## ARCHITECTURE KERRY EXHIBITION IN COLLABORATION WITH PRESENTATION SECONDARY SCHOOL STUDENTS

On Wednesday October 8th, Presentation Secondary School, Listowel saw the official launch some beautiful Artwork created by a number of Art & History students in St. John's Theatre. The work on display was created through a series of workshops with Natalie Deegan from Artlab Tralee. Natalie guided the Presentation students through two workshops to create the plaster casts using clay moulds. To begin this process, students looked at some of the remarkable plaster work completed by local plasterer and builder Pat McAuliffe that has been conserved beautifully throughout the town of Listowel. In particular 'The Maid of Erin', which is a gem of Gaelic revival. The students involved in this exhibit, both Senior and Junior Art & History students with the cooperation and guidance of Ms McAuliffe and Ms O Riordan highlight the endless possibilities of cross curricular links between Art & History.

This opportunity was kindly funded by Creative Ireland in collaboration with Architecture Kerry and Kerry County Council Arts. We look forward to engaging in further opportunities in the future.

Katherina Broderick, Principal of Presentation Secondary school remarked that: "This was a most worthwhile project, the benefits of it will be remembered by the students involved for a long time to come. What an honour it is to have our students' work on exhibit in St John's Theatre. Thank you to our art teacher, Ms O'Riordan and our history teacher, Ms McAuliffe in conjunction with Kerry Archaeological Society and Natalie Deegan from Artlab Tralee, for providing this valuable opportunity to the students".

Pat McAuliffe whose career was rather contemporary to the Arts and Craft movement and included much Celtic style imagery in his work has been a great source of inspiration for us. Pat included an eclectic mix of Art Nouveau, Byzantine, Celtic and freestyle motifs throughout his work. Pat, like ourselves, created much of his work offsite and by all accounts seemed to enjoy the performative side of things as he often unveiled his work from behind a curtain.

Ms O'Riordan said: "We are delighted to have this work on display in the centre of Listowel town so close to many of Pat's creations as we too enjoyed unveiling the students plaster casts during the launch with Tony Bergin (President of Kerry Archaeological & Historical Society), Victoria McCarthy (Kerry Co Council), Natalie Deegan (Artist), Kaya Flynn (Radio Kerry) and other Art students and parents. We are delighted to now share our work with the public.

Through creating these works we considered Pat's style of work, what it means to be from Listowel and the various Celtic style motifs we so often see around us. We hope you enjoy these artworks and that the next time you walk around Listowel you stop and take a moment to enjoy the splendour of the plasterwork by Pat and his contemporaries."

"We would like to give a special thanks to Architecture Kerry, Kerry County Council Arts, Creative Ireland and of course Mr. Tony Bergin the President of the Archaeological & Historical Society for launching this exhibition, which is available to view by the public for free until mid - November please make sure to tag us with your favourite piece on social media @pres\_listowel, we hope you enjoy viewing it as much as we enjoyed creating these pieces." We will also be featured by Kaya on Travels Through a Kingdom which airs on Sundays 6:10-7pm the date is yet to be confirmed.

## KERRY COLLEGE LISTOWEL CAMPUS DEVELOPS TRAINING TO STRENGTHEN STUDENT REPRESENTATION

Thursday, 9th October 2025... Kerry College, Listowel Campus led a Learner Voice Training event attended by over 50 students from its Clash Road, Denny Street, and Listowel campuses. The training, delivered by AONTAS, the national adult learning organisation, forms part of Kerry College's ongoing commitment to learner engagement, empowerment, and representation.

This initiative, inspired by the National Further Education and Training (FET) Learner Forum, is a cornerstone of the College's Learner Voice Project—a programme designed to bring learners from across the county and a variety of disciplines together to share their views and experiences.

The Forum provides an opportunity for learners to influence and enhance the educational experience in Further Education and Training by ensuring that their voices are heard. Through these discussions, Kerry College aims to continue meeting the evolving needs of learners both now and into the future. This training marks another step in Kerry College's strategy to foster an inclusive, responsive, and learner-centred education environment throughout the county.

Stephen Goulding, Principal of Kerry College said of the event "It will be hugely beneficial for our learners who have volunteered for representative roles within the campuses".

Angela O'Sullivan Kerry College, Listowel who organised this event said: "The Learner Voice Training empowers our students to actively participate in shaping their educational experience. By engaging directly with learners, we ensure that their insights inform the continuous improvement of our programmes and supports."

## CAROLINE'S DÓTERRA ESSENTIAL OILS

WELLNESS WITH CAROLINE HORGAN

### Restful Nights, Peaceful Minds

As autumn deepens and the evenings grow longer, many people find their sleep patterns disrupted. Busy routines, cooler nights, and the natural shift of the season can all leave us tossing and turning instead of enjoying restful sleep. The good news is that nature provides beautiful support through essential oils, helping us create calming bedtime rituals that soothe the mind and prepare the body for deep rest.

Here are three of my favourites for relaxation and sleep:

#### Lavender

Well-known for its calming properties, Lavender helps ease tension and promotes relaxation. Diffuse a few drops in the bedroom before bedtime, apply to the top and back of the big toe, or place a drop under the tongue for instant calm.

#### Serenity Restful Blend

This beautiful blend of Lavender, Cedarwood, Ho Wood, and more creates the perfect environment for peaceful sleep. Diffuse it in the evening or apply to your pulse points as part of your nightly wind-down ritual. Serenity also comes in a handy stick with added Valerian, which can be rubbed directly onto the skin. It's a no-mess, easy solution for kids, teenagers, and adults alike — and makes a perfect travel companion. The Serenity + Valerian Stick retails at €29.70, or for anyone who sets up their own doTERRA account (just €25 for the year), it's available at the member price of €22.25 — a saving of 25%. The same member savings apply across all oils and products.

#### Vetiver

A deeply grounding oil with a rich, earthy aroma. Apply to the soles of your feet or diffuse with Lavender to calm a busy mind and encourage deep, restorative rest. Together, these oils form a natural toolkit for better sleep, less stress, and greater emotional balance as we move through autumn's changes.

I'm the go-to doTERRA Wellness Advocate for North Kerry and West Limerick, here to support anyone who would like to purchase essential oils or set up their own doTERRA account. Having your own account is the most cost-effective way to buy oils, with 25% savings across the whole range — and when you open one through me, you'll also receive my guidance on how to use all your purchases safely and effectively on your oily and wellness journey.

#### Caroline's Top Tip – Evening Diffuser Blend

2 drops Serenity  
1 drop Lavender  
1 drop Vetiver

Diffuse this blend 30 minutes before bed for a calming atmosphere that helps both body and mind prepare for sleep.

#### Thought for the Week:

"Rest is not a luxury — it is essential. When we allow ourselves to pause, we awaken stronger, calmer, and ready to embrace each new day."

Wishing you all a peaceful and restorative week ahead.

## UISCE - CELEBRATING IRELAND'S WEATHER, WATER & WORDS AT KERRY WRITERS' MUSEUM

Sunday 19th October 2025 | Kerry Writers' Museum, Listowel | Free Events All Day

Kerry Writers' Museum will host UISCE, a day-long celebration of Ireland's weather, water, and creativity, on this Sunday 19th October. The event brings together historians, poets, artists, and the local community for a full day of talks, poetry, and outdoor exploration that reflect on how weather has shaped Ireland's landscape, culture, and imagination.

From the River Feale's folklore to the rhythm of rainfall, UISCE invites visitors to reflect on the elements that have influenced how we live, work, and connect - both in the past and in our changing climate today.

### Programme Highlights

#### 10.30am – Floods, Folklore and the River Feale

Local historian Tom Dillon will open the day with an illustrated talk exploring the cultural and historical significance of the River Feale, revealing how this spate river has shaped local life, legend, and landscape.

#### 11.30am – A Brief History of the Rain in Ireland (1800–Present)

Dr Erika Hanna, Associate Professor of History at the University of Bristol, will present a fascinating lecture tracing 200 years of Irish weather history - exploring how rainfall has influenced everything from settlement and commerce to culture and identity.

#### 12.30pm – River Feale Walk

Join a guided walk with Dr. Barry O'Donoghue, Ecologist, along the River Feale to explore the effects of climate change on its ecosystem, uncovering connections between the river's natural environment and the people who depend on it.

#### 2.30pm – Poetry in the Park

An open mic gathering of poets and writers featuring works inspired by rainfall and weather, hosted by Mike Gallagher, founder of Poetry in the Park, with special guest Emer Fallon, Kerry County Council Writer in Residence.

#### All Day – FLOW: Rising Tides, Changing Shores

Visitors can also experience Flow: Rising Tides, Changing Shores, a cross-cultural exhibition by French artist Carl Cordonnier and collaborators Sandra Suire, Hugo Cordonnier, Madalina Obreja, and Astrid Adler. The exhibition explores how rising sea levels are transforming coastal landscapes in the Shannon Estuary and Somme Bay through photography, video, and sound.

#### A Celebration of Ireland's Weather and Words

UISCE is more than a cultural event — it's a reflection on the ways weather, water, and place continue to shape our sense of identity and belonging. Through art, history, and poetry, the programme invites audiences to connect with Ireland's environmental and cultural heritage in new and creative ways.

"UISCE brings together community, creativity, and climate awareness in a way that feels deeply rooted in North Kerry," said Cara Trant, Executive Director, Kerry Writers' Museum. "It's a day for reflection, conversation, and shared inspiration — all under the ever-changing Irish sky."

#### Event Details

Date: Sunday 19th October 2025

## SAN RITA WELLNESS

Welcome to San Rita Wellness weekly column...We hope all is good with you, below is our weekly column for this week.

Everyone dreams about achieving their Weight loss and Wellness goals ( and staying there) but how many of us actually put the time into planning how we will reach and maintain our overall target. Preparation, Planning and Focus are essential in staying motivated for your long term Weight loss and Wellness journey.

Many of us spend a great deal of our time planning the logistics of family life, such as budgeting, child care, pick ups, drop offs, work, shopping, family meals and paying bills. But when it comes to focusing on our own health and wellbeing we somehow just run out of time and very often we end up at the bottom of the "To do List "

### MAKE TIME FOR YOU !

15 x 7 = 105 minutes

This week we want you to think about how you can set aside 15 minutes out of each day over the week just for YOU and how you can use that 15 minutes to help you achieve your Weight loss and Wellness goals. By doing this you are actually creating 105 minutes over all just for YOU in your week. There are a lot of " you's " in what we just said there , but after all YOU are important.

### What part of the day could you set aside those 15 minutes for yourself this week?

Morning?

Lunchtime?

Kids in bed at night?

It is also important to think in advance what you want to do with that 15 minutes and how that 15 minutes each day can help you achieve your goals.

### Things you can do in 15 minutes

- Write your shopping list.
- Keep a diary of what you eat and drink
- Reorganise the kitchen press (Tempting snacks out of sight)
- Plan your meals for the following day.
- Choose a new recipe to try
- Get out for a short walk rather than sitting on the couch.

### YOU ARE WORTH IT !

Know your worth: Self-care is important to maintain a healthy relationship with yourself as it produces positive feelings and boosts your confidence and self-esteem. Also, self-care is necessary to remind yourself and others that you and your needs are important too. By looking after your own health and well being you are actually filling up your own cup, as the saying goes " you can't pour from an empty cup "

### Just before we finish up, 3 things to keep in mind

1. Make the time as nobody else may make it for you.
2. Think about what you want to achieve for your overall wellness.
3. Think about what and how you can do it in that 15 minutes.

For extra support and for weekly accountability check us out on Facebook San Rita Wellness or [sanritawellness.com](http://sanritawellness.com) for details of our "In Person Meetings", "At Home Service" or our "One to One Service".

### Sacrifice:

### A Year in the Life of a Champion Jockey

By Oisín Murphy

Born prematurely, weighing less than a bag of sugar, Oisín Murphy's life has always been one of struggle.

From a young age he found communion with horses. Mesmerised by their power, their spirit, he discovered a gift for the saddle. Oisín quickly established himself as one of horseracing's most prodigious talents. But reaching the pinnacle of the sport has required a high-wire dance that continues to push his body and mind to their breaking point. Despite four champion jockey crowns, alcohol addiction lurked beneath the surface, and a string of misdemeanours have overshadowed his racing.

Fast paced and searingly honest, Sacrifice lays bare Oisín's personal struggles and immerses readers in the daily life of a jockey throughout an entire season. From the countless unseen hours of horse work to the psychological turmoil of racing, the private agony of wasting, and the vital community of the weighing room, it pulls back the curtain and examines the fine line between elite performance and personal destruction in a sport that demands nothing less than total obsession.

Part-autobiography, part-diary written in real-time, this incredible and immersive memoir charts Oisín Murphy's year in the saddle, laying bare the pressures of life at the pinnacle of horse-racing.

Pictured at Cork Racecourse on Sunday are the connections of the well-supported Jaadil, owned by John and Sean Bosco McMahon and trained by D.E. FitzGerald. Ridden by Sam Ewing, Jaadil made all the running to win the William Hill Challenge Series Handicap Hurdle by just under ten lengths. The family were delighted that Jaadil won in Cork, as Jaadil was bought from a well-known Cork man, Pat Corcoran, just over two years ago. Pat, unfortunately passed away in July, but his presence was felt by all as Jaadil passed the winning post. The family have dedicated their win to Pat. Hopefully, it will be the first of many for Jaadil

### SAMHAIN CHIARRAI

Kerry County Council is coordinating 'Samhain Chiarrai - A Kerry Halloween', a festival taking place from October 16th to November 9th 2025, with lots of exciting events planned countywide. Highlights include Samhain Spectacles in Tralee, Killarney & Listowel, with an additional programme of over 16 community-led events across the county featuring music, food, storytelling, and folklore. In the Listowel area, Samhain go Lios Tuahail - a new Samhain experience telling the story of the Cailleach Chiarrai will take the form of a Street Procession, an Awakening Spectacle, Fireworks, Céili, Willow Workshops and Treasure Hunts. The Moyvane Village Festival & Listowel Food Fair are also included in the programme.

At the heart of the festival is the ancient tale of An Cailleach Chiarrai—the wise and wild Goddess of Winter—who emerges each year to mark the end of the harvest and the beginning of the darker half of the year, when the veil between this world and the otherworld is at its thinnest. Samhain Chiarrai invites locals and visitors to experience the mystical and ancestral spirit of the Celtic New Year.

Further information can be found online at [samhainchiarrai.com](http://samhainchiarrai.com), and the programme is available here - [Samhain\\_Chiarrai\\_eProgramme.pdf](http://Samhain_Chiarrai_eProgramme.pdf)

LISTOWEL ATHLETIC CLUB

Munster Cross Country  
At today's Munster even age cross country in Two Mile Borris Co Tipperary Lios Tuathail were represented by 15 Athletes from u10's to u20's. In good weather conditions first up was Clodagh Lynch and Cara Keane in the u10 girls. This was the biggest field of the day with 187 athletes at the start line. This resulted in a n eight girl pile up in the first corner with Clodagh in the middle of it and when she got back on her feet, she was knocked over again. She picked herself up again and ran a great race moving well up the field along with Cara. Both putting in very strong performances. Next up was Daryl Mongey, Jack Collins, Ben Stack and Dylan O'Connell in the u10 boys. This was another big field of 165 athletes. Daryl had an impressive run coming in the top 40 with Ben just outside the top 50. Jack and Dylan also coming well up the field. It is great to see four boys from Lios Tuathail been competitive at Munster level. U12 girls were up next in a field of 162 athletes. Lios Tuathail were represented by Saoirse O'Connell, Aoileann Collins and Saoirse Carey. The three girls ran a fine race and the hard work they have put into training over the last few weeks is paying off. A lot more to come from these three. Peter Hayes ran in the u12 boys and came in 42nd in a field of 133 boys competing. Emer O'Sullivan ran up an age in the u14's and came home in 45th. Eoghan Dillon also running up an age in the u16's came home in 44th and that position contributed towards the county team's finish of 3rd place. Eoghan will now go onto the represent Lios Tuathail and Kerry at the Nationals. Noelle Dillon came home in 4th in the u20's in a very impressive run.

And our last runner of the day was James Dillon coming in 4th in the u20's. Congratulations to all our runners today who represented the club brilliantly. Thanks to the coaches and parents for making the long journey to Tipperary and for sending photos.

BEALE GAA

Listowel is the venue on Sunday when Beale seniors take on Emmetts in the opening round of the North Kerry Championship. Throw-in is at 2 o'clock.

After our first-round exit last year, we will be looking to build on 2023's memorable run, which saw us topple favourites, Desmonds, in the quarter-final and go down to neighbours, Ballydonoghue, by just a kick of the game, in a thrilling semi-final replay. It's all to play for this weekend as we aim to make a strong start to the championship.

When we last lifted the North Kerry Championship title in 2014, the opposition was also Emmetts, with Beale edging a one-point victory, 0.11 to 0.10, in Ballylongford. From that memorable day eleven years ago, there are still strong links to today's panel: John Griffin, Joe Downey, Phillie Blake, Ian Mannix and Rory Mulvihill are still involved, while a substitute from that final, Kenneth Mannix, now leads the side as team manager. James McMahon, another from that era, serves as selector, and Colm Kissane, also part of that 2014 squad, is now club chairperson.

Wishing Kenneth, his management team, and all the players the very best of luck for Sunday - here's to a great start to the North Kerry Championship!

Finals Fever in the Club! Finals galore this past week as our teams had a massive few days of action and excitement. We've reached the business end of the season, and it has been a big week with finals and a semi-final on the line. Beale teams brought home the silverware, as our Juniors and under-age girls claimed shield titles in the past week. Beale u14 girls set the ball rolling on Thursday when we had the upper hand on Tarbert in the County League, Division 5, final in Páirc de Staic. Among scenes of jubulations, team captain, Eilidh Cregan, was presented with the winning trophy. Beale

Beale Juniors were crowned county champions with victory over Renard B in the Kerry Shield final on Saturday evening in Caherslee. It was an unusual path to silverware, as the team had not played a single game in either the Kerry Cup or the Kerry Shield prior to the final. Regrettably, we were unable to field a team on the Saturday of Race Week for the Kerry Cup quarter final. This saw us move into the Shield competition, where St Senans later had to concede the semi-final due to being short on numbers. That walkover sent us through to the final - our first and only outing of the campaign, where the lads made the most of their opportunity and came away as Kerry Shield champions. It's a strange reflection on the times that a county title was decided in such a manner. Nonetheless, great credit is due to the players who represented our club proudly and brought the silverback to the seaside.

Then it was 3 wins out of 3 when, on Sunday, Beale u16 girls put the icing on the cake and rounded off the week in style with a fine victory over Finuge/St Senans in the Division 5, North Kerry League Shield Final, in Páirc de Staic on Sunday. It was a fitting finish for a hardworking group who showed great spirit and teamwork throughout the year. Well done to players and management of all teams! Unfortunately, the ball didn't bounce in our favour on this occasion for our u16 lads who suffered defeat to Emmetts in the semi-final of the North Kerry Championship, in Listowel on Saturday.

To further add to the week's celebrations, Kilconly National School's young footballers were crowned Cumann na mBunscoil, North Kerry, 2-teacher school champions for the tenth year in a row. Congratulations to team and management.

On Saturday next, North Kerry U15 girls will take on South Kerry in the District Championship, in Páirc de Staic. Beale players, Evanne Mason and Aoibhinn Stack, are part of the squad, with Gina O'Sullivan involved on the management team.

This week's Beale Lotto draw took place on Sunday in The Exchange Bar. Numbers were: 8, 10, 24 and 30. There was no jackpot winner and Match-3 winners each won €20: Mike O'Connell, Jennifer Bennett, Peter Bane (Nenagh), Podge Rowan and Aden Carrig.  
6 Free tickets: Oran McMahon

Next week's draw will take place in Mikey Joe's on Sunday night, with a jackpot of €3,100. A huge 'mile buíochas' to all who support and promote the lotto. Beale Lotto tickets, €2 or three for a fiver, are available in Cahill's SuperValu, the local pubs and online.

KERRY PITCH & PUTT

It was a disappointing day for the three Kerry sides at the National Inter-Club

Finals in Fermoy last Saturday as neither of the two Deerpark teams or the Tralee side managed to make it through to the semi-finals as the Singles proved to be the downfall of the Kerry sides in the main in the 16-team event.

The Deerpark 1 side of Damien Fleming, John McGrath, James Fleming, Con O'Sullivan Jnr. Colm O'Dowd and James Foley were a combined 18 under par for their Scotch Foursomes and Singles rounds but missed out on a semi-final place by four shots in having to settle for seventh.

Both the Deerpark 2 and Tralee 1 sides finished on 13 under par combined meanwhile in finishing 10th and 11th respectively. Deerpark 2 were made up of Gillian Courtney, Michael Cronin, Noel Moynihan, Mark O'Shea, Paddy Murphy and David Harnett while Tralee were represented by Jason Cregan, Michael Conway, Reece Sugrue, Michael Creagh, Alan O'Connor and Gavin Dillane.

There was better news at the Crosshaven U16 Scratch Cup however as Deerpark's Fionn McMonagle won the 8-13 section while his club-mate Aodhan O'Halloran was third in the same section. The County Board would also like to congratulate the Deerpark trio of Connie O'Sullivan Jnr, Derry O'Sullivan and Paddy Murphy on their recent win in the Kildare Short Grass Classic Scramble.

The season itself now has only two fixtures of Kerry interest left, the National Scotch Foursomes Finals on the October Bank Holiday Weekend and the Inter-Provincial Challenge on the first Saturday in November.

The County Board are invited interested members from Kerry clubs to a meeting on October 22nd at 8pm in the Tralee clubhouse to discuss the Kerry Inter-County teams for next year.

Oh, most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven.

Blessed Mother of the Son of God; Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me you are my Mother. Oh, Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succour me in my necessity (Mention your request here)

There are none that can withstand your power. Oh, Mary, conceived without sin, pray for us who have recourse to thee (3 times). Sweet Mother, I place this cause in your hands (3 times). Amen

This prayer is never known to fail. It is to be said for 3 consecutive days. Publication on granting of the favour must be promised and done. **K.O.S.**

## MEANING OF LIFE

"They'd put legs under hens for you."

A few weeks ago we were chatting about the "wannabe" presidential candidates for the upcoming election on October 24th. Each person had to "sell their potential" to the local authorities. On the radio interview, one said the very first thing she would do, is throw a big party in the Áras! Another said he's really relaxed and gets on with EVERYONE. And then there was the person who would solve the housing crisis... pronto! Mmmm!! Are these for a head of state?

It got me thinking. We may believe that this world can't function without us but it's very sobering to read Scripture, like Isaiah 45:4 where God says... "I name you 'though you do not know Me. I equip you 'though you do not know Me...I form the light and create darkness...I make peace and create calamity...I am the Lord who does all these things...I made the earth and created man on it... it was My Hands that stretched out the Heavens...I, the Lord speak the truth. I declare what is right... there is no other God besides Me, a righteous God and a Saviour."

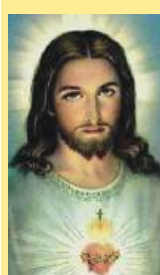

Proverbs 16:1 says it all: "Mortals make elaborate plans but God has the last word."

Success is not solely the result of our efforts but also of God's provision and grace. I read about the Most High in the book of Daniel 4:34: "... for His dominion is an everlasting dominion, and His kingdom is from generation to generation. All the inhabitants of the Earth are reputed as nothing: He does according to His will in the army of Heaven. And among the inhabitants of the Earth no one can restrain His hand or say to Him "what have You done?"

I'm so glad that the One, True and Living "God is in the Heavens; and "He does all that He pleases." Psalm 135:6. That's our greatest security in a chaotic world... His sovereign will and knowing our limitations.
