CLOUNMACON COMMUNITY CENTRE

Clounmacon School Built in 1878

In 1975 Clounmacon school was turned into a community centre.

A lot of functions took place - cardgames, plays, meetings, and dancing classes with Jimmy Hickey.

In 1978 the Centenary of this building (100 years) was celebrated with the young and the elderly of this delightful countryside.

A Christmas party was held to celebrate the centenary. A full house was present.

The Senior citizens party and the children's party took place. Most of these senior citizens went to school here in this building. They were interviewed and they related stories about their time in school and the teachers there at that time.

Also is this film is first train that came into Listowel and recorded that night in 1978. Also 1985, 1987 and 2001 old folk's party.

Remarkable Year at **PRESENTATION SECONDARY SCHOOL LISTOWEL**

Presentation Secondary School in Listowel is delighted to mark a remarkable year of student achievement. The 2025 Leaving Certificate results were well above the national average across all subjects, a testament to the students' dedication and the unwavering support of the school's outstanding teaching staff.

Further affirming the school's excellence, the Department of Education's latest Whole School Evaluation – Management, Leadership and Learning (WSE-MLL) report, completed in September 2025, described the school's performance as "excellent". Inspectors commended the high standard of teaching, proactive leadership, and particularly the exceptional support systems in place for student wellbeing—describing them as a 'hallmark' of the school. The report also praised the inclusive atmosphere, layered support structures, and tailored guidance that ensure every student's individual needs are met.

Inspired by the legacy of Nano Nagle and the Presentation Sisters, the school blends a rich tradition of academic excellence with a forward-thinking, inclusive approach. Students are empowered to succeed not only in academics but also in developing creativity, confidence, and resilience—skills essential for life beyond school.

Beyond academics, students have excelled nationally in areas such as sports, debating, entrepreneurship, creative writing and science, showcasing the diverse opportunities available to them.

Principal Katherina Broderick said "This year's Leaving Cert results, alongside the excellent WSE-MLL report, truly reflect the spirit and quality of our school. They highlight the exceptional teaching, personalised care, and nurturing environment we offer—where every student is encouraged to discover her strengths, build confidence, and reach her full potential in every aspect of her education."

Presentation Secondary School, Listowel, remains at the forefront of educational excellence, combining heritage and innovation with a deep commitment to student wellbeing and success.

We look forward to welcoming prospective students and their parents to our school on **Thursday, October 16th from 5:30pm.**

CAROLINE'S DÓTERRA ESSENTIAL OILS

WELLNESS WITH CAROLINE HORGAN

Finding Emotional Balance in Autumn

As autumn deepens, the shorter days and cooler evenings can sometimes leave us feeling a little low in energy or mood. Alongside the busy pace of family and work life, this season reminds us of the importance of nurturing emotional balance. With the support of doTERRA essential oils, small daily rituals can lift our spirits, calm the mind, and create a sense of harmony.

Here are three of my favourites for emotional well-being:

Adaptive Calming Blend

This beautiful blend combines Wild Orange, Lavender, Copaiba, Spearmint, and more. It's perfect for easing stress, soothing anxious thoughts, and helping you adapt to change. Diffuse it in the evenings or apply to your pulse points for instant calm.

Balance Grounding Blend

A steadying blend of Spruce, Ho Wood, Frankincense, Blue Tansy, and Blue Chamomile. Apply a drop to the soles of your feet in the morning to begin your day feeling calm, centred, and grounded.

Citrus Bliss Invigorating Blend

Bright, fresh, and uplifting. Diffuse in your home office, kitchen, or living space for an instant boost of positivity and joy — it's sunshine in a bottle!

These oils not only support our emotional health but also create warm, inviting spaces at home during the darker months.

I'm the go-to doTERRA Wellness Advocate for North Kerry and West Limerick, here to support anyone who would like to purchase essential oils or set up their own doTERRA account. With my experience and guidance, I'll help you choose the right oils for your needs and show you how to use them safely and effectively so you can get the very best from them.

Caroline's Top Tip

Afternoon Mood Lift

Diffuse 2 drops Citrus Bliss with 2 drops Peppermint for a refreshing, cheerful aroma that melts away stress and helps you reset with renewed energy.

Thought for the Week:

"Balance is not something we find — it is something we create each day through mindful choices and little rituals of care."

Wishing you all a week of calm, balance, and joyful moments.

COLAISTE NA RIOCHTA SISTERS SHINE IN LEAVING CERT SUCCESS

Two Moyvane sisters, Niamh and Caoimhe O'Sullivan, are celebrating a remarkable milestone together this year, as they both completed their Leaving Certificate in Colaiste na Ríochta with exceptional results. Known for their diligence and studious nature, the sisters have taken inspiring next steps in their educational journeys.

Caoimhe has begun her third-level studies at Munster Technological University (MTU) Kerry with a Higher Cert in Science in Pharmacy Technician, where she is already settling into college life with enthusiasm and ambition. Her choice of MTU reflects her passion for her chosen field and her readiness to embrace the challenges and opportunities of higher education. Caoimhe said "I wanted to work in an area related to health where I would be able to help people".

Niamh, meanwhile, has made the thoughtful decision to defer her place in the Bed Gaeilge Studies, at University College Cork (UCC) for a year. Instead, she is pursuing a Pre-Teaching PLC course at Kerry College. This pathway will allow her to gain valuable experience and insight into the teaching profession before embarking on her university studies. Niamh said "My experience with the teachers in Colaiste na Ríochta inspired me to pursue a career in teaching".

The O'Sullivan sisters' achievements are a testament to their hard work, focus, and determination throughout their school years. Teachers and family alike have praised their academic dedication and positive attitude, which have clearly paid off. Principal Iseult Glynn said: "Niamh and Caoimhe were excellent students here in Colaiste Na Ríochta and we are very proud of them".

As they begin new chapters in their lives, Niamh and Caoimhe serve as wonderful role models for other students in Colaiste Na Ríochta and beyond. Their story is one of perseverance, thoughtful planning, and the rewards of staying true to one's goals.

SAN RITA WELLNESS

Welcome to San Rita Wellness weekly column...We hope all is good with you, below is our weekly column for this week.

No matter what time of the year it is we all have something to look forward to and make plans for various upcoming events in all of our lives. Not to mention Christmas which we hope will bring us all some cheer to end the year.

We all want to look and feel great for Christmas so therefore we can look on Christmas as a target for setting ourselves an overall personal goal. That means we are more likely to achieve it when we have a beginning and an end to that target.

As it is now October this could be an ideal time to set a goal for Christmas. In just over ten weeks it will be Christmas so this could be the right time for you to start making plans as every week will count to help you achieve your goal.

A goal for Christmas may vary from person to person, it could be anything from losing 7lbs in weight, dropping a dress size, seeing a new number on the scales or clothes fitting better.

Know your goals

Once you have decided what changes you need to make to your lifestyle and feel ready to make them, it can be really helpful to set your personal goal. Goals help you focus on making realistic changes that will make a difference to your lifestyle and will be personal to you. That means you are more likely to achieve them.

When setting your goals, make sure they are **S.M.A.R.T.**

S - Specific	A specific goal has a much greater chance of being achieved than a general goal.
M - Measurable	Measure your progress weekly whether it's the Scales, Clothes, Fitness or Mood.
A - Achievable	Make sure your goal is achievable for YOU, that helps to make it more possible.
R - Relevant	What will it mean to you when you reach your goal. How will you look, How will you feel?
T - Timely	Every goal needs a target date. So there is a beginning and an end.

Now that you have set your goal it is time to recognise the changes you may need to make to your diet and lifestyle.

Here are some tips to help you:

Eat regular well balanced meals and be aware of mindless snacking as the kettle may always be on the boil with everyone working or schooling from home.

Include plenty of fruit and vegetables. The recommended daily amount of fruit and vegetables combined is 5 to 7 servings a day.

Plan your meals ahead of time. You will be a lot more organised and you will get more variety into your meals.

Drink plenty of water. It is recommended we consume 1 & 1/2 to 2 litres a day. This is important to keep the body hydrated.

Be active for at least 30 minutes a day, 5 times a week. This not alone helps to tone the body but it is also important for our mindset.

For extra support and for weekly accountability check us out on Facebook San Rita Wellness or sanritawellness.com for details of our "In Person Meetings", "At Home Service" or our "One to One Service".

NB - Our weekly "In Person Meetings" take place in the Kerry Writers Museum, The Square, Listowel every Wednesday from 10am to 11am and 6pm to 7pm

An Accidental Villain:

By Linden MacIntyre

From the bestselling author Linden MacIntyre comes an engrossing exploration of one of the most significant, but nearly unknown figures of the Irish War of Independence, Sir Hugh Tudor. Appointed by Winston Churchill to lead the Royal Irish Constabulary, Tudor met civil strife and rebellion with indiscriminate state-sanctioned murder - changing the course of Irish history.

After distinguishing himself on the battlefields of the First World War, Major General Sir Hugh Tudor was called on to serve in a very different kind of conflict - one fought in the Irish streets and countryside against an enemy determined to resist British colonial authority to the death. Soon he was directing a police force waging a brutal campaign, one he was determined to win at all costs, including utilising police death squads and inflicting brutal reprisals against the IRA and local communities.

Tudor left few traces of his time in Ireland. No diary or letters explain his record as commander of the notorious Black and Tans or justify his role in Bloody Sunday, November 21, 1920. And why did a man knighted for his efforts in Ireland leave his family and homeland in 1925, moving across the sea to Newfoundland?

In *An Accidental Villain*, Linden MacIntyre delivers a fascinating account of how events can bring a man to the point where he acts against his own training, principles and inclination in the service of a cause - and ends up on a long journey towards personal oblivion.

BUDGET 2026

A PICK & MIX APPROACH!

OVERVIEW

With the economy facing an international headwind, the budget represents a more cautious approach. The much-muted VAT rate reduction to 9% for Food, Catering and hairdressing sector has been introduced but only from the 1st July 2026. For most businesses the increase in minimum wage will negate the benefit, but given it's a permanent change will be widely welcomed.

Aside from increases in social welfare and those who benefit from 9% VAT rate it offers little to individuals, farmers and other sectors who are largely ignored. The Budget focuses on job protection and international growth but is unlikely to prove popular in more rural communities.

SUMMARY MAIN POINTS

The main discussion points in the budget were as follows:

- VAT Rate reduction from 13.5% to 9% from July 2026
- Minimum wage increased by 65c to €14.15 per hour
- No change to Main Personal Income Tax Rate or Tax Credits.
- Cigarettes increasing by 50c per pack
- Tax on Vapes 50c per millilitre
- Main Welfare payments increased by €10 per week

PERSONAL TAXATION

- No change to Main Personal Income Tax Rate or Tax Credits.
- USC rate of 2% rate band raised by €1,318 to €28,700
- Rent tax credit extended for three years.
- Mortgage Interest tax Credit Extended to 2026

SOCIAL PROTECTION

- Main Welfare payments increased by €10 per week
- Christmas payments double for one week in December
- Child Benefit Increased by €16 over 12/ €8 under 12
- Domiciliary Care Allowance increased by €20 to €380 per month
- Weekly Fuel allowance increased by €5 to €38

HOUSING

- €5bn Capital Investment for delivering new homes
- VAT rate on the sale of completed apartments will reduce from 13.5% to 9% until December 2030.
- Derelict property Tax of 7% Market Value to be Introduced in 2027 replacing Derelict Site Levy

FARMING

BUSINESS REACTION

"Invest in our future while securing the jobs, prosperity and stability of today".

– Minister Pascal Donoghue

"This budget included a lot of mentions about "targeting the most vulnerable" but when it comes to housing there was no targeting towards providing more low-cost or affordable housing for people who are struggling every day"

**– Mike Allen, Focus Ireland
Director of Advocacy**

"Global economic uncertainty presented government with a trade off in Budget 2026, and it is clear today that VAT measures have trumped personal taxes in the need to protect employment."

LISTOWEL ATHLETIC CLUB

Novice and Even age Relays
Today in a sunny Killarney for the third weekend in the Kerry Athletic Cross Country Championships we had the Novice and Juvenile relay competitions. The relays are great fun, exciting and entertaining. Lios Tuathail AC had five teams entered and it was a great morning of running from all 20 athletes. The u10 boys' team of Ben Stack, Daryl Mongey, Jack Collins and Dylan O'Connell

started the day off in style. Dylan ran the first leg and handed over in a solid 4th place, Daryl moved the team into second and Jack held this spot for his leg. Finally, Ben made up the 30m gap and pushed his opponent right to the finish line forcing him to block Ben passing him in the final straight. The boys came away with a well-earned silver team medal. This was the race of the day with 15 teams taking part. The u10 girls team of Grace Guiney, Cara Keane, Clodagh Lynch and Evelina Kolomenska were not to be outdone claiming a super bronze medal after Grace set the pace handing over to Cara who moved up to third place and Evelina and Clodagh ran superb races to hold off the then runners behind them. Lios Tuathail AC had two u12 girl's teams with six of our athletes u11. They placed well but outside the medals in 7th and 9th place.

The eight athletes were: Aine Quilter, Aoileann Collins, Lauren Weir, Saoirse Carey, Ada Stack, Elizabeth O'Halloran, Maire Enright and Kaja Wolska. The last of our relay teams were the u14 boys who ran a solid race to again claim a bronze medal. The team was Brian Enright, Robert Enright, Hugh Hynes and Cillian Quilter. In the Novice competition congratulations to PJ O'Halloran who finished 5th overall with top six receiving medals. This was a first for PJ and I'd say it won't be his last time donning the club singlet.

Munster Cross Country
Best of luck to all 20 athletes taking part in the Munster Novice, U20 and even age cross country competition in Two Mile Borris, Thurles, Tipperary E41TX25 next Sunday.

BEALE GAA

Beale juniors got a walkover from St Senans in the Kerry Shield semi-final in Mountcoal on Sat and are now through to the final. We await details of fixture.

Busy times for Beale under-age teams contesting finals and a semi-final. Regrettably, some of last week's fixtures fell afoul of weather warnings. Despite a galant performance, our u15 girls lost out to Moyvane in the County Championship, Division 3 Shield, final which was postponed to Sunday evening. Beale u14 girls' final with Tarbert in the County League, Division 5, did not take place on Sunday evening. Rescheduled for Thursday in Páirc de Staic at 5.30. Beale u16 lads play Emmetts in the semi-final of the North Kerry Championship in Listowel at 3 o'clock.

It's North Kerry Championship time! A North Kerry Senior medal is the pride of any player's collection as clubs eagerly awaited the pairings at the much-anticipated draw for the Bernard O'Callaghan Memorial North Kerry Senior Football Championship which took place in McMunn's on Thursday night.

Beale seniors have been drawn against Emmetts in the opening round. Our juniors will play St Senans in the Intermediate Championship quarter final in Mountcoal, while our minors play Knocknagoshel/Brosna in the semi-final. Fixture details at later date.

North Kerry were defeated by Kenmare Shamrocks in round 1 of the County Senior Championship on Sunday in Fitzgerald Stadium, Killarney and so ends their campaign. Beale's Robert Stack lined out at wing forward.

This week's Beale Lotto draw took place on Sunday in Courtney's Bar. Numbers were: 8, 11, 20 and 28. There was no jackpot winner and Match-3 winners each won €50: Finola Fogarty (online) and Philip Julian.
6 Free tickets: Ella Julian.

Sunday night marked the last draw in Courtney's Bar for a while as they close for the winter months. Beale GAA wish Ellen and Noel an enjoyable break as they take time out to recharge their batteries. We sincerely thank them for their loyal support of our club over the years. Their son, Cillian, represented Beale at every age group, right up to senior level, before moving to New York. We look forward to seeing them back in the Springtime.

Next week's draw will take place in The Exchange on Sunday night, with a jackpot of €3,050. A huge 'mile buíochas' to all who support and promote the lotto. Beale Lotto tickets, €2 or three for a fiver, are available in Cahill's SuperValu, the local pubs and online.

For more details contact secretary.finuge.kerry@gaa.ie or any club officer.

SENIOR TEAM: Our senior team wrote another little piece of history by qualifying for the county novice final played last Sunday week. The last appearance in a novice final came in 1996 when the team won over Dromid Pearses in a year that kick started a golden era for our club. This time out Cromane provided the opposition and a very entertaining game was enjoyed in Fitzgerald Stadium Killarney. County Final Fulltime Result - Finuge 1-19; Cromane 5-14. Goals win games and so it came to pass in this final. While Finuge were on top from general play and enjoying the majority of possession for much of the game, goals kept Cromane ahead! The inside forward line of Ivan Conway and Mark McElligott played very well, Ricky Heffernan in the middle area had a big influence especially in the first half, Gavin O'Keeffe showed up everywhere and Aidan O'Brien was very influential when introduced. Cromane were very efficient with their score conversion from less possession and threatened every time they attacked. Our men played nice football going forward with chip passes very effective into the forwards but were open at the back when being run at.

Congratulations to Cromane but well done to our men who put in a very good performance in the historic stadium. Scorers were - Gavin 9 points (included a two pointer; Ivan 3 points (included a two pointer); Mark McElligott 3 points; Jamie Galvin 1 goal; Liam O'Brien 1 point; Ricky 1 point.

A big Thank you to team sponsor Buckleys Agri New Holland Dealer Listowel and competition sponsor Kerry Petroleum.

Next up for the team will be the North Kerry Championship with the draw taking place last week. Our team have been drawn against Castleisland Desmonds at home - a big challenge but one the team are looking forward to.

MINOR TEAM: Next up for the team is the North Kerry division one championship. The team have received a bye into the semifinal where they will play Ballyduff - we await details of fixtures.

U16: Next up is the North Kerry championship - the team have received a bye into the Cup/A championship semifinal with the semi against Duagh fixed for this Saturday the 11th of October. Best of luck to the team.

U14: On Wednesday evening last week our U14 boys competed in the North Kerry Super 10s blitz. The team played three games, coming away with two good wins and loosing out in a closely contested final. Playing very nice football throughout, this was a great way to finish out U14 competitive football for the lads - well done boys.

U13: North Kerry U13 Tommy Madden quarterfinal result; Finuge 3-04, Duagh 0-02. Well done to our young U13 team on another solid win. Played in really tough weather, it's a credit to both teams who played great football. Goals win games and we had goals from Robbie, Eoghan Óg and JJ. Captain JJ helped lead the charge and the team are now into the NK semifinal where they will meet Ballyduff - well done to all and best of luck this Monday at 6:00 pm in Finuge. Originally fixed for last Friday evening, the game had to be postponed due to Storm Amy. If the team can get passed the challenge of Ballyduff, this would be a historic five finals in a row appearances for our club!

U10: Our U10 team brought the curtain down on a fantastic season with a party and medal presentation recently. A huge thanks to Liam and everyone that helped with coaching - Colette, Tracy and Aoife for all help during the year and organising the finale evening. Thank you to club legend John McAuliffe and Finuge senior full forward Darragh Mackessy for presenting the players medals. Good luck to all players involved with U9 Finuge footballers playing Munster football tournament in Limerick next month. Best wishes to St Michael's Basketball Club u10 players who commence on September 29th. Enjoy the break and we look forward to having everyone back in the spring time

U6 & U8: As another fantastic football season draws to a close, we want to thank our super U6's and mighty U8's for their incredible effort and dedication. Each week, you've brought great energy and a fantastic attitude to every training session and match. Your hard work has truly paid off and we couldn't be prouder of your progress. Thank you to the parents, grandparents and guardians for your commitment to bringing the kids to training week after week, rain or shine. A huge thank you also goes out to our team of coaches. Finally, we were honored to welcome our special guests today, Killian Young and Gavin O'Keefe who presented the well-deserved medals to our young stars. Thank you to Elaine and Kevin for organising the goody bags. We are looking forward ahead to welcoming everyone back to football next Spring!

DEVELOPMENT: We continue to develop and improve our facilities at James O'Sullivan Park, Finuge at every opportunity. Earlier this spring we upgraded our lights on the pitch to make them more effective & efficient. This has been a big help to our teams when the days were shorter and a valuable investment into the future. Thank you to Liston Electrical for carrying out the work and to everyone who supports our various fundraising initiatives. Look out for our race night in McCarthys Bar Finuge, fixed for Saturday the 29th of November - a great night in store!

FINUGE/STENANS LADIES: It was a case of hard luck for the senior ladies who lost out narrowly in the county club championship semifinal to Na Gaeil last Sunday - they had another good run in the championship and were unlucky not to make it to another county final.

SECOND LEVEL SCHOOLS: All our youth players are now deeply involved with

their respective secondary schools and we wish them the best of luck over the school year ahead. We have players with St Micheals Listowel, Causeway Comprehensive, Gaelcholaiste Trá Lí, and The Green CBS Tralee.
