CAROLINE'S DÓTERRA ESSENTIAL OILS

CAROLINE'S POD OF POSITIVITY

Welcome to my weekly column. My name is Caroline and I'm a qualified Health & Wellness Consultant specialising in essential oils and supplements helping, guiding and supporting many people along with their friends and families throughout North Kerry, West Limerick and the wider county regions in living a life of Health, Wellness, Vitality and Positivity. Each week I'll be bringing you information on the various essential oils, supplements and other wellness products from the dÓTERRA range along with their uses and benefits, so that you can also make them apart of your every day routine in living your best essential oil life while supporting you and your family with natural solutions.

From personal experience and from using the Oils consistently within our own home as a family I know how these oils can support the Body, the Mind and the Mood. DóTerra is a Latin word meaning 'Gifts of the Earth' and their Mission is to create high-standard Essential Oils that are one hundred per cent pure in quality and are of a certified therapeutic grade. My Mission is to share these Gifts of the Earth with as many people as I possibly can. This year I was delighted to be recognised by DóTerra Corporate in Milton Keynes, London as one of Irelands Top Wellness Advocates in sharing the Oils and supporting many families in using them. I have also returned from an education programme in Italy, gaining new learning's on the Oils from the many Doctors on the dÓTERRA Scientific Medical Education Committee.

SUPPORT YOUR HEALTH USING NATURAL REMEDIES

I had the pleasure of meeting Barbara O'Neill the Australian alternative health care promoter recently in Killarney and discussed how over the last number of years using dÓTerra's essential oils (which she is very familiar with) has brought incredible support to many families' health and wellbeing in North Kerry, West Limerick and the wider county region.

Using natural remedies to support health offers several benefits, including:

- 1. Fewer Side Effects:** Natural remedies often have fewer side effects compared to synthetic drugs, making them a safer option for long-term use. This can be particularly important for children and individuals with sensitivities to certain medications.
- 2. Holistic Approach:** Natural remedies often take a holistic approach to health, addressing the root cause of ailments rather than just the symptoms. This can lead to more comprehensive and lasting improvements in health and wellness.
- 3. Cost-Effective:** Many natural remedies can be more affordable than prescription medications. Ingredients for natural remedies, such as herbs, our dÓTerra essential oils, and other plant-based substances, are often accessible and can be used to create a variety of treatments at home.

DóTerra's Oregano essential oil is reputed for its potent health benefits and is one of the ten foundation oils that come in the Family Essentials and the Home Essentials Kits. I like to refer to Oregano as a natural antibiotic and its benefits include:

- 1. Antimicrobial Properties:** Oregano essential oil is known for its strong antibacterial, antiviral, and antifungal properties. It can help combat various infections and support the immune system in fighting off pathogens.
- 2. Anti-Inflammatory Effects:** The oil contains compounds like carvacrol and thymol, which have anti-inflammatory properties. This can help reduce inflammation in the body, alleviating conditions such as arthritis or muscle pain.
- 3. Antioxidant Support:** Oregano essential oil is rich in antioxidants, which help protect the body from oxidative stress and free radical damage. This can contribute to overall health and reduce the risk of chronic diseases.

When buying essential oils, it is crucial to make sure that you are receiving Oils that are pure and potent and that you are getting the full support and professional guidance in how to use them properly. Many Oils available for purchase today claim to be of a hundred per cent purity. Because the essential oil industry is so unregulated, too often these cheap essential oils contain only a fraction of the plant and the rest is filled with additives, toxins and contaminants which significantly reduce the effectiveness of essential oils and are harmful to our health. When you purchase pure and potent Oils like DóTerra's essential oils, you are allowing yourself to receive the full benefits of them, in diffusing them, applying them to the body and pulse points and taking them in your foods, drinks or veggie capsules in supporting your body naturally. DóTerra's Oils come directly from plants so they work with our bodies on a cellular level.

DóTerra Essential Oils and their Supplements are a Natural Solution to care for our needs and our family's health needs. Supporting us naturally with many of the following that we may experience from time to time such as: Anxiety Issues, Digestive Support, Sleep Assist, Muscle Care, Stress Buster, Depression, Grief, Energy Boost, Skin Support, Emotional Wellbeing, Immunity, Allergy Assist and so much more.

Three Ways To Use DóTerra's Essential Oils:

- 1. Topically:** applying them on to our skin particularly our pulse points and soles of the feet.
- 2. Aromatically:** by placing two to three drops into a cold-water diffuser and diffusing these oils in our homes, classrooms, offices, places of work and business.
- 3. Internally:** by adding them to our favourite foods when preparing and cooking, adding the oils into our waters and beverages, or simply by taking the oils sublingually (putting a drop under the tongue) daily.

You can order your DóTerra Essential Oils, Kits and Supplements by contacting me on the number below. To discuss what essential oils you need support with give me a call and together we will start you on your journey of health and wellness using DóTerra's essential oils. FROM LISTOWEL TO BERGEN BELSEN - THE LIFE OF JESUIT CHAPLAIN MICHAEL MORRISON

As part of its current series of historical talks highlighting prominent figures from Listowel, Kerry Writers' Museum will host a lecture entitled 'From Listowel to Bergen Belsen - The life of Jesuit Chaplain Michael Morrison' on Thursday July 11th at 8pm.

Michael Morrison (1908-74) was an Irish Jesuit, and witness to the liberation of Bergen Belsen concentration camp in April 1945. Born in Listowel, County Kerry and reared in County Limerick, at age 18 Morrison decided to become a Jesuit and entered the Novitiate in 1925. As part of his training Morrison was sent to Belvedere College S.J. to teach Maths and Religious Knowledge and to live in a Jesuit Community.

When World War 2 broke out across Europe, the British army appealed for any Irish priests to join the army as chaplains. In 1941 Fr. Morrison answered this call and joined the 2/5th Battalion of the Welsh Regiment.

Morrison was one of the first chaplains who entered Bergen Belsen and the series of letters that he sent back to Ireland describe the horror that he witnessed, and never fully recovered from. 'The work here has been physically the most revolting that I have been called to do but it has also been the most consoling. Even if I had done no other work since I joined up, I consider my four years in the army were worthwhile'.

Following the war, Fr Morrison served as a parish priest in Australia, before eventually returning home to Ireland, where he died in 1973.

The lecture will be delivered by Jesuits Ireland Archivist Damian Burke. A native of Cork, Damian edited *Irish Jesuit Chaplains in the First World War*, published by Messenger Publications (2014).

LISTOWEL TIDY TOWNS COMPETITION TIME 2024

It's that time of the year. Once again the Tidy Towns local and national competitions are up and running, with judging for the national competition already started. Remember any place and anything that's in view of the public eye is taken into account. Listowel Tidy Towns would also like to remind you that its full steam ahead with their local competitions this year with many already preparing their gardens and floral displays. Listowel Tidy Towns are inviting all estates to get involved in the competition of their suitable category. Resident associations and community spirit goes a long way. The upkeep of these estates also played a major role in Listowel being awarded the Tidiest Town in Ireland 2018 and Tidy Towns are asking you to keep up the good work. Many thanks to Kerry Ingredients for their sponsorship in this competition.

Our roadside gardens speak for themselves. They are a credit to their owners and judges will have a difficult time choosing one above the other. But you must register your garden to be included in the competition. The Listowel Garden Centre are sponsoring this competition. You don't have to have a big garden or live in an estate to get involved in the excitement. There's also a separate category for hanging baskets/window boxes and sponsoring this competition is Circle K Shop/Filling station, College Cross. This year there are two additional awards in our local competitions. We have two Perpetual Trophies in the garden category. One in the sustainable section, sponsored by the McCarthy family in memory of our founder memory Eileen Worths and the other Perpetual Trophy is in the best kept garden section and sponsored by the Listowel Garden Centre in memory of Mary Lynch, a long time entrant in this competition. May they both Rest In Peace.

To enter this year's local competitions, please register with Oonagh at Chemco Pharmacy, Market St before July 12th. Judging takes place the following week with results being announced at our Awards night in October.

Jackie (PRO) says "The people of Listowel have been bought into the theme of "Tidy Towns" and hopefully this theme will continue into the future." The group would like to acknowledge the ongoing work of KCC, scheme workers, our local businesses, our schools and community groups and of course our sponsors for their continued support. Without their generosity this part of Listowel Tidy Towns program would not be possible. And a big thank you to Oonagh for again facilitating the entries.

Listowel Tidy Towns would like to invite you all to join them any Tuesday or Thursday evening outside St. John in The Square at 7pm. If that doesn't suit, why not organise a cleanup in your own area or adopt an area that you feel needs some attention.

SAN RITA WELLNESS

Welcome to San Rita Wellness weekly column...We hope you are safe and well

Over the past few years the food pyramid has changed in comparison to when we were growing up. Previously it was recommended to include 3 to 5 portions of fruit and veg a day, now the recommendations are that we include between 5 and 7 a day.

Do you feel that you are getting in the recommended daily allowance? There are many different ways to include more fruit and veg daily.

Here are some ideas that may help you to get in variety in your meals.

Breakfast

Add chopped fruit into your bowl of cereal to bulk it up.
Try adding some stewed apple into your porridge.
Fresh fruit chopped up with yogurt and half a weetabix crumbled over it.
Add mushrooms and tomatoes alongside your eggs.

Lunch

Soups are always a great way to get in your vegetables.
Bulk up your sandwich or wrap with lots of salad ingredients.
Fill your omelette with mushrooms, peppers and tomatoes.
Add some chopped veg through cooked pasta.

Dinner

Frozen or fresh they all count towards your 5 to 7 a day.
Ensure to have at least 2 kinds of veg on your dinner plate.
Curries are also a great way to get in your vegetables.
Half of your dinner plate should be vegetables

Snacks

Fruit and veg chopped up make a great healthy alternative snack.
You can use a yogurt dip or a salsa dip if you like a bit of a kick.
Fruit is very portable so pop an apple or a banana in your bag for when you are out and about. Mashed banana on toast is also a very filling snack.

Some people love to set their own little garden, but today we would love for you to come into our garden of positivity.

Instant Garden of Success

Plant 5 rows of Peas

Patience
Perseverance
Preparation
Planning
Positiveness

Include 2 rows of Squash

Squash negative thoughts - Squash deprivation

Add 4 rows of Lettuce

Let us be positive
Let us take responsibility
Let us be in control
Let us reward our efforts

No Garden is complete without Turnips

Turn up with a positive attitude
Turn up with a smile
Turn up with a new idea
Turn up with real determination
Turn up with success

May your garden flourish

Our final thought for this week is "5 P's" Prior Planning Prevents Poor Performance

JOHN MORIARTY: GROUNDED IN STORY

By John Moriarty

John Moriarty was an original, a thinker, a poet, a mythologist. He was born and reared just outside the little village of Moyvane in north Kerry. Growing up on his parent's farm he was attuned to the rhythms of weather and soil from his youth. Having graduated from college and university, having outgrown the academic life of a lecturer in Canada, he would eventually return to Ireland, to Connemara, and later to Mangerton mountain, to discover his bush soul.

Tracing the extraordinary journey from Moriarty's challenges with Christianity to his reconciliation of self and soul, *Grounded In Story* is centred in Moyvane, his home place which lives and speaks through him, with him, in him. Beautifully illustrated by his niece Amanda Carmody, *Grounded In Story* is a necessary book, a guide into the world, and the wisdom, of this extraordinary man.

The intention behind this selection of writing is to bring John Moriarty home to Moyvane, to demonstrate the influence of his native place on the development of his thought and to introduce, in his own words, the culture and the characters that had such a profound effect on him.

In the following extract from *Grounded in Story* John reflects on conversations with his father on the topic of the afterlife:

"In recent years I would hear my father say that he had done his purgatory in this life, that he had earned his place in the next life.

It surprised me therefore to hear him say one morning that he might have difficulties finding his way in the hereafter. 'Your cows will be there before you,' I said to him, 'and all you'll have to do is fall in behind them and they'll find the way for you.' 'They will,' he said, instantly comforted, 'the cows adore me.' It was how I knew him, walking behind his cows, all eleven of them in calf, so the walking was slow, he falling into their way, not they falling in to his way. Walking behind them or sitting behind them in the night, that's where he did his thinking.

What I learned from him is that you don't need to be an intellectual to be a philosopher. More often than not, it isn't through intellect at all that deepest life in us mediates its deepest wisdom. Deepest wisdom comes to us sitting behind cows in a cowstall, sitting there quietly, listening to them chewing the cud."

DEATHS

There was a profound sense of sadness throughout the parish when word came through of the death of Mary Carmody (née Creedon) on Monday 24 June. Mary of Aylesbury Lodge, Navan, County Meath and formerly of Main Street, Tarbert died after a short illness. Mary who was aged 75, reposed at her residence on Thursday 27 June. Her Requiem Mass took place on Friday 28 June at St. Oliver's Church, Blackcastle followed by interment in St. Finan's Cemetery, Old Athboy Road, Navan. Bishop Eddie Carmody, Maurice's brother flew in from the US to conduct the funeral service.

Mary was one of six children born to Pharmacists Brendan and Eithne Creedon (formerly Mahon) in Main Street, Tarbert. She attended Tarbert National School and later boarded at the Presentation Convent, Tuam. She qualified as a National School teacher and became a practising Educational Psychologist. She taught in St. Oliver's National School in Navan and St. Louis Primary School in Rathmines. She was a well regarded teacher by both her contemporaries and past pupils. She married Maurice Carmody, Tarmons and they had two children. She made regular visits to Tarbert while her parents were alive and always had a cheery smile and kept in touch with local happenings. Her father Brendan who was the pharmacist in Ballylongford died in 1986 and her mother Eithne who was the pharmacist in Tarbert and Church organist died in May 2015 at the age of 92. Sympathy of the community is extended to her husband Maurice, her daughter Leanne and son Alan, grandchildren, daughter-in-law Aoife, Son-in-law Paul, brothers Paddy and John, sisters Helen, Angela and Eithne and their extended families.

The death took place of Paddy Egan, Ballincollig, Cork and formerly of Portarlinton, Laois and Tarbert. Paddy who was in his eighties died on Thursday 27 June at Maryborough Nursing Home surrounded by his family. He reposed at Crowley's Funeral Home, Ballincollig on Sunday 30 June. His Requiem Mass took place on Monday 1 July in the Church of St. Mary and St. John, Ballincollig followed by cremation at the Island Crematorium, Ringaskiddy. Paddy was one of four children, three boys and a girl born to Ned and Maggie Egan (née Kelly) in Chapel Street, Tarbert. After finishing school he worked with local building contractor Jerry O'Connell in the renovation of St. Mary's Church, Tarbert in the 1950's. He later joined an Garda Síochána where he spent the rest of his working life. He was stationed in the Laois/Offaly division based in Portarlinton. Here he met and married Mary and they reared a family of three girls and a boy. He was predeceased by his two brothers William and Jackie and his sister Anna, all of whom are buried in St. Mary's Cemetery, Tarbert.

Sympathy of the community is extended to his wife Mary, children Yvonne, Caroline, Colum and Leonie, grandchildren, nephews, nieces, relatives, the extended Egan family. Sympathy of the community is also extended to Ambika Fox, wife of Giarán Fox, Doonard Crescent, Tarbert on the death of her sister Helen on 23 June in Trinidad. Solas na bFlaitheas agus leaba í measc na naoimh agus na a-ingil go raibh ach go léir.

KITTY'S TARBERT ROSE

On Wednesday 26 June to mark the celebration of Kitty Griffin's 100th. Birthday, A Tarbert Rose propagated by Joan Lynch was planted by Joan and Kitty inside St. Mary's Church gate. In 1771 when US Congressman Benjamin Franklin visited Tarbert House he presented Sir Edward Leslie with a blush pink Rose root stock which still blooms at Tarbert House. Sir Edward's wife Millicent commissioned woven silk curtains decorated with images of the rose. The fashionable New York Fine Fabric Company, Sealamandre, reproduced the design calling it the 'Tarbert Rose'. Nancy Reagan, wife of President Ronal Regan was so impressed that she had 'Tarbert Rose' patterned curtains made for the White House and her own house in California. So, history repeating itself in Tarbert on Kitty's Birthday.

TARBERT'S OTHER CENTENARIANS

While Kitty Griffin enjoys the honour of being the only female Centenarian in the parish, it is only fair to recognise the male Centenarians. Thomas O'Donnell buried in Kilnaughtin, Tarbert was born in 1796 and died in 1903 referred to as 'the man who lived in three centuries' carried on business as a victualler/ butcher in Tarbert in 1846. This tradition was carried on by members of the O'Donnell family, all named Thomas right down to the most recent incumbent Tom, a remarkable continuity. The Irish Times of 28 February 1907 reported the death of "John Graddy, Tarmons who died in his 105th. year. Up to 12 months ago he enjoyed good health and worked almost daily on his small farm". Michael O'Connor, Glencar who died on 21 August 2022 aged 108 years and 312days at time of his death was believed to be Ireland's oldest man at time of his death.

DEVELOPMENT COMMITTEE

The Development Committee which spearheaded the development of the Astro-Turf and Ballwall facility at the Hermitage Park are delighted to inform all our members, supporters, and the people of the parish that the facility is debt-free. The work began in July 2022 and was completed by late October 2022. The facility has been utilised by the various club panels/teams, by the local schools and by other clubs in North Kerry as well as various county hurling/camogie panels. The walkway around the perimeter of the facility has been a great addition to the walkway around the main pitch and has been a popular location for people of all ages to engage in some exercise.

The development of this facility would not have been possible without the generosity and financial support of the local commu-

nity and indeed the neighbouring parishes also for the two fund-raising events. The financial support received from many businesses in the parish and throughout North Kerry was of tremendous assistance in both fundraising initiatives. A Hyundai Tucson was raffled in June 2021 which was a great success, and a Mock All Stars event took place in May. This was also very successful and was a most enjoyable occasion. The awarding of substantial Sports Capital Funding as well as funding from NEKWD (Leader) and grants from the Munster Council of the GAA were of vital assistance in allowing the committee to proceed with the development and to pay for all the work undertaken. They are grateful to everyone who assisted in securing the various funds and to the club personnel who assisted in many practical ways with various tasks associated with the development.

The development is a facility which hopefully will be utilised by young (especially) and old for many years to come. It is an ideal facility to nurture future generations of Lixnaw hurlers so it should be a hive of activity for all the young children. We would like once more to express our sincere gratitude for your continued support of the club.

PICK UP AFTER YOUR DOG

Please ensure that you clean up after your dogs while out walking. We are fortunate to have beautiful places for walks and it is vital that we keep these clean for all to enjoy. Toxocariasis is an infection caused by roundworm parasites. It is spread from animals to humans via infected faeces.

Dog faeces contain bacteria and worms, which can be particularly harmful to young children. It is picked up on the wheels of bikes and buggies and is brought into homes across the country. It is also a particular problem for wheelchair users. Please be responsible and clean up after your dog and not to forget there is a €150 fine!

Crotta played host to a county U9 Go-Games blitz on Saturday morning 29th June, Clubs taking part were Crotta Gaa Ballyduff GAA - Kerry Lixnaw GAA St. Brendan's Hurling Club with all clubs playing two teams. Small, sided games meant there were lots of touches and space for the players to hurl. Despite the misty weather the standard of hurling by all players was brilliant and shows the great work being put in with their coaches. Thanks to all clubs for the enjoyable morning's hurling. Thanks to all parents as always for your time and understanding in facilitating these blitzes.

KERRY SENIOR HURLING CHAMPIONSHIP

LISTOWEL ATHLETIC CLUB

National Senior Track and Field.
All the glittered was gold on a wet and overcast day at the Morton stadium last Saturday. Our u23 National champion Padraic McCarthy celebrated the victory.
Lios Tuathail AC had two athletes competing at National finals last Saturday. Brendan O'Leary competed in the Senior Men's 100m & 200m. Brendan was stepping up a level here with top competitors in the competition but this didn't deter Brendan and he took it all in his stride. Brendan gained valuable experience in both events at his first National Senior competition. Next up was Padraig McCarthy in the Senior Men's shot put, Padraig finished in the top eight and had great throws throughout the event, gaining valuable competition experience. Padraig's favourite event of the day was the u23 weight for height and here he excelled bringing home a National gold medal and the National title. Well done Padraig a great result for your hard work and dedication. We are delighted for you.

National League team
We wish the Kerry Men's and ladies National league team the best of luck competing on Saturday in Athlone. This is a great experience for all athletes taking part together as a team. We would like to thank the Men's coach Kevin Lynch and the female coach Teresa Walker for the experience. Good luck to our athletes on these teams: Men's team- Brendan O'Leary, Padraic McCarthy, James Dillon and Kevin Lynch. Ladies team: Megan Lynch, Aoibhinn Harte, Emma Neylon, Noelle Dillon and Tally Collins.

National u13-u19 finals
Day 1 of the Juvenile National finals take place next Sunday in Tullamore. Best of luck to Dylan O'Callaghan, Tally Collins, Alex Collins, Aoibhinn Harte and Sophie O'Flaherty.

National team games
Our u9 team turbo javelin team of Aine Breen and Martyna Drej have been confirmed as National silver medal winners. We are delighted for both girls. Congratulations to you both.

Juvenile training
A great night of fun and games was had last Tuesday night finishing up Juvenile training.

BEALE GAA

Beale Ladies win Donal Curtin cup! Beale Ladies proved the old adage, 'goals win matches', true on Monday evening when we overcame MKL Gaels B in the final of Donal Curtin (County), Division 5. With a huge pep in our step, we hit the ground running and raised the green flag three times in the first half, very much dictating terms and conditions. We dug deep with everyone playing her part, as our defence stood firm and conceded just one goal in the first half.

We were humming as we added a further goal early on the changeover. While our opponents tried hard to pull us back, it proved too much of a challenge. We were victorious on a score of 4.8 to 2.3. Proud Beale captain, Sarah Griffin, was presented with the cup, much to the delight of her jubilant teammates, management and supporters.

The future looks bright for this squad, topping the league table and winning all our games. We had victories over Dingle, Miltown/Castlemaine, MKL Gaels B and Currow during the league. Then we duly put paid to Dingle in the semi-final. And on Monday night, it was the icing on the cake. Congrats and well done to the team and management, Seamas Maloney, Audrey Costello, Gina O'Sullivan and Michelle O'Rourke.

Beale juniors, Beale B, play Moyvane B in the first round of the North Kerry Junior League, Division 3, in Páirc de Staic on Tuesday, at 7.30pm. Next Tuesday we make the trip to Brosna. The other teams in this group are Emmets B, St Senans B, Ballydonoghue B and Desmonds B.

Beale minors host Finuge in the opening round of the County Club Championship, Group D, in Páirc de Staic, on Monday, July 8th at 7.30pm. Other teams in this group are Kerins O'Rahillys/St Pats, Annuscaul/LiosPóil, Kilcummin, Duagh, St. Senans and Knock/Brosna.

Loads of action for our young players. A great win by our u15s against neighbours, Ballyduff, in our first round of the North Kerry League. A high-scoring game in Páirc de Staic ended 6.14 to 6.9 in our favour.

Beale u14 girls play the County League, Division 4, Shield final against Kilcummin next weekend. Details to be confirmed. Our u12 girls welcomed Kilcum-

min to Páirc de Staic on Tuesday evening. Our u9s head to Churchill on Tuesday evening. We then travel to play Bally/Asdee on July 16th. In our final round game on we host St Pats in Páirc de Staic on July 30th.

Beale's Cúl Camp is on next week – Monday to Friday. Cúl Camps are for primary school boys and girls – between the ages of 6 and 13 – with an action-packed and fun-filled week of activity during the summer holidays. The camp coaches specific skills of the game and every child gets an opportunity to put his/her skills into action.

Follow us on Facebook for details of what's happening in our club and for regular updates. Also, download the Clubforce app for fixture updates/changes.

This week's Beale Lotto took place in The Feale Bar on Tuesday night. Details of the lucky numbers and winners are posted on social media, in Joyce's Newsagents and in the local pubs. The next lotto draw takes place in Kilcooly's on Monday night at 9 o'clock.

Tickets, €2 each or 3 for a fiver, may be bought online and are available in Joyce's Newsagents and in the local pubs. Terms and conditions apply. A huge 'míle buíochas' to everyone who supports and promotes the Beale Lotto.

Beale GAA Club is delighted to have our new electronic scoreboard. Míle buíochas to Cormac and Elaine Cahill, SuperValu, for their kind sponsorship. We also wish to thank all the sponsors of our new signage boards on our pitch side – a huge 'thank you' to the businesses and organisations whose signs are on display.

We wish to acknowledge everyone who sponsors, supports and promotes Beale GAA. Your continuous patronage of our club helps us provide superb facilities for all our players. Go raibh míle maith agaibh, a chairde!

On a sad week for the GAA, we join with clubs and communities from near and far in remembering the legend that was Micheál Ó Muircheartaigh. We are truly honoured to have had 'the voice of the GAA', Micheál Ó Muircheartaigh, launch our history book, "Sand in our Boots", in October 2016 – making it an especially memorable occasion.

Broadcaster extraordinaire, Micheál, enthralled the huge attendance with his uniquely entertaining and inimitable style and often bilingual comments. A true gentleman, Micheál was extremely generous of his time, signing books, standing for photos and chatting to all who attended on the night. We look back at a very special occasion with one of the GAA's most admired commentators and iconic figures. On that occasion, Micheál Ó Muircheartaigh recommended that we enter our history book for the GAA Book of the Year – which we proudly won a few months later.

Micheál, a beloved Kerry native and legendary GAA commentator, passed away peacefully on June 25th, at the age of 93. His passing marks the end of an era. Beale GAA extends sincere condolences to Micheál's family and friends. Ar dheis Dé go raibh a anam uasal. Ní bheidh a leithéid ann arís!

SENIORS: Last Sunday week our senior team made the long trip away to Toustist in their final county league game. This was a worthwhile trip as the lads came away with the win - Finuge 3-13, Toustist 1-08. Scorers on the day were Jason Wallace 2-01, Billy Stack 1-01, Regi Galvin 0-03, Evan McCarthy 0-02, and 0-01 each Maurice Corridan, Aidan O'Brien, Kieran MacKessy, David Brosnan, Liam O'Brien and Darragh MacKessy. This brings the curtain down on the county league campaign with the focus switching to the county championship in about a month's time. The Junior team will play Duagh this Tuesday evening, away.

MINORS: Next game will be the 8th of July when the team play Beale in the county club championship - we wish the very best to the team.

U15s: Last week as a busy one for the squad. The first action was Wednesday evening with a game against St Senans in the NK league. Our boys put in a dominant display to run out comprehensive winners on the scoreline Finuge 5-13; St Senans 1-09. Goal scorers on the night were captain Cillian x 2, Sean, Matthew and Cody.

On Saturday the squad and supporters travelled to the much-anticipated Féile finals in Thurles. While the weather was very wet, our lads got stuck in from the start. In the group stage the team played Ballinora of Cork, Maynooth of Kildare and Durlas Og of Tipperary. Ballinora were a really tough opponent with a physically strong team of good footballers who would eventually win it out. The team lost to Ballinora and Maynooth, also a very good and physically stronger side, and recorded a win over Durlas Og. These results put the team into the shield competition where they won over Na Piersaigh of Limerick to set up a shield final game against Rathvilly. Throughout the day, the team were gradually improving and they needed it as the final game was a tough one against Rathvilly. A strong second half with some classy scores against the strong breeze coupled with really tough defending along with a last minute goal line save resulted in a two-point win for our boys. Captain Micháil O'Sullivan gratefully accepted the trophy on behalf of the team while the squad members were presented with their medals. In a deserving finish to the day the team and supporters had a meal at Revel at the Ragg, just outside Thurles. It was really fitting that this team should come away with a winning title from the day given the level of hard working the group has put in over the years.

The club would like to sincerely thank everyone for the support the team has received both financially and on the day - without out it the day would not have been possible. There is a bright future ahead of this group of players and we hope that last weekends experience with galvanise their commitment to the sport.

U13s: After their county league final win over Killarney Legion, the team were on a mini break while doing some light training. The action returns this Tuesday evening at 7pm in Finuge when the team play Listowel Emmets in round one of the NK league - also a local derby to savour.

U11s: Last Thursday week the team played Keel at home in Finuge. This was a really entertaining game that swung from end to end. Both teams played really good football with plenty of well taken scores along with some really good inter play - well done to both teams. Next up for the team is a home game this Thursday against Ballydonoghue. Training continues on Monday evenings - all newcomers are most welcome.

U9s: Listowel Emmets provided the opposition last week ago when our boys and girls were busy representing our club. The team are progressing very well and the coaches are very happy with everyone's efforts. We would be delighted for more boys or girls to join this group - even if the girls are already playing with Finuge/St Senans, that is fine too. If you have a boy or girl who would like to give football a go in their community, please do not hesitate to reach out. Our door is always open to new arrivals - please contact Conor on 086 829 9392

U7s: Moyvane provided the opposition for our U7 super stars last Friday week, and the team put in yet another storming performance. Well done to all our young boys & girls. Training continues on Monday evenings - all newcomers are most welcome.

ACADEMY 2024: Our academy players are back in action now - if you have a child who would like to try Gaelic Football and play in their community with a progressive club, please contact us. KERRY MINORS: It was a case of hard luck for Gavin O'Keeffe and the Kerry minors last Saturday when the team went down to a very good Derry side in the All-Ireland semifinal. The team and Gavin have played really good football throughout the campaign and should be very proud of themselves.

SCHOOLS HURLING: Well done to the boys of Scoil Mhuire De Lourdes Lixnaw on winning their Cumann na mBunscoil hurling final in Austin Stack Park recently. All the team are also footballers with our U13 team!

DEVELOPMENT COMMITTEE
The Development Committee which spearheaded the development of the Astro-Turf and Ballwall facility at the Hermitage Park are delighted to inform all our members, supporters, and the people of the parish that the facility is debt-free. The work began in July 2022 and was completed by late October 2022. The facility has been utilised by the various club panels/teams, by the local schools and by other clubs in North Kerry as well as various county hurling/camogie panels. The walkway around the perimeter of the facility has been a great addition to the walkway around the main pitch and has been a popular location for people of all ages to engage in some exercise.

The development of this facility would not have been possible without the generosity and financial support of the local community and indeed the neighbouring parishes also for the two fundraising events. The financial support received from many businesses in the parish and throughout North Kerry was of tremendous assistance in both fundraising initiatives. A Hyundai Tucson was raffled in June 2021 which was a great success, and a Mock All Stars event took place in May. This was also very successful and was a most enjoyable occasion. The awarding of substantial Sports Capital Funding as well as funding from NEKWD (Leader) and grants from the Munster Council of the GAA were of vital assistance in allowing the committee to proceed with the development and to pay for all the work undertaken.

They are grateful to everyone who assisted in securing the various funds and to the club personnel who assisted in many practical ways with various tasks associated with the development.

The development is a facility which hopefully will be utilised by young (especially) and old for many years to come. It is an ideal facility to nurture future generations of Lixnaw hurlers so it should be a hive of activity for all the young children. We would like once more to express our sincere gratitude for your continued support of the club.

KERRY PITCH & PUTT

On a weekend of provincial and local action, pride of place went to Deerpark's Brian McCarthy as he kept the Munster U16 Boys Matchplay Cup in the Kingdom following victory in Tipperary Hills in Tipp Town last Saturday.

He kept the Cup in the Deerpark club as well as he brought back the Cup he was initially returning from his club-mate and last year's winner Nathan Cronin in strong fashion. Brian made it through to the Championship semi-finals of the event when it moved to 36-hole matches and overcame bring one down to Cork's Aidan Spence Murphy after 15 holes to record a 6&5 victory.

In the decider he would face one of his Irish U16 International team-mates from last year in Tipperary's Joe Franklin as following a pretty even start between the pair, Brian moved into a 3up lead after nine holes. Franklin brought the deficit back to two after the first 18 holes but Brian motored well again over the next nine holes as he went 5up with nine to play before recording another 6&5 win to claim the title.

His win means he holds the County, Munster and National U16 Matchplay (from last year) all at the one time as he also holds both Munster U16 Boys Individual titles at the one time following his win in the Strokeplay event last year also. The win in Tipperary Hills had special family significance also as it was the venue where his father Derry won with the Kerry U16 team back in 1986 in winning the county's very first National U16 Inter-County at the time.

Locally Listowel held their Individual Scratch Cups as well as a novel new Scotch Foursomes Scratch Cup event. It was a great weekend there for Jason O'Regan as he won both senior events. On Saturday in the individual he won Listowel's Senior Scratch Cup for a fifth time before teaming up with Deerpark's Damien Fleming to win the Senior Scotch Foursomes on the Sunday. He beat a returning Declan McCarron from the host club on Saturday as Tralee's Jason Cregan won the Last 18 prize in that section.

There were local successes in the Intermediate and Junior events meanwhile with Bobby McCarron winning the Intermediate event from his club-mate Tom O'Connor as Paul Hayes was the Junior winner from Deerpark's Paddy Murphy. The Ladies 0-12 and 13-18 sections were won by Julianne Broderick of Castleisland and Deerpark's Eileen McCarthy respectively. Eileen herself was a winner in the Scotch Foursomes event on Sunday as well winning the Mixed section with Tralee's Darren Goodall.

In the Senior Section Tralee duo Jamie Blake and Michael Conway were second to Jason O'Regan and Damien Fleming with Killian O'Gorman and Chris Gibney from the host club third. The Final 18 was won by another local pair in Declan McCarron and Jake Shine as Intermediate winners were Ger Guerin and Richard Bunyan (Tralee) while the Junior prize was won by Paul Hayes and Trevin Chute for the hosts.

Congratulations to them on a successful weekend and their innovative new Scotch Foursomes format. This weekend sees a number of entries from the county in the National O55's Strokeplay Championships as we wish those involved the very best of luck.

Congratulations to the Beale LGFA Senior team who won the Credit Union Donal Curtin Division 5 Cup on Monday after victory over MKL Gaels B

MEANING OF LIFE

"So, what will it be, a Red Eye or a Flat White?"

We were in a restaurant out of town and my sister's friend was reading the menu.

Now I've heard of a flat white coffee but a **red eye**? Come on! Really? How are we supposed to know this stuff? More new jargon? But the nice waitress simply said,

"Well, how can you know it if nobody tells you? It's a shot of espresso added to a cup of standard drip coffee. Now that you know, you can tell others," she said jokingly.

It got me thinking. We live in an always on, more is better, endlessly new information overloaded, buzzing society. And sadly, many people go through life unaware of the **amazing truths that have been around for over two thousand years.**

Romans 10:13 says **"...the Lord over all is rich to all who call upon Him. For whoever calls on the name of the Lord shall be saved."**

And then the apostle Paul continues in verse 14... **"How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard?"**

Some have never heard that **"...the Lord has paid for the freedom of His servants (us) and He will freely pardon those who love Him. He will**

declare us free and innocent when we turn to hide ourselves in Him." Psalm 34:22.

Some have never heard that **"...Jesus Christ, having been offered once, to bear the sins of many, will appear a second time, not to deal with sin but to save those who are eagerly waiting for Him."** Hebrews 9:11

Jesus is coming back to this earth.

Some have never heard that **"...God showed how much He loves us by sending His One and Only Son into the world so that we might have eternal life through Him."** 1 John 4:9.

Some have never heard that we cannot earn our own salvation no matter how fantastic we think we are. **"...For it is by God's Grace (His remarkable compassion and favor) you have been saved, because you believe, and this salvation is not because of your own effort, in case you boast about it, it is the gift of God."** Ephesians 2:8-9.

The Word of God is full of the incredible promises of God that everyone, everywhere needs to know.

Dear Heart of Jesus in the past I have asked many favours.

Say this prayer three times for three days and your favour will be granted. Never been known to fail. Must promise publication of prayer. **B.S.**
