

A huge thanks to everyone who participated in the County Clean Up Day. Although it's advertised as occurring on a particular date, many people go out as and when they can. From the number of red bags deposited, it seems that the weather didn't put too many off, so once again, a big go raibh maith agat. A reminder that Ballybunion Tidy Towns AGM is taking place on Monday 1st May in Ballybunion Community Centre at 7pm. Everyone is welcome to attend and if you have ideas to improve Ballybunion, this is an excellent chance to voice them.

The subject of dog fouling around the town was given air time on Radio Kerry this week. Ballybunion Tidy Towns Chairperson, Rena Blake spoke very clearly on the issue and the problems it causes. Not least of which to the men who mow the grass and who are concerned for their health when the excrement is sprayed on them whilst mowing and strimming. We know the majority of dog walkers are very responsible and pick up after their dog. It's the minority spoiling things for people who live in the town and our welcome visitors.

On a different note regarding Tidy Towns, volunteers don't just pick up litter and plant flowers any more. Times have moved on. Our work now involves biodiversity and sustainability and working to lessen our impact on nature and our own little corner of Kerry. If you would like to know more, come to the AGM on 1st May. Looking forward to a full house.

Causeway CS Glamour and Glitz Fashion Show:

A Night of Style, Elegance & School Spirit

On the 20th of March, Causeway Comprehensive set the stage for a spectacular evening of fashion, creativity, and community spirit as they presented their Glamour and Glitz Fashion Show. Co-ordinated by Sinead Scanlon, her passionate Transition Year students and the dedicated fashion committee, the event was a celebration of imagination and sustainability.

Stepping into the spotlight as the MC for the night was the fabulous Helen Murphy from Daily Diva Diary. With her signature charm and wit, she captivated the audience of over 400 people, setting the stage for an unforgettable showcase of talent and style.

Adding to the allure of the event were the esteemed judges of the Junk Kouture outfits, which was Ballyheigue's own talented international fashion designer Don O'Neill and Pascal Guillermie. They provided invaluable feedback and guidance to the aspiring TY Junk Kouture designers, whilst also relaying some of the tips and tricks of the industry to calm and steady the nerves of those donning the catwalk.

The highlight of the evening was the Junk Kouture segment, where students unveiled their imaginative creations crafted from recycled materials. Awards were presented in various categories, including the Glamour Award and Wearable Art to name just a few. The atmosphere was electric as the TY models strutted down the runway, showcasing their designs with confidence and flair.

Thankfully, the excitement didn't stop there. Students also showcased outfits from a variety of prestigious shops, demonstrating the diversity of fashion available in Kerry. From the sophisticated styles of Reiss and East 73rd to the unique offerings of Sinead's Boutique and Jasmine Boutique, each ensemble captured the essence of its respective brand. The runway came alive with the latest trends from Shaws, Effigy, Penneys, and the Paul Galvin collection from Dunnes Stores, demonstrating the students' flair for fashion. The audience was captivated by newcomers WAWETS, founded by Rita Maunsell from Ardfert as this range offers waterproof clothing as well as traditional work wear for women in agriculture.

Surprising the audience were past pupils, who made a special appearance on the runway. Members of the All-Ireland winning Clanmaurice Camogie Team modelled outfits from Pamela Scott, whilst the male Kerry football and hurling players donned sharp suits from Suits Select.

Playing into the fun element of the night was the school's teachers, who took to the stage to display the latest fashion trends. Female teachers paraded the newest outfits from Paco in Tralee, with the male teachers wearing ensembles from Shaws Tralee. As the audience applauded their beloved teachers it became clear that the fashion show was not just a platform for students to shine but also an opportunity for the entire school community to come together and celebrate.

Behind the scenes, the event was brought to life by the talented team from Balloons Le Grá, Tralee, adding an extra touch of glamour to the occasion. Meanwhile, stage, lighting, and sound were expertly managed by Ray Stack.

Reflecting on the success of the evening, principal Cathal Fitzgerald expressed his gratitude to everyone involved "tonight was a testament to the creativity, talent, and spirit of our students and teachers alike," he remarked. "I couldn't be prouder of what we've achieved together, and I'm grateful to our judges, MC, sponsors, and everyone who supported the event."

As the curtains closed on the Causeway CS Glamour and Glitz Fashion Show, attendees left with memories of an enchanting evening filled with style, elegance, and a captivating school spirit. It was a night to remember, showcasing the best of Causeway Comprehensive School's creativity and community ethos.

BEALE GAA

Huge congrats to Robert Stack, captain of Kerry under-20s. It is a proud achievement for the club to have Robert line out at mid-field and lead the county squad.

The team got off to a great start with victory over Clare in the opening round of the Munster Championship. Best of luck to Robert and his team on Wednesday in Páirc Uí Chaoimh against Cork.

Also, congrats to Brian Dinneen who has been chosen as goalie for the Kerry minors & to Aisling Hennessy, who lined out at corner back on the Kerry Camogie minor team, in their victory over Westmeath in the All-Ireland quarter final. Best of luck to Aisling and her teammates in the All-Ireland semi-final.

Well done too to Beale girls, Evanne Mason and Layla-Kate Buckley, who were part of the Kerry teams that played at the under-14 Munster LGFA blitz in Malwal last week. Congrats too to Debbie Hannan who is part of the Kerry management team. Both teams will now play Munster finals in the coming weeks. Best of luck to Gracie O'Sullivan and her team mates on the Kerry under-16 panel. We look forward to following the exploits all these young players in the green and gold of The Kingdom.

Beale minors came up short in the County League semi-final. We were just 2 points adrift at the final whistle, 2-6 to 2-8.

Beale seniors have 3 points from 3 games in our County League, Division 4, campaign and are in fifth position on the table. We play host to Cromane this weekend and then we travel to play St Michael's Foilmore the following weekend. On the May Bank Holiday weekend, we welcome Waterville to Páirc de Staic.

Our under-13s made the long trip to Barraduff and came away with a great win in the County League, Division 7. Final score was Beale 5-5, Glenflesk 3-8.

Beale under15s lost out to Annascaul /Lispole in Division 7B of the County League. The final score was 3-6 to 3-16. Goals win matches and this was the case when our under-15s played Castlegregory in Páirc de Staic. In a very high-scoring game, we came out winners on a score of 7-9 to 3-13. On Wednesday we're off on the road again, this time to Scartaglin with a 7.00pm throw in.

Training for Beale under-5s, under-7s and under-9s returned last week. Our academy goes ahead on Saturday mornings from 10 o'clock to 11 o'clock. Our under-11s were back in action also last week and put through their paces by new mentors, John Larkin, Mary Walshe and Stephanie Blake.

Beale under-16 girls got their North Kerry League, Division 4, campaign off to a great start against Brosna/Knocknagoshel. After a slow start, a much improved second half performance gave us a comprehensive win, 6-4 to 2-3.

Our under-12 girls played their first match in the North Kerry Go Games against Duagh in Páirc de Staic. Spectators were treated to lots of skillful moves, impressive scores and determined defending. A big 'thank you' to Regeneron who sponsored a new set of jerseys for our girls.

Beale Ladies are delighted to play at minor level this year. It has been some years since we fielded at this level. We put in a good performance in our first County League, Division 5, game, losing to Austin Stacks. Many thanks to Tullary for sponsorship of jerseys for the team.

Mile buíochas to everyone who sponsors and supports our teams. Your patronage of our club is much appreciated.

We welcome young people to training and to join our teams. Please remember every child must be registered before they can participate – simply log on to www.foireann.ie. If you have any difficulties with this, please do not hesitate to contact us.

Follow us on Facebook for details of what's happening in our club and for regular updates. Also, download the Clubforce app to for fixture updates/changes.

This week's Beale Lotto took place in Mikey Joe's Bar. Details of the lucky numbers and winners are posted on social media, in Joyce's Newsagents and in the local pubs. The next lotto draw takes place in The Feale Bar on Sunday night at 9 o'clock.

Tickets, €2 each or 3 for a fiver, may be bought online and are available in Joyce's Newsagents and in the local pubs. Terms and conditions apply. A huge 'mile buíochas' to everyone who supports and promotes the Beale Lotto.

JIMMY DEENIHAN: A wonderful evening last Saturday at the Listowel Arms marked the outstanding contribution that Jimmy has made to his club and Kerry football. Many old team mates from club and county were at hand to pay tribute to this famous son of Finuge. Jimmy set the standards and paved the way for many more great Finuge players to follow in the years after. The club wishes to sincerely thank everyone who attended Saturday nights event, to everyone who helped or contributed in any way to make this a hugely successful night. The proceeds for the night go towards the ongoing development of our club facilities to help ensure future generations will have the opportunity to follow in Jimmy's footsteps. Thank you Jimmy for your fantastic service to Finuge GAA, with many more years of involvement ahead no doubt.

SENIORS: This was a break week for our Senior team so no game was played. Next game in the county league is this Sunday at 2pm when Rathmore B come to visit Finuge.

MINORS: Our minor team came up against the combo of Tarbert/Ballylongford last Monday week in the county league semifinal. After a close opening half, our lads were hit by two fast goals just before halftime. This sudden gap would prove decisive as the opposition would hold this advantage to the end of the game, even though our lads fought hard to the final whistle. Final score Finuge 2-05, Tar/Bally 5-06.

Next up for our minor team will be the North Kerry league which is scheduled to go ahead the 22nd of April - more details to follow.

U15s: Our U15 team picked up where they left off the previous week against Dr Crokes, when Glenflesk/Kilgarvan came to visit last Wednesday. A close first half in windy conditions saw the visitors go in ahead at halftime by two points. Our lads had the conditions at their backs for the second half and made it count from the beginning with some well taken points. A goal half way through would prove important and set the team up nicely. However Glenflesk/Kilgarvan did not lie down and fought to the end but our lads were too strong to be deprived. Final score Finuge 1-10, Glen/Kil 1-05. Next up is Ballymacelligott this Wednesday with the game switched to Finuge.

U13s: With three wins from three games, the team welcomed Castleisland Desmonds to Finuge last Sunday evening. A breezy and showery evening made handling difficult for both sides but our lads settled quickest and soon built a commanding lead. The second half opened up with some good passages of play. In the end our lads ran out comfortable winners Finuge 5-20, C'island 1-01. Next up is the final phase 1 game against Dingle this Sunday at 6pm in Finuge. Captain on the night was Darragh Gilbert who worked hard as usual upfront, linking play.

U11s: Our U11 team returned to action last Thursday the 11th of April with an away game against Brosna. Well done to everyone getting the first game of the year under their belts This week the team have a bye, with a home game against Tarbert the following week.

U9s: Our young U9 stars are scheduled to play Churchill next week on the 23rd of April, weather & conditions permitting of course. We wish the squad an enjoyable season ahead.

LOST:

BLACK RUCKSACK

I will offer a reward to the person who will give me back my black rucksack left at the door of the Listowel Arms Hotel on Sat 6 April at 7 pm.

It contains a French laptop and personal souvenirs: I was handing over a French student (Lucie, who will attend Presentation) to her host family, when I dropped my bag on the floor and, out of tiredness (long drive under the storm), simply forgot it: Merci mille fois!
