## PRESENTATION PRIMARY LISTOWEL PERFORMS AT

# Peace Proms 2026

Pupils from 3rd to 6th class from Presentation Primary School, recently travelled to the University of Limerick Sports Arena to take part in Peace Proms 2026.

The children joined almost 900 pupils from various schools across the country to perform alongside the Cross-Border Orchestra of Ireland in what was a truly memorable musical experience. After weeks of practice and preparation in school, the pupils were excited to take to the stage and sing as part of the spectacular show conducted by the excellent conductor, Greg Beardsell.

Performing in such a large venue with a full live orchestra was a fantastic opportunity for the children and an experience they will not forget. The energy and atmosphere in the arena made it a very special occasion for everyone involved.

Well done to all the pupils from 3rd to 6th class who represented the school so proudly in Limerick. Huge thanks to all the parents, families and friends who came to support us on the day.

## MARGARET CARMODY DONATES €1,100 TO LISTOWEL HOSPICE

"It is the time of year again when I Margaret Carmody Knockanure, present to the Hospice Branch Listowel a Bank Draft to the value of €1,100 - proceeds from donations received from Local business people and neighbours towards the tradition of weaving St. Brigid's Crosses. To the following business people their wonderful staff and friends who helped so generously in providing the facility towards promoting and obtaining donations to the amount of €1,100.00: Listowel Arms Hotel, Mags Deli Listowel, SuperValu Café Listowel, Holly's Gala Moyvane, Brosnans' Daybreak Tarbert, O'Flynn's Centra Ballylongford, The Bridewell Centre Tarbert, McKenna's Electrical Listowel, Jim Gould Shop Kilmorna, Johnny Burns Duagh. A special word of thanks to Jeremiah Kennelly for providing the rushes to Eileen Kennelly, Aine Moore Walsh in helping in weaving some crosses."

"To date I am so pleased the amount I have donated to Hospice Listowel with the help of many is €25,600.00 along with €1,000.00 to Aras Mhuire Nursing Home Listowel. This donation is in appreciation of the wonderful care provided at Listowel Hospital by the Nurses and Staff with financial support from the Local Listowel Hospice Group. Listowel Hospice Group are a fantastic group of people who have over many years provided Hospice care to the Listowel Area by way of supporting our local Listowel Hospital with Hospice Beds and facilities for the families also with funds to upgrade the necessary facilities for the care needed by Hospice Patients and their families."

"I am thrilled after all the years that St Brigid's is so well recognised with an Annual Bank Holiday and the weaving of St. Brigid's Crosses was formally recognized as part of Ireland's Intangible Cultural Heritage in July 2024, the cultural significance of St. Brigid's Crosses are traditionally woven from rushes on February 1st to protect homes from fire, evil, and misfortune. To weave them is a labour of love, the rushes have to be sourced, washed sanitized dried, cut to measure then start the weaving and lastly have them blessed.

## CAROLINE'S DÓTERRA ESSENTIAL OILS

WELLNESS WITH CAROLINE HORGAN

### Celebrating Care, Kindness & Nurturing Roles

As we move through the gentle days of March, we are also approaching a special occasion - **Mother's Day on Sunday, March 15th**. It's a time when many of us pause to appreciate the mothers, grandmothers, and maternal figures who bring so much love, care, and guidance into our lives.

But Mother's Day can also be a time to recognise all those who nurture others in different ways. Many people play caring roles in families, friendships, communities, and workplaces. Whether you are a mother, a mentor, an aunt, a caregiver, or someone who simply shows kindness and support to those around you, these nurturing qualities deserve to be acknowledged and appreciated.

This week is a lovely reminder that **taking care of ourselves is just as important as caring for others**.

#### Simple Moments of Self-Care

Self-care doesn't need to be complicated or time consuming. Often the most meaningful moments are the small ones — a quiet cup of tea, a short walk in the fresh spring air, a few minutes of stillness, or simply allowing yourself time to rest and recharge.

Essential oils can be a gentle companion during these moments. Diffusing calming or uplifting oils in the home can help create a peaceful atmosphere and support emotional balance. Oils such as Lavender, Balance, Cedarwood, Adaptive, Console and Wild Orange are beautiful choices for relaxation, grounding, and lifting the mood.

Even placing a drop of a favourite oil on the wrists or soles of the feet in the evening can help signal to the body that it is time to slow down and unwind.

#### Caroline's Top Tip – A Simple Self-Care Ritual

Take five quiet minutes in the evening for yourself. Diffuse a calming oil, take a few slow breaths, and allow the day to gently come to a close. Small rituals like this can make a big difference in helping the body and mind relax.

#### A Time for Appreciation

Mother's Day is ultimately about gratitude — recognising the love, care, and encouragement that people bring into each other's lives. It also reminds us that wellness is not about perfection, but about creating small daily habits that help us feel supported, balanced, and energised.

For anyone interested in purchasing essential oils or opening their own account with dÓTERRA, I support individuals and families across **North Kerry and West Limerick**, and I'm always happy to guide anyone in the wider region who would like to begin their own wellness journey with confidence and support.

#### Thought for the Week:

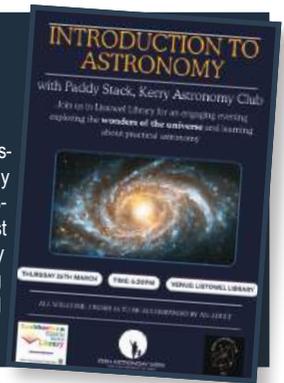

"Care, kindness, and compassion are gifts that shape lives — whether we give them as mothers, mentors, friends, or simply as caring people."

## CEO OF TOURISM IRELAND ADDRESSES COUNTY'S TOURISM INDUSTRY

The CEO of Tourism Ireland, Alice Mansergh, is in Kerry on Tuesday March 3rd addressing tourism businesses from across the county at the Kerry Tourism Industry Federation (KTIF) Tourism Day 2026.

The event took place at The Brehon Hotel & Spa, bringing together representatives from across Kerry's tourism and wider business community. As a membership organisation representing tourism operators throughout the county - with each of the county's Chambers in Kerry among its members - KTIF provides a unified and influential voice for the sector at local, regional and national level.

The audience included accommodation providers, visitor attractions, activity operators, hospitality businesses, publicans and transport services, demonstrating the breadth of the county's tourism offering and the strong engagement across all sectors.

Addressing the gathering, Alice Mansergh outlined overseas market performance, emerging travel trends and Ireland's competitive positioning globally, with a particular focus on how Kerry can capitalise on opportunities in key international markets.

The programme featured a strong line-up of speakers spanning policy, destination development, innovation and economics:

**Fearghal Reidy**, Chief Executive of Kerry County Council, speaking on infrastructure delivery, planning and sustainable regional growth.

**Miriam Kennedy**, Head of the Wild Atlantic Way at Fáilte Ireland, addressing the continued development and strategic direction of Ireland's Atlantic coastal brand.

**Fergal Brosnan**, CEO of RDI Hub, highlighting the growing importance of AI, innovation and digital transformation for tourism businesses.

**Mike O'Sullivan**, Academic and global financial markets expert, providing insight into international economic conditions and their potential impact on tourism demand.

**Billy Keane**, Writer and publican, speaking specifically on the vital role of publicans within Kerry's tourism ecosystem - from preserving cultural heritage and local storytelling to sustaining rural communities and enhancing the visitor experience.

KTIF Chairperson Pat O'Leary said the diversity of speakers reflects the interconnected nature of the industry: "Tourism in Kerry is not one single sector - it is a network of businesses and communities working together. From international marketing and economic forecasting to innovation and the unique role of our publicans, today's discussions highlighted how every element contributes to the strength of our tourism product. With representation from all regions, chambers and businesses of every scale in the county, KTIF ensures that the voice is unified and influential."

Discussions throughout the morning focused on sustainability, community resilience, market diversification and long-term competitiveness. Major international opportunities, including the Ryder Cup 2027, are also being referenced as catalysts for regional collaboration and legacy planning.

Since its establishment in 2019, KTIF has acted as a central coordinating body for tourism interests across Kerry, driving multi-agency collaboration in marketing, sustainability and development. Today's Tourism Day further reinforces its leadership role in shaping a resilient and future-focused tourism industry for the county.

## SAN RITA WELLNESS

Welcome to San Rita Wellness weekly column...We hope all is good with you, below is our weekly column for this week.

As we are all now looking forward to brighter days and new growth this time of the year this has a positive impact on our overall health and well being. But at the same time there are many other things that we may need to continue keeping control over to achieve a healthy lifestyle.

So let us take a look at a few of those:

### FOOD

Many of us are so busy with trying to juggle work, life and family it is important to establish a good meal time routine. Plan your meals in advance and batch cook as this can leave you feeling more organised especially if you have a busy schedule.

Try out some new recipes as variety is the spice of life.... SafeFood.ie, and Bord Bia have some nice recipe and meal ideas

Just be mindful of the extra foods and treats you may have in your home as you may be inclined to buy that bit extra to treat yourself .

### TREATS

Don't let the treats become a threat. There are other ways to make yourself feel better such as buying yourself a book or a magazine, treat yourself to a lovely body lotion or a nice bottle of your favourite perfume. Have a pamper night where you can have a relaxing bath, paint the nails or apply a rejuvenating face mask.

### ALCOHOL

Limit your alcohol to the weekend's. That way it can be something you can look forward to. There are also low calorie options available in the alcohol also, such as light beers, low alcohol wine and add your diet and slimline minerals as mixers for spirits.

### WEEKENDS

For many people having a structured routine in place from Monday to Friday can be a good thing, but once the weekend comes it can be very easy to let things slip. Plan your weekends and plan to do something nice for yourself that will benefit you. After all it's important not to let your guard down too much just because it's the weekend. Remember after all there are 52 weekends in the year

### ACTIVITY

The best way to keep fit and active is to get out in the fresh air, whether it is to your local park or beach. Being active will benefit you as it is good for the mind and will give you a positive attitude so you will feel better. When you **Feel** better you **Think** better and then you **Eat** better.

### ATTITUDE

What is your attitude at the moment? Eat all around you and go out of control OR eat mindfully and stay in control. How we think determines how we feel, how we feel determines what we do next.

So think positive, feel positive, be positive.

At the end of the day we are all responsible for ourselves but also to ourselves.

### JFK JR.

By RoseMarie Terenzio & Liz McNeill

*An Intimate Oral Biography*

The first oral biography of John F. Kennedy Jr. is an extraordinarily intimate and detailed look at the real man behind the myth. Sharing never-before-told stories, his closest friends, confidantes, lovers, classmates, teachers, and colleagues paint a vivid portrait of one of the most beloved figures of the 20th century who still captures public imagination twenty-five years after his tragic death.

Born into the spotlight, John F. Kennedy Jr. lived a short but remarkable life filled with expectation, ambition, family pressures, love, and tragedy. JFK Jr. dives deep into his complicated psyche and explores the what-ifs, illuminating both the cultural and political moment he inhabited and the way this son of a president, so full of promise, embodied America's most cherished hopes.

### Arthritis

Arthritis affects over 915,000 people in Ireland, more than 1 in 5 of the population. It is a leading cause of chronic pain, disability, and work-related illness, with around 165,000 people under the age of 55 living with the condition. The most common form is osteoarthritis, which frequently affects the knee.

Symptoms include stiffness, joint swelling, pain on movement and reduced ability to walk or perform daily tasks like climbing stairs, tying shoelaces and getting in and out of the car.

Many people assume arthritis is something they simply must live with, but physiotherapy can play a key role in managing symptoms. Physiotherapy for arthritis includes advice, strengthening the muscles around the knee with exercises and soft tissue massage to ease pain in the muscles around the joint. This approach will improve movement, function and help reduce pain. Exercise and movement alongside massage is the gold standard for managing arthritis, avoiding activity can lead to weaker muscles and increased joint stiffness, often making symptoms worse over time.

Aishling, a Chartered Physiotherapist at ALIGNED Physio and Pilates, has a background in both Physiotherapy and Athletic Therapy. She has experience working with a wide range of people, from athletes to older adults managing chronic conditions, helping them rebuild strength, improve mobility, and return to the activities that matter to them.

### BALLYDUFF GAA

#### U15 Hurling:

Another fantastic performance from our U15 hurlers in the championship on Sunday last as they recorded a convincing victory over Crotta on a scoreline of 6 - 15 to 0 - 4. A great team display with excellent work rate, skill, and determination from start to finish. Well done to all the players and management for the continued hard work — plenty more to come from this talented group!

#### Minor Football:

Our minor footballers qualified for the Minor C Championship final after a tight and tense battle against Glenflesk played in a dry but wind swept Ballyduff. The boys in Green with the aid of a strong wind hit the onion sack after 15 seconds, however the away side quickly settled to notch up three points and midway through the half there was just one between the sides. However the second quarter Ballyduff made use of the elements and kicked some excellent points and two pointers to take a 1 - 10 to 0 - 3 lead at the short whistle.

The second half was always going to be tough with scores at a premium for the home team. Glenflesk had the lions share of possession but they found it difficult to break down a resolute Ballyduff rearguard. With time slipping away Glenflesk were still six behind, however 2 two pointers made for a tense and nail biting finale to this game. In the end the home side held out for a two point win 1 - 12 to 1 - 10.

Well done to both sides for serving up a great contest with plenty of quality football on display. Thanks to referee Tadhg Murphy and his officials. Next up is a County Championship Final against Kenmare. Baile Dubh Abú

## TARBERT

### TARBERT NEWS

Contact; [tarbertnews@outlook.com](mailto:tarbertnews@outlook.com) or telephone Patrick Lynch at 068/36117 on or before 7pm Sunday. Fan slán.

### DEATH

The death took place of Karen Daly (O'Connell) of Kenny Heights, Caherdown, Listowel. Karen died on Sunday 1 March in the Palliative Care Hospital Kerry. She reposed at Lyons Funeral Home on Wednesday 4 March where large crowds queued to pay their final respects. Her Requiem Mass took place in St. Mary's Church, Listowel on Thursday 5 March followed by interment in Lisloughtin Abbey Cemetery, Ballylongford where she was laid to rest beside her mother Geraldine. She worked the GAA Centre in Currans for many years where she was very popular.

Sympathy of the community to her husband Owen, her three young children who lost a loving mother too soon, her father Leo, sister Laura and her husband Wesley and children, her parents-in-law Tommy and Mary O'Connell, Tarbert, sister-in-law Emma and her husband Noel Kelly and children, brother-in-law Gareth and wife Paula their daughter and extended family. To her work colleagues in Bon Secours Hospital and the GAA Centre.

### HISTORICAL SOCIETY

Tarbert Historical and Heritage Society will hold its March Meeting on Friday 20 March when Jerry O'Connell, Tarbert will speak on 'Breaking the Enigma and Lorenz German War Codes'. The code-breakers could not speak about their work for 30 years under threat of execution. Churchill referred to the operation as 'the goose that kept laying the golden eggs - but never cackled'. Jerry has done extensive research on this topic and everybody is welcome to come and hear the story. The meeting will be at 8pm agus cupán tae ina diaidh.

### LÁ LE PADRAIG

On Tuesday 17 March the annual St. Patrick's Day parade in Tarbert will work in reverse this years with participants assembling at the Bridewell at 12.30 and marching up the village and dispersing at the Community Centre. There is no need to enrol, just turn up at the Bridewell. It is important to keep this age old tradition alive and there has always been a very good turn out of groups suitably dressed and led by St. Patrick, our Patron Saint, and participants of all ages will be welcome. The Pioneer Association now much reduced in numbers have indicated their intention to line out and hopefully other groups will do likewise. Teddy Griffin is a popular choice to play St. Patrick and hopefully he will continue to drive the 'snakes' out of Ireland.

### WEEKEND MASSES

There was a large attendance at the Meeting convened by Fr. John Buckley in the Community Centre on Sunday last 8 March to discuss the future of weekend Masses in the parish. With the future availability of priests and two priests expected to say 8 Masses in the pastoral area it is inevitable that Tarbert like other parishes will suffer the loss of a weekend Mass. A decision will have to be made on whether this will be Saturday Vigil or the Sunday Mass. Fr. Buckley will listen to any opinion offered and hopes to be in a position to make a decision in early June. Appreciation was expressed for the assistance given by Fr. John O'Connor, Fr. Martin Hegarty and Fr. Brendan Carmody to Fr. Sean Hanafin and Fr. John Buckley in offering weekend Masses.

### SHORT STORIES

In response to queries, Patrick Lynch's series of 6 award winning short stories as featured by Mary Lavery Carrig on West Limerick 102 Fm are all now available on Creatively Speaking by Mary Lavery Carrig on podcast Spotify, episodes 40 to 44 inclusive.

### DOG FOULING

In spite of two signs fixed to poles by Kerry County Council at the start of the footpath walk to Tarbert Island advertng to the public health hazard that dog fouling is and the imposition of a €150 fine there were 5 deposits of dog excrement visible. Pushing the excrement off the footpath into the grass is not the solution. If your dog does its business then you have to do your business and collect the deposits for removal.

## LISTOWEL ATHLETIC CLUB

Last weekend Lios Tuathail u12 & 13 girls competed in the Munster indoors in Nenagh. With a huge field, our girls had a long day and were patient and supported each other all day.

In the Evening the u12 girls, Aoileann Collins, Lauryn Weir, Aoishe Murphy and Elizabeth Walsh ran the 60m sprint. They all ran very strong races and with 17

heats and 137 starters progress to the semi's was very tough.

Aoileann, Aine and Lauryn competed on the Long Jump and gained valuable experience.

Aoileann and Aoishe ran the 600m and finished in the top half of over 80 athletes with runs just over 2mins 12 seconds.

Aine Quilter finished in 10th place in the shot putt and 6th in the High Jump in very competitive events.

The u12 relay 4x200m of Elizabeth, Aoileann, Aoishe Aine, Saoirse & Lauryn ran a very credible 2:16 and finished 12th out of 30 teams.

Finally Saoirse Carey who had placed an excellent 10th place in the shot putt in the morning with a great 7.01cm throw ended the day running 3rd in her heat in a time of 2 mins & 2 sec in the 600m to top off a great day's activities. In the Evening our 3k runners came in on the hunt for medals.

Yvonne Barrett competed in the u20 race and finished in 2nd place. Then James Dillon went one better and won gold in the senior 3k race. Well done to both these dedicated athletes that all the young crew look up to.

Day 2 in Nenagh we Adam o'Connell U14 Munster indoors stepping up to a new weight in the shot putt. Finished sixth overall, 60 cm off qualifying for the nationals

These are extremely competitive and busy days for these age groups and great credit is due to all athletes who participate, gain invaluable experience but most of all, have a lot of fun on the way.

## BEALE GAA

Goals were the order of the day when Beale seniors secured a comprehensive win over Ballydonoghue in the final round of the North Kerry League, Division 1A, on Saturday evening in Páirc de Staic. Three first half goals set us up for victory, and we ended the game with 6 points to spare over our near neighbours, 3.11 to 0.14. With 2 wins from our 4 games, we await outcome other matches for table placings.

We now focus our attention on the County League. Contesting Division 4 again this year, we will be pulling out all the stops to climb the divisional ladder. We finished just outside the promotion zone last year and the team and management haven't missed a beat since. We host Cordal in Páirc de Staic in the opening round on Sunday at 2 o'clock.

A busy number of months ahead, as we travel to Brosna at the end of March and host Skellig Rangers in Páirc de Staic on Easter weekend. Our final round game will be at the beginning of July against St. Michael's-Foilmore - loads of action before then! Full match schedule is posted on social media. Other teams

in Division 4 are Sneem/Derrynane, Moyvane, Reenard, Cromane, Waterville, Dr. Crokes B, Piarasigh Na Dromoda.

The draw had also taken place for the County Junior Club Championship. We contest Group 3, with our first game against Lispolo and our other game against Cromane. Dates to be confirmed.

Beale minor ladies travelled to Abbeydorney for Round 1 of the County League on Sunday. The home team were much stronger, but our girls gave a great account of themselves. Our minor lads host Cordal in the postponed semi-final of the County Club Cup, Group E, on Saturday at 12 noon, in Páirc de Staic.

The lads then get the North Kerry League, Division 1, underway on Monday, April 6th, when we host Northern Gaels at 6.30 in Páirc de Staic. The following week we travel to Finuge and then host Emmetts on April 20th. Our final round game will be against Ballyduff at the end of April in Páirc de Staic. Our junior team contests the league in early June. Best of luck to Odhran Buckley in training with the Kerry minors.

## MEANING OF LIFE

*"World leaders need to come together; heads of state need to come together; our political leaders need to come together and deal with the world's problems..."*

I was listening to a T.D. speaking about the current global turmoil and his "solution" to it all.

It got me thinking. There wasn't a mention of the only One who can bring order to the entire chaos.

Scripture repeatedly affirms that God is in absolute control of 100% of creation, directing history, nature and human steps according to His purpose.

Look at Psalm 99:1-3; *"The Lord reigns, let the nations tremble; He sits enthroned between the Cherubim, let the Earth shake, great is the Lord in Zion; He is exalted over all the nations."*

How about Daniel 4:35. *"He (God) does as He pleases with the powers of Heaven and the peoples of Earth."*

Despite what we think, the Word of God says that: *"...peoples' lives are not their own; it is not for them to direct their steps."* Jeremiah 10:23.

*"...for dominion belongs to the Lord and He rules over the nations."* Psalm 22:28

*"...He is before all things and in Him all things hold together."* Colossians 1:17

I'm so happy that God is sovereign because He is a good, wise, trustworthy and loving Father. It means that His ultimate and eternal plan for the world cannot be stopped, hindered or derailed by

evil people. As believers we have the assurance that His better, ultimate plan will prevail, and His Word provides security, purpose and hope for all who trust in Him. He tells us repeatedly: *"Do not be afraid; do not be discouraged for the Lord your God will be with you wherever you go."* Joshua 1:9

He tells us... *"...turn to Me and be saved, all you ends of the earth."* Isaiah 45. I love His promise to us in Psalm 91:16 *"Because you love Me" says the Lord, "I will rescue you. I will protect you, for you acknowledge My Name. You will call upon Me and I will answer you; I will be with you in trouble, I will deliver you and honour you."*

Really, why would I look to anyone else? As Proverbs 19:21 reminds me: *"Many are the plans in a person's heart but it is the Lord's purpose that prevails."*

The One, True and Living God is the One to whom we must turn. He is the Sovereign, all knowing, all wise, all-powerful Creator of Heaven and Earth. Nothing takes Him by surprise. We can trust Him completely because He has proven His love for us by sending His One and Only Son into the world to die for us. It's not burying our head in the sand and ignoring all that's going on. Rather it's seeing reality against the backdrop of God's sovereign power, grace and love. Our lives and our times are in God's Hand.
