LYREACROPANE COMMUNITY N.S. OPENS DOORS UNDER NEW PATRONAGE

Pictured: Excited smiles all around from some of the pupils as they celebrate the very first day of the school opening as a Lyreacrompane Community National School!

The dawn of a new era in education was celebrated this week as Lyreacrompane Community National School (Lyreacrompane CNS) welcomed pupils for the first time under the patronage of Kerry Education and Training Board (Kerry ETB). This is the fourth community national school to open its doors in the county under the patronage of Kerry ETB.

This first day marks the culmination of months of preparation following the school's transition from its previous Catholic ethos to a multid denominational framework, reflecting the diverse and evolving nature of the local community. As Principal Eilish Lyons explained, "Today is a significant milestone for our school. We are proud to have grown from 18 to 28 pupils this new school year, a testament to the community's trust in our new direction. This growth is more than just numbers, it's about offering choice in education and children and parents."

A particularly exciting development is the introduction of a school bus service, which now connects students from surrounding areas to Lyreacrompane. "For the first time, we have a bus that brings our students to school," Eilish noted. "This not only eases the burden on parents but also creates a sense of unity among the children who travel together each day."

The transition to a community national school, which makes Lyreacrompane CNS the only school offering this choice in North Kerry, has been met with widespread enthusiasm. Ann O'Dwyer, Director of Schools, Youth, and Music at Kerry ETB, expressed her satisfaction with the progress: "The opening day of Lyreacrompane Community National School under our patronage is a momentous occasion. We are thrilled to see the positive impact this change is already having. The increase in student numbers shows that families are eager to embrace this new model of education, which emphasises inclusivity, critical thinking, and community engagement."

The school's commitment to inclusivity is further exemplified by the introduction of the Goodness Me, Goodness You! programme, a unique feature of community national schools designed to support the holistic development of each child. "We're excited about offering this new programme that will encourage our students to think more deeply and critically," said Eilish Lyons. "This approach will not only enhance their academic skills but also prepare them to be thoughtful and engaged members of society."

As the first day drew to a close, there was a shared sense of optimism about the future. "This is just the beginning," Eilish Lyons reflected. "We're looking forward to building on this foundation, with the support of Kerry ETB, to continue offering a first-class education in a welcoming, inclusive environment."

AWARD WINNING FOLK SINGER TO APPEAR AT LISTOWEL STORYTELLING FESTIVAL

Multi-award winning traditional singer and musician Muireann Nic Amhloaibh will appear at Listowel International Storytelling Festival in a concert at St. John's Theatre on Thursday September 19th at 8.30 pm. Hailing from Corca Dhuibhne in West Kerry, Muireann is a leading exponent of the sean n6s style and loves to engage with audiences to share her love of the Irish song tradition. Her childhood in West Kerry saw her immersed in a rich cultural environment and vital living tradition. This was to be hugely influential on the foundation of her distinctive vocal and instrumental sound.

Muireann has enjoyed a successful career as a touring artist, with over thirteen years' experience as lead singer and flute player with the Irish traditional supergroup Danú, as well as many years performing as a solo artist. She holds an MA in Traditional Music Performance from the University of Limerick. In 2022 Muireann was awarded "Best Folk Singer" at the RTÉ Radio Folk Awards, and amongst many other awards, was Amhránaí na Bliana at the TG4 Gradaim Ceoil in 2011.

Muireann is also a popular television and radio presenter, having hosted a range of programmes for Irish and Scottish TV over the past 15 years, and currently presents her own music programme "Folk on One" on RTÉ Radio 1. Always keen to explore new ground, she has collaborated with many musicians in genres ranging from traditional to classical, world music to electronica. Most recently she recorded "R6isín Reimagined" an album of sean n6s songs arranged by contemporary Irish arrangers with the Irish Chamber Orchestra.

Muireann will be joined on stage by D6nal O'Connor, one of Ireland's leading traditional musicians, and Gerry O'Beirne, a self-taught master of the six and twelve string, slide guitar and ukulele and other stringed instruments.

Tickets for the concert can be booked through St. John's Theatre at 068 22566 or online at www.stjohnstheatre.ie.

CAROLINE'S DÓTERRA ESSENTIAL OILS

CAROLINE'S POD OF POSITIVITY

Welcome to my weekly column. My name is Caroline and I'm a qualified Health & Wellness Consultant specialising in Essential Oils and Supplements helping, guiding and supporting many people along with their friends and families throughout North Kerry, West Limerick and the wider county regions in living a life of Health, Wellness, Vitality and Positivity. Each week I'll be bringing you information on the various essential oils, supplements and other wellness products from the dÓTERRA range along with their uses and benefits, so that you can also make them apart of your every day routine in living your best essential oil life while supporting you and your family with natural solutions.

From personal experience and from using the Oils consistently within our own home as a family I know how these oils can support the Body, the Mind and the Mood. DóTerra is a Latin word meaning 'Gifts of the Earth' and their Mission is to create high-standard Essential Oils that are one hundred per cent pure in quality and are of a certified therapeutic grade. My Mission is to share these Gifts of the Earth with as many people as I possibly can.

Fresh Start & Back in Routine!

September is almost like the start of a New Year with the return of back to school getting us back into a routine, making healthy food choices and taking up hobbies and sports that we love to do. So for this month we focus on a fresh start and a positive outlook and this week I bring your attention to my Top three favourite Oils from dÓTerra's essential oil collection which works great in anyone's home, school, classroom or office environment.

These oils are: Lemon, Lavender and Peppermint and they make for a perfect fresh start to your morning routine for all adults and children. Each of the oils can be used in many different ways and I find that they are also fantastic in supporting us both emotionally and physically especially if our younger generations are nervous or anxious returning back to their school or new school environments. All three of the following essential oils are part of a Trio Kit and can be used individually or can be combined together using my 3 - way method of - Diffuse, Use & Apply.

This Trio Kit contains Lemon, Lavender and Peppermint in 5ml size bottles containing 95 x drops of certified pure tested grade essential oil. The Trio Kit retails at €40 and can be ordered by contacting me on the number below. These oils can be used in your foods and drinks as they do not contain any chemicals, alcohols or substances. Here are just a few of my suggested uses for each of these oils in the Trio Kit.

Lemon

- Add a drop to your water for a refreshing drink in the mornings and also to help the body detox
- Diffuse in your cold water diffuser in your kitchen or hallway to elevate the mood and bring feelings of happiness and positivity particularly in the mornings while preparing for your day ahead
- Add to baking recipes or your morning yogurts
- Add to a drop of honey to soothe sore throats
- Apply directly to cold sores for instant relief

Lavender

- Apply to the wrist points, the back of the neck and the bottoms of the feet in the mornings and / or before bedtime to soothe and calm any upset or heightened emotions
- Use to calm and soothe irritated skin, scalds, burns or nappy rash
- Use 2 to 3 x drops of dÓTerra's Lavender to a warm bath for relaxation
- Apply to the skin to calm reaction of bug bites or hives
- Diffuse in your bedroom at night time to soothe emotions and promote restful sleep

Peppermint

- Inhale a drop first thing in the morning to start off your day
- Apply topically to the temples and the back of the neck to soothe headaches
- Inhale or put a drop into the palms of the hands with a drop of Lemon for an instant boost of energy
- Diffuse 2 x drops of Peppermint and or Lemon in a bedroom or kitchen for focus during study time, home work time or concentration
- Apply to the body to cool off when overheated or apply to the body before exercise

Caroline's Top Tip: Add a drop of Peppermint to your morning coffee or your favourite chocolate recipes for a refreshing taste and a boost of energy naturally

Combining all three oils above act as a natural antihistamine when applied to the body, drank in a small amount of water and diffused in your home / work space. They can support the body when pollen is high and when experiencing watery eyes, sneezing, runny noses etc

When buying essential oils, it is crucial to make sure that you are receiving Oils that are pure and potent and that you are getting the full support and professional guidance in how to use them properly. Many Oils available for purchase today claim to be of a hundred per cent purity. Because the essential oil industry is so unregulated, too often these cheap essential oils contain only a fraction of the plant and the rest is filled with additives, toxins and contaminants which significantly reduce the effectiveness of essential oils and are harmful to our health. When you purchase pure and potent Oils like DóTerra's essential oils, you are allowing yourself to receive the full benefits of them, in diffusing them, applying them to the body and pulse points and taking them in your foods, drinks or veggie capsules in supporting your body naturally. DóTerra's Oils come directly from plants so they work with our bodies on a cellular level.

DóTerra Essential Oils and their Supplements are a Natural Solution to care for our needs and our family's health needs. Supporting us naturally with many of the following that we may experience from time to time such as: Anxiety Issues, Digestive Support, Sleep Assist, Muscle Care, Stress Buster, Depression, Grief, Energy Boost, Skin Support, Emotional Wellbeing, Immunity, Allergy Assist and so much more.

You can check out my Facebook page Caroline's Pod of Positivity or reach me on the number below for more information on getting and using your DóTerra Essential Oils. To book a consultation or an oil experience appointment you can reach me on the number below and together we will start you on your journey of health and wellness using the oils with my full support and guidance.

Thought for the week: What you do today, can improve all of our tomorrows!

THE PURE DROP AT ST. JOHN'S THEATRE

It was another fabulous night of Traditional Irish Music in Listowel. The Conroy Sisters, Mary & Anne, along with Eileen O'Brien and Deirdre McSherry truly raised the rafters in St. John's Theatre last Sunday night. The quartet put on a stupendous performance, entertaining the audience with an array of traditional Irish tunes and songs.

From jigs and reels, to hornpipes and barndances, feet were tapping from start to finish and there were plenty of yelps of encouragement from the crowd. Mary enthralled all in attendance with her songs and complimentary guitar playing. Eileen played some beautiful airs and many beautiful compositions by her late father, Paddy O'Brien. Anne shared some of the gems from her late husband Joe Burke, whilst Deirdre McSherry jumped easily between piano and flute during the night. Another fabulous night of Traditional Irish Music in Listowel, not to mention the comical elements which were interwoven naturally and harmoniously, throughout the concert.

SAN RITA WELLNESS

Welcome to San Rita Wellness weekly column...We hope you are safe and well

W I'm sure you are familiar with the saying "If the cap fits wear it".

Well, that's all fine and dandy if we were only talking about a cap. But what we want to think about this week is how can our clothes in our wardrobes help to keep our motivation strong and our weight loss and wellness journey going.

This is now the time of the year, and more so with the change of season, we are having to maybe sort out our wardrobe and change around the clothes that are in there at the moment. For example, are there clothes in there that are too light, too white, too Summer, too BIG, too SMALL or just not quite fitting you right yet etc? Think about it.....

How often do we look in the wardrobe and say "I've nothing to wear"

Clothes are something that can help us to keep our weight loss going. A bit like the carrot and the stick. The CARROT being to get DOWN to a smaller size and the STICK being not having to go UP to the bigger size. We are all guilty of hoarding and holding on to stuff, so take out the clothes that are too big for you and get rid of them, otherwise you will only be thinking sure I will always find something to fit if I gain weight again, so our advice would be to get RID, RID, RID

The type of clothes you wear can help or hinder your Weight loss .It's usually your clothes that'll be the first thing you notice as you start losing or gaining weight.

Avoid wearing elasticated waistbands ALL of the time because they grow with you while an item of clothing with a waistband will always give you the pinch or the credit when it's due.

Next, take a look at what's not quite fitting right yet, and keep those where you will see them. That would remind you every time you open the wardrobe of what you want to achieve. The most important thing is that we should feel good in the clothes that we "want" to wear, and not just "have" to wear something because we have no choice and it will have to do.. De-cluttering the wardrobe is like de-cluttering the mind, and that has to be good for our overall well being too.

Upcoming events like Christmas for example can be a great motivator for us to keep us inspired on how we want to look and feel when we are dressed up. After all when you feel good about yourself on the inside, no matter what you wear it will sparkle through on the outside.

So, now we hope you will be busy sorting out the wardrobe over the week, but think about the satisfaction you will get every time you open the doors, knowing that you can put your hand on anything and every thing you love.

We at San Rita Wellness would often encourage our members to look beyond the number on the scales and focus on their changing body shape. Clothes are really a great indicator of the progress our members are seeing and feeling and also are a great motivator.

We will leave you with a thought "Nothing tastes as good as being slim feels"

For extra support and for weekly accountability check us out on Facebook San Rita Wellness or sanritawellness.com for details of our "In Person Meetings", "At Home Service" or our "One to One Service".

NB - Our weekly "In Person Meetings" take place in the Kerry Writers Museum every Wednesday from 10am to 11am and 6pm to 7pm.

TIGER, TIGER

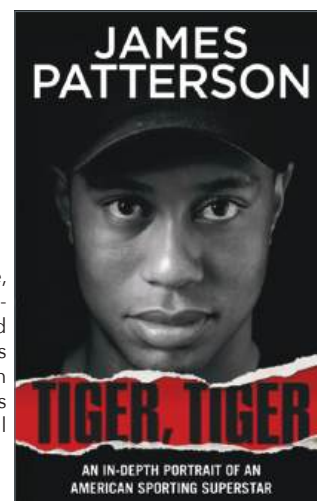

By James Patterson

How did Tiger Woods become the greatest of all time?

And how did he fall so spectacularly?

Before the age of twenty-five, Tiger Woods had risen to phenomenon status: twice named Sportsman of the Year by Sports Illustrated, champion of more than thirty professional tournaments and the youngest player to win all four Grand Slam tournaments.

Tiger, Tiger taps into the transformative moments of Wood's life, revealing in vivid, dramatic scenes what he saw and felt on the course and in his inner life.

DEATHS

The death took place of Kathleen Carroll, Doonard Crescent, Carhoona and formerly of Chapel Street, Tarbert. Kathleen who was aged 91 years died after a short illness at Beechwood Nursing Home, Newcastlewest on Sunday 25 August. She reposed at St. Mary's Funeral Home, Tarbert on Thursday 29 August. Her Requiem Mass took place at St. Mary's Church on Friday 30 August and was concelebrated by Fathers Michael Hussey, Sean Hanafin, Gerard Finucane, Francis Nolan and Tom Leane. Father John O'Connor who was indisposed was unable to attend. Gifts brought to the altar included a copy book to denote her profession as a teacher, gardening gloves signifying her love of gardening, a book to denote her love of reading and her wedding photograph. Her daughter Siobhán spoke of her sense of humour, independence of mind and spirit and her love of family. St. Mary's Choir rendered hymns of praise and celebration. As her remains were removed from the Church there was a guard of honour of former teaching colleagues from the INTO. Her remains were shouldered from the Church past the National School where Kathleen and her mother taught and here there was a guard of honour of boys and girls from the School. The funeral cortege proceeded to Kilnaughtin cemetery where Kathleen was laid to rest beside her husband Jack who had died in 2002.

Kathleen was one of 8 children, four boys and four girls born to Jerry and Mai O'Connell, née O'Connor in Chapel Street, Tarbert. Before her retirement in 1968, Mrs. O'Connell had the honour of seeing her son and daughter, Wim and Kathleen teaching with her in Tarbert National School, Tarmons and Reenturk having closed. Reenturk National School closed in 1967 and the last two teachers there Kathleen Carroll, Principal and Hanna Moran moved with their pupils into the new central school in Tarbert.

Kathleen was predeceased by her brother Denis and sister Esther. Sympathy of the community is extended to her daughters Siobhán and Maura, sisters Carmel (Polly) and Anne, brothers Wim, Father Philip and Jerry, sons-in-law John and Paul, grandchildren, nephews, nieces, relatives, friends and extended family. Beannacht Dé le h-anamacha na marbh go léir.

BINGO

Tarbert Bingo takes place in the Community Centre on this Wednesday 4 September at 8pm with valuable prizes. Your support would be appreciated.

PLANNING DELAYS

Well done to local Councillor Michael Foley who has taken up the cudgels with an Bord Pleanála on the inordinate delay in coming to a decision on the LNG Shannon Natural Gas terminal even though it has been backed by Kerry County Council. An Bord Pleanála has also delayed a planning application by SSE Generation Ireland for a 10 year planning permission for an open cycle Gas Turbine at the existing Power Station to be fuelled by Hydrotreated Vegetable Oil which would guarantee the future of the plant. In everybody's interests decisions need to be made sooner rather later in the interest of the region.

FLIGHT OF THE EAGLES

On his recent visit to Kerry, Taoiseach Simon Harris TD was introduced by Philip Buckley, Tarbert to an ongoing project to reestablish the white tailed eagle in Kerry and the Shannon estuary following their extinction here some years ago. Hundreds of chicks have been brought from Norway and have been fed and reared here and monitored by wildlife experts. Philip a native of Shanaway, Tarbert is National Parks and Wildlife Services Divisional Manager and head of Páirc Náisiúnta na Mara.

ALL IRELAND WINNER

Comhghairdeas to Sean Egan, Tarmons who was adjudged All Ireland Onion Champion in the final of the competition held in Cavan recently, competing against a strong field of gardeners from all over Ireland. Not content to sit on his onions, Sean is travelling to Wales to take on gardening compenioners there. Sean is already planting seeds for next year's competition. So, best of luck for the future.

Today was their chance to shine and they did that bringing home to Listowel many medals across all events. Full results to follow.

FINUGE GAA

FINUGE 500: Congratulations to our August winner of €500 - Darragh Mackessy of Coolagawn. Also available online at www.finugegaa.com

SENIORS: The next competition ahead for the team will be the NK Championship.

MINORS: It is a break for now for our minor team following their county club championship final win two weeks ago. Meanwhile, best of luck to our minor players involved with North Kerry district in the county championship semifinal against Austin Stacks this Monday evening in ASP, Tralee. On that minor team we have Fionn Morrissey, Mark McElligott, Ivan Conway & Gavin O'Keefe involved, while Gavin has the honour of captaining the side. Last week the NK minors played John Mitchels and took the win to qualify - well done lads.

U15s: The team are on a break for now while the U15 county championship plays out. Our representation at U15 is at a great level on the North Kerry district cup team with Cilian O'Sullivan, Micheal O'Sullivan, Matthew O'Flaherty, Jamie Breen, Eoin Commame and Joseph McElligott, while Joseph is the joint captain. The team had an impressive win over Mid Kerry last week and this puts them into the plate semifinal this Wednesday.

We also have a fine representation on the U15 shield team through Padraig McElligott, Thomas Keane, Callum O'Sullivan and Daithi Laide, with Daithi being joint captain. This team are going really well and while they fell to South Kerry last week, they had already qualified for the semifinal with a game in hand! This is comprised of all U14 players who are playing against U15 sides and so is an impressive display all round.

U13s: The team are having a little downtime following their winning streak in the North Kerry league. The focus now shifts to the North Kerry championship and the renowned Tommy Madden trophy where they will play St Senans in the preliminary round.

U11s: A much needed break for the squad last week - training continues Monday evenings.

U9s: The team will play St Senans this Tuesday evening at home. We would be delighted for more boys or girls to join this group - even if the girls are already playing with Finuge/St Senans, that is fine too. If you have a boy or girl who would like to give football a go in their community, please do not hesitate to reach out. Our door is always open to new arrivals - please contact Conor on 086 829 9392.

U7s: Last week the U7 team played near neighbours St Senans and had a great

time - well done to all our boys & girls. Training continues every Monday evening.

ACADEMY 2024: Our academy players are in action now for the remainder of the season - if you have a child who would like to try Gaelic Football and play in their community with a progressive club, please contact us. Your U7 contact is Maurice on 087 636 4834. Your U9 contact is Conor on 086 829 9392. Your U11 contact is Justin on 087 068 7504. This academy group normally train on Monday evenings.

DEVELOPMENT: The last few weeks has seen a jump forward on our facilities development. The pathway on the stand side has been dug out, fresh foundations laid and new concrete poured. The new railing has been installed from the top corner inside the big gate, down past the stand. A retaining wall is being built along the grass bank with some other developments planned for the weeks ahead. This is a big addition to the grounds bringing that side of the pitch up to standard. Watch out for more changes coming soon!

LEAVING CERT: Well done to all the young women & men in our community who recently received their Leaving Cert results - we wish everyone the best for whatever the future holds.

County Junior Football Championship quarter final result

Goals from Patsy O Connell and John Coolahan see Tarbert into the semi-finals of the Junior Football Championship.

Skellig Rangers 1-07, Tarbert 2-08.

Skellig Rangers were first to score and had a point inside the first minute of play. Tarbert had started well and scored an excellent point from Ben Sheehan after five minutes. Tarbert's second point came from Paddy O Callaghan after 14 minutes before a superb effort from Patsy O'Connell found the back of the Skellig net after 15 minutes of the first half. John Coolahan added another point shortly afterwards before Skellig added a point from play on 24 minutes. Patsy struck a superb 45 after 26 minutes before Paddy Callaghan added his second point followed by a Skellig free to leave the score line at half time Tarbert 1-05, Skellig Rangers 0-03.

Again Skellig Rangers were the first to score and had a point registered inside the first minute of the second half. Shaun Wren cancelled the Skellig point by converting an excellent point of his own after two minutes. Skellig were more dominant now and had a strong breeze with them and added another point after three minutes to leave the score line 1-06 to 0-05 to Tarbert. Then came the all-important second goal for Tarbert. John Coolahan took control of the ball 35 meters from goal and ran at the Skellig defence and rifled a shot low to the left-hand corner of the Skellig net to put Tarbert in a lead of 2-06 to 0-05. However, Rangers were not done and registered a goal of their own two minutes later to leave only 4 points between the sides, Tarbert 2-06, Skellig Rangers 1-05, with 18 minutes remaining on the clock.

Despite this set back Tarbert were in control and further points from David Mulvihill in the 17th minute and Jack Sheehan in the 29th minute were enough to secure the win for the men in red and black. Like their last outing against Moyvane, this was a composed win for our boys who controlled the game in large parts and didn't panic when Skellig Rangers put pressure on them. Again, the sum of the parts won this game for Tarbert as every player played their part in this win, however Tarbert were probably best served on the day by Conor Egan who was outstanding at corner back.

NORTH KERRY GAA

U15A Plate Lee Strand County Championship Semi Final
Report by Mairead O'Sullivan
Team Sponsor Great National Hotels
North Kerry 4.12 v Mid Kerry 1.10

Being disappointed in not performing in the Cup Competition the North Kerry men had to regroup and put their shoulder to the wheel for the Plate Competition and that they did. Dominating in the first half the North Kerry men looked comfortable, but don't be fooled there is still plenty to work on in the next week, while they have qualified for the final, time date and venue to be confirmed.

North Kerry's midfielder Cian Dowling (Duagh) opened the scoreboard in the first minute splitting the posts, it took until the 8th minute for the next score which came from the boot of centre forward Odhran Buckley (Beale). But with indiscipline in the backs for North Kerry, the visitors opened their scoring with a converted free from Sean Doherty (GGC), a minute later North Kerry's midfielder Timmy Kennelly (Emmets) split the posts on two occasions in the 10th and the 14th minutes, the play went up and down the pitch until full forward AJ Barrett (Emmets) North Kerry grabbed the bull by the horns and split the uprights in the 17th and 20th minutes. The determination of the Mid Kerry men shone through and a free awarded ended up in the back of the North Kerry net to bring just two points between the sides from the boot of Michael Culhane (Beaufort) game on. Again indiscipline from North Kerry let them down and an awarded free was converted for Mid Kerry by Luke Foley (Beaufort) in the 25th minute, again it was Mid Kerry on attack and Mikey Hynes (Laune Rangers) got their only score from play splitting the posts to bring the sides level for the first time in the game in the 30th minute. But North Kerry never looked like they were in trouble and a consistent performance from corner forward Dylan Buckley (Tarbert) and centre forward Odhran Buckley (Beale) for North Kerry and their link up play that stood out all through out the game and between the 32nd and 33rd minutes of extra time the Mid Kerry net was rattled twice by the fore mentioned men. But North Kerry weren't finished yet and to finish out the half centre forward Odhran Buckley (Beale) added another to the scoreboard before the half time whistle North Kerry 2.07 v Mid Kerry 1.03.

Second half and the visitors went toe to toe with the home side, adding seven points, but as they say goals win games, it was the home side who opened the scoring with a point from Brodie Mulvihill (Beale), again centre forward Odhran Buckley (Beale) added to his tally splitting the posts in the 43rd minute. A minute later North Kerry's Brodie Mulvihill (Beale) rattled the Mid Kerry net for the third goal for the home side. It was score for score going into the closing stages, 48th minutes in and Mid Kerry's Sean Doherty (GGC) split the posts his team mate at wing forward Hugh O'Sullivan (Laune Rangers) added to his sides tally, in quick reply Brodie Mulvihill (Beale) split the uprights in the 49th minute the play swayed from side to side until man of the match Odhran Buckley (Beale) struck again in the 51st minute, but with changes made for the home side, Mid Kerry hit a purple patch and mid fielder Donnacha Quirke (Miltown/Castlemaine) fired the ball over the bar, but substitute Daryl Dalton (St Senans) rattling the net for the 4th goal for the home side in the 56th minute it was game set and match. But Mid Kerry being a proud district weren't throwing in the towel and cancelled out the goal with three points from play from Paddy O'Sullivan (GGC), Hugh O'Sullivan (Laune Rangers) and Darragh O'Connor (GGC) for their last score of the game. North Kerry's Odhran Buckley (Beale) scored the last point of the game deep into injury time in the 63rd minute full time score North Kerry 4.12 v Mid Kerry 1.10. Stand out players for North Kerry were man of the match Odhran Buckley (Beale) having scored 1.05, followed by team and club mate Brodie Mulvihill scoring 1.02, Solid through out were Mid Fielder and Joint Captain Cian Dowling (Duagh), Wing Back Micheal Finucane (Tarbert) and Louis Corridon (Emmets). Well done to team and management, now the North Kerry U15 A team are in the Plate Final with time, date and venue tbc.

North Kerry: Christian O'Donnell, Darragh O'Donoghue, John Breen, Michael O'Sullivan, Louis Corridan, Joseph McElligott, Micheal Finucane, Timmy Kennelly, Cian Dowling (C), Jamie Breen, Odhran Buckley, Matthew O'Flaherty, Brodie Mulvihill, AJ Barrett, Dyaln Buckley.

KERRY PITCH & PUTT

While it had been well marked on everyone's calendar in Pitch & Putt circles, three out of four successes on home turf in the Munster Inter-County Championships in Tralee last weekend exceeded a lot of expectations as there was a historic success for one of the two Kerry Ladies sides on the day.

On Saturday afternoon they became the first Kerry Ladies side in 23 years to win a Munster Inter-County competition as they won the Nett event with a combined total of 241 points. Deepark's Eileen McCarthy was the playing link between both sides as she was the Kerry Ladies side that won the 2001 Munster event in Deepark.

This year she combined with Tralee trio Charlotte Blake (Captain), Lisa and Catriona O'Connor to give the county a momentous win. After the Scotch Foursomes Doubles Kerry trailed the Tipperary 3 team by one point on 80 points but a 45-point return from Eileen in the Singles coupled with 43 points for Charlotte put Kerry ahead as Lisa and Catriona brought in 37 and 36 point totals respectively to give Kerry their final total of 241.

It saw them finish seven ahead of Cork 2 as Cork's first team won the main Gross prize with 187 points. Well done to Charlotte, Eileen, Lisa and Catriona on a momentous win along with their manager Tony Blake as the team was kindly sponsored by the Meadowlands Hotel in Tralee. The second team that competed on the day was supported by O'Connor Construction and consisted of Betty O'Brien, Eileen Switzer, Jean O'Shea and Orla O'Mahony. The Ladies success on Saturday afternoon followed a victory for the Junior Mens team in their event earlier in the day.

They had trailed Cork by four after the Doubles by really stepped up in the Singles as Mark O'Regan had one under par in the Singles. Pa Byrne level par, with David Hobbart (+1), Robbie O'Connor (+4) and Noel Lee (+7) their counting scores in the Singles with Mark O'Shea the other member of the winning team as their total score of +12 was 17 better than Cork in second. The team was looked after by County Board Chairman Christy O'Mahony as Kerry retained the title and won the event for a third time overall.

Sunday's play meanwhile saw victory for the Intermediate Mens team as similar to the Juniors, singles scoring got them the win. It was tied at 15 under par each between Kerry and Cork in the Singles before two under par for team captain Eamon Sheehy, one under for both James Fleming and Keith O'Brien, level par for Bobby McCarron and one over for Fergal Roche gave them a winning score of 18 under par with Listowel's Bobby McCarron the other member of the winning team and John Fitzgerald of Tralee the team manager. It was Kerry's third time winning this event as well as both the Intermediate and Junior Mens teams now go forward to National Challenges against Leinster winners Kildare (Intermediate) and Westmeath (Junior) on Sunday September 22nd next at a venue to be confirmed.

Meanwhile the Kerry Senior Mens team were unable to complete the clean sweep for the weekend as they had to settle for second against defending champions Cork. Kerry trailed Cork by three after two under par for team captain Eamon Sheehy, one under for both James Fleming and Keith O'Brien, level par for Bobby McCarron and one over for Fergal Roche gave them a winning score of 18 under par with Listowel's Bobby McCarron the other member of the winning team and John Fitzgerald of Tralee the team manager. It was Kerry's third time winning this event as well as both the Intermediate and Junior Mens teams now go forward to National Challenges against Leinster winners Kildare (Intermediate) and Westmeath (Junior) on Sunday September 22nd next at a venue to be confirmed.

Out thanks to Utility Trust for their support of the Mens teams as we say well done to Tralee as a club on their hosting of the weekend. This weekend sees the final major U16 event of the year the National Matchplay Championships in St Bridgets, Kildare where Brian McCarthy of Deepark is the defending champion. We wish all the Kerry players the best of luck this weekend.

Best Wishes also to Damien Fleming, Jason Cregan and Tony Blake in the deciding Irish World Cup Team Trial in St Patricks, Enniscorthy, Co Wexford this Saturday. Finally, we would like to pass on our sympathies to the family and colleagues of Dan O'Donovan of the Gleneagle club on his death in the past week.

May he Rest in Peace.
