So professional and great at what they do. I sold my house and the process from beginning to end was seamless. Nothing you ask is too much for Paul or Norma and they always come back so fast. An absolute pleasure to deal with and I would recommend them without doubt. Thank you Paul & Norma for all your help, support and most importantly getting me a great deal on the house sale.

LISTOWEL TIDY TOWNS CRY FOR HELP

Yes, its that time of the year and once again the Tidy Towns local and national competitions are up and running, with judging for the national competition already started. The Listowel Tidy Towns are making an extra special appeal for more help from the community

Listowel Tidy Towns is a community group working for and with the community. The group was founded in 1993 when a group of concerned individuals got together with the aim of working with the whole community to present Listowel to its highest potential. It was set up in response to the need for improvements in the town. It has helped transform what was a small marketing town in north Kerry into a little gem in the Kingdom of Kerry and has been put on the map not just in Ireland but across many European countries.

If Listowel is to maintain the high standard it has worked so hard to achieve it needs the full support and involvement of the whole community.

Jackie (PRO) says "In order for the work of the Listowel Tidy Towns Group to continue we need more than words of praise and encouragement. We need more hands on deck."

The committee are urging locals, residents, and business owners to be extra vigilant by managing litter, keeping footpaths clear and maintaining the appearance of premises. Remember the judges take into consideration everything that's visible to the public eye including our back alleys and our approach roads.

The group would like to acknowledge the ongoing work of KCC, scheme workers, our local businesses, our schools and community groups and of course our sponsors for their continued support down through the years.

It's sad to say, the future of Listowel Tidy Towns is now very much in jeopardy and is solely in your hands. While the work of Tidy Towns is never plain sailing, it is also very much a social outlet where many strong friendships have been made down through the years. The people of Listowel have been bought into the theme of "Tidy Towns" and hopefully this theme will continue into the future.

Listowel Tidy Towns need you.

You can keep up to date with the happenings of the group by checking out the Listowel Tidy Towns Facebook page or for further information ring Mary on 087 627 0033

CAROLINE'S DÓTERRA ESSENTIAL OILS

WELLNESS WITH CAROLINE HORGAN

Building Your Natural Wellness Cupboard

As we welcome July and settle into the rhythm of summer, I've been reflecting on something I often talk about with families who are starting their dÓTERRA journey — creating what I like to call a **Natural Wellness Cupboard**.

Just as we keep everyday essentials in our kitchen cupboards, I love having a collection of oils and wellness products at hand to support my family when life's little ailments and challenges arise. Over the past few years, having these natural supports readily available has given me confidence and peace of mind, whether it's supporting a cough or cold, easing a troublesome tummy, helping someone relax before bed, or simply giving an energy boost when needed.

Beyond the Foundations

The ten foundation oils found in the Family Essentials Kit and Home Essentials Kit form the backbone of my wellness cupboard, but there are also a few additional products that have earned a permanent place on the shelf.

One of these is **TriEase Softgels**, which many people turn to during the summer months when seasonal allergies are at their peak. Combining essential oils in a convenient capsule, they can be a wonderful support for those who experience pollen-related discomfort and are looking to enjoy the season more comfortably.

Another favourite of mine is **Adaptive**, which supports emotional wellbeing during busy or demanding periods. Summer can be a wonderful time of year, but it can also bring changes to routine, travel plans, family commitments, and busy households. Adaptive is one product I often recommend when people are looking for a little extra support in staying calm, focused, and resilient.

Simple Supports for Everyday Life

One of the reasons I love essential oils so much is their versatility. A drop of **Lemon** in water encourages hydration and adds a refreshing flavour. **Peppermint** is wonderful for focus, digestion, and a natural energy lift. **Lavender** remains one of the most versatile oils for relaxation, skin support, and creating a peaceful bedtime routine. **On Guard** is a staple in many homes for everyday immune support, while **Zengest** is often the first thing reached for when digestive discomfort strikes. Having these products readily available means you're not scrambling to find support when you need it — it's already there in your wellness cupboard.

Caroline's Top Tip – Consistency is Key

One thing I always remind people is that wellness products work best when they become part of your daily routine. The oils and supplements aren't magic, but they do work. Like drinking water, exercising, or getting enough sleep, consistency is where the benefits are found. Small daily habits repeated over time can have a powerful impact on overall wellbeing.

Support Every Step of the Way

One of the things I enjoy most is helping people build their own natural wellness cupboard and giving them the confidence to use their products correctly. Whether you're interested in essential oils, supplements such as TriEase, VMG+ or Lifelong Vitality, or simply want to learn more about creating a natural wellness routine for yourself and your family, I'm always happy to help. I'm delighted to see more and more families across North Kerry, West Limerick, and beyond embracing natural wellness and discovering how simple changes can make a real difference.

Thought for the Week

"Wellness isn't about having all the answers — it's about having the right tools and knowing how to use them when you need them."

And if you've been thinking about starting your own dÓTERRA journey, remember it's easy to open your own account through Wellness with Caroline Horgan. With access to wholesale pricing, ongoing support, education, and guidance, it's a simple and affordable way to begin building your own Natural Wellness Cupboard at home.

VITAL RURAL HOUSING PLANNING CHANGES FOR KERRY - SENATOR MIKE KENNELLY

Fine Gael Senator Mike Kennelly has said new changes to support one-off rural houses in rural and Gaeltacht areas will support young people and families build in Kerry.

Senator Mike Kennelly said these changes are the biggest overhaul of rural housing rules for two decades, representing a fundamental shift away from overly rigid and restrictive planning practices that have held rural communities back.

"Today's announcement marks a new chapter for people who want to live in rural Kerry. This is a vital intervention by Fine Gael. "We are restoring fairness and common sense to the planning system, giving local families, young people and returning emigrants a real opportunity to put down roots in the places they know and love. By providing greater clarity, consistency and flexibility – while continuing to protect our unique landscapes and ensure proper planning – these landmark guidelines will help sustain vibrant rural and Gaeltacht communities for generations to come.

"Fine Gael and Minister John Cummins are removing barriers that have caused frustration for too long and introducing common-sense measures that put people ahead of red tape. "

"We want people from rural areas, which will now include villages and towns with a population of below 1500 population, to have the opportunity and flexibility to be able to live in the communities that they have always called home. These new changes will support people to construct one off-homes in the rural area they are from, even if they have a current house in a town or city. They will enable those who have an economic or social need to live in a rural location, including returning emigrants, to build a home - subject to meeting normal planning considerations," Senator Mike Kennelly said.

There are two main ways to qualify, where a person looking to build a new single rural house can show either a social or economic need. The draft National Planning Statement outlines the standard rule in a rural area will be that you have lived in that area for seven or more years at any point in your life and you can build up to 10km from your current home.

Stricter social need criteria may apply in areas under the most development pressure from nearby cities. In city metropolitan areas, a person must have lived within 3km of the site for up to ten years. This is to stop rural areas turning into commuter suburbs. In certain high-amenity areas, a person must have lived within 5km of the site for up to ten years. This is to prevent encroachment on desirable scenic areas which are prone to holiday home use.

In Gaeltacht areas, the person must live within 3km of the site and must have lived there for ten years. However, this can be relaxed to five years for people who speak Irish and can show a local need. This is to help protect and support the Irish language in these areas. The changes for Gaeltacht areas were put forward by the Department of Rural and Community Development and the Gaeltacht.

To qualify under economic need, a person will have to demonstrate that their main job depends on living in a rural area (remote working will not count) and they need to live close to their workplace. This includes jobs like farming, equine, forestry, working in essential services such as teaching in local schools, or people starting or running a rural business.

Senator Kennelly added: "Local Authorities will no longer be allowed place a blanket ban on infill, backland or ribbon development.

"And in exceptional circumstances, an applicant can rightsize, meaning they may be able to build a second appropriately sized one-off rural home in close proximity to their main house. We recognise that people have to change their housing needs following a medical event and we want support people where appropriate with their housing need."

Between 4,000 and 5,000 one-off rural homes are built in Ireland every year, and the Government expects with these changes, that number is set to increase.

SAN RITA WELLNESS

Welcome to San Rita Wellness weekly column...We hope you are all sitting comfortably reading our weekly wellness column.

Let's not blame certain events for our eating mishaps.

What do you think is the significance of a lifebuoy ring?

This is a very important life saving piece of equipment and is vital for survival. In other words "Good to have and bad to want". We all need this in one shape or form to keep us afloat on our Weight loss and Wellness journey.

S. O. S.

Sometimes we may all feel a little out of our depth and find ourselves in a little bit of difficulty for various reasons. There could be some dangerous currents or riptides that drag us in the wrong direction. So lets stop and access the reasons why this can happen.

- Unhelpful habits that we developed over time.
- Not as many events on the calendar which can diminish our motivation.
- Putting ourselves at the bottom of the list.
- Trying to adjust to a new routine.
- Going through different stages of Menopause.

We can all associate ourselves with one or more of the above.

We understand that if you are not in the right frame of mind and feel you are struggling to continue, that is when you really need to reach out and grab the lifebuoy ring to keep you afloat and bring you back safely to the shoreline. The shoreline could be your "WHY" you started your weight loss and wellness journey in the first place.

HELP IS AT HAND

Our *San Rita Wellness* plan is your lifeline, but it is no use just bobbing along in the water, you must grab onto it and work with it in order to get the feeling of control and confidence back.

What we mean by this would be the following:

GOALS - Set mini goals, as they can take us from A to B rather than trying to go from A to Z, which can be unrealistic and leave us feeling like we are sinking.

- 4 weeks to the August Bank Holiday weekend , imagine 1lb to 2lb a week weight loss (WOW)
- Choose something from your wardrobe that's not quite fitting right just yet.
- Think about the difference it would make to make to the number on the scales.
- Would you look different?
- Would you feel different?

TRACKING - Are you more successful on the weeks you keep a track of your food and your calorie intake?

Why is that? Simple!!

- You are staying within your calorie allowance.
- You are mindful of the type of foods you are eating.
- You can recognise your trigger times.

ACTIVITY - Are you doing more or less than you did before?

- Try and add an extra 5 mins to your workout/walk
- Move like you are late for an appointment.
- Don't use the weather as an excuse not to be active.
- Wearing a pedometer or a fitbit watch helps you to be more mindful of your step count.

There maybe a time when it feels like you are paddling your own canoe, but remember San Rita Wellness are always here for you. If you feel you are in difficulty at any time, just send us an S.O.S. and we will answer your call. New members are always welcome to our weekly "In Person Meetings" in Listowel.

S.O.S does not mean " Sink or Swim "it means " Send out Signal"

NB - Our weekly " In Person Meetings " take place in the Kerry Writers Museum, The Square, Listowel every Wednesday from 10am to 11am and 6pm to 7pm

A Sheepdog Named Oscar

By Dara Waldron

Love and Companionship in Rural Ireland

After the sudden death of his father, Dara Waldron became disoriented in a world that had once filled him with wonder. A year later, he meets an abandoned border collie called Oscar hiding on a derelict farm in County Clare. When Dara brings him home, he believes he's committing an act of rescue.

Oscar's submissive behaviour hints at a difficult upbringing and, determined to earn his trust, Dara cares for him, walks with him and learns all he can about one of Ireland's most beloved working breeds. As their unexpected companionship brings comfort to their troubled lives, Dara realises that Oscar might be the one doing the rescuing.

Set against the beauty of rural Ireland, *A Sheepdog Named Oscar* is a moving memoir about grief, healing and the incredible bond between humans and dogs. Beautifully written and rich with Waldron's experience, Dara blends nature writing with a deeply personal story of recovery, revealing how small acts of loyalty can lead us back from darkness into life.

'This book will do great good, and bring light to many lives' Donal Ryan, author of *The Spinning Heart*

BALLYLONGFORD

LISLAUGHTIN ABBEY

As we look forward to our Annual Outdoor Mass at Lislaughtin Abbey on Friday, August 7th at 7.00pm (weather permitting), we are asking for your help in preparing the cemetery for this special evening of remembrance and prayer.

If you have family or loved ones buried at Lislaughtin Abbey, we would greatly appreciate it if you could take some time to visit their graves and carry out a little tidying. Whether it's cutting grass, strimming around headstones, pulling a few weeds, or simply giving the area a general clean-up, every effort helps.

We would also ask that you keep an eye out for our "Yellow Ribbon" graves. These graves may not receive regular visitors, so if you can spare a few extra minutes to tidy one of these plots, it would be a wonderful gesture of kindness and respect.

Any grass cuttings, weeds, or other garden waste can be left in a bag on the grave. If no bag is available, please leave the material in a neat pile at the corner of the grave and we will arrange for its collection and disposal.

A heartfelt thank you to everyone who gives their time and effort to caring for Lislaughtin Abbey Cemetery. Your work helps preserve a peaceful, respectful, and well-maintained resting place for all those who are buried there, and it is very much appreciated by families and visitors alike. We look forward to seeing you at the Mass.

New volunteers are always welcome to join on Tuesday evenings, and we thank everyone for their ongoing support.

DIARMUID O'SULLIVAN OPTOMETRIST

WHAT IS GLAUCOMA?

Glaucoma is the name given to a group of eye conditions where the optic nerve at the back of the eye is damaged. It is often linked with raised pressure within the eye, although the eye pressure can sometimes be normal.

When the nerve is damaged, it can start to cause problems with the peripheral vision (side vision) and, if left untreated, can cause permanent damage. With early treatment, further damage to vision can be prevented.

Glaucoma may not have symptoms and this is why it is very important to have regular sight tests.

Risk factors

Age is the biggest risk factor for glaucoma. However, your risk also increases if you have family members with glaucoma.

Symptoms

The danger with open-angle or chronic glaucoma (slow onset) is that, in the early stages, your eyesight may seem perfectly normal. There is no pain, but your peripheral vision (side vision) is being damaged.

Eventually your central vision can be affected. This can be described as tunnel vision because it feels like looking down a long tube. It's important to have regular sight tests as open-angle glaucoma often does not have symptoms.

TREATMENT

Open-angle glaucoma is usually treated with eye drops which reduce the pressure in the eye. You will need to use these daily.

Occasionally people with open-angle glaucoma need surgery to control the pressure.

BALLYDUFF GAA

U12 football:

What a journey it has been for our young U12 footballers in Division 1 of the County League. Victories over Austin Stacks, Killcummin, Fossa, Legion and, most recently, Laune Rangers last Sunday secured the Division 1 title in fantastic fashion. Every player has developed and improved throughout the campaign, with their heart, determination and commitment shining through in every game. From trips to Tralee, Killarney and Killorglin to memorable performances on our home pitch in Ballyduff, this group has represented the club with pride.

It was wonderful to see our U20 county players, Evan Boyle and John Curtin, join the celebrations as they came out to congratulate our talented footballers during the victory parade through Ballyduff on the Sunday evening. Congratulations to all involved in this tremendous achievement. A sincere thank you to the parents who travelled to Killorglin in support of the team and to everyone who joined the celebrations in Ballyduff.

ALL-IRELAND HURLING FÉILE PLATE CHAMPIONS

What a fantastic achievement for our Féile hurlers who claimed the All-Ireland Féile Plate title on Saturday June 20th with a superb victory on a scoreline of 1 - 8 to 0 - 3. The players showed incredible skill, determination, teamwork and heart throughout the competition and fully deserved their success. They have done themselves, their families, coaches and our club immensely proud.

A huge congratulations to all the players and management on this outstanding achievement. The hard work, dedication and commitment shown throughout the year has been rewarded in the best way possible.

Football Féile Journey Comes to an End - A Team to Be Proud Of

On Sunday evening in Ennis, our Football Féile journey came to an end - and what a journey it has been.

From Ballyduff on 19th April, to Caherslee on 3rd May, and finally Ennis last weekend, every single player represented the club with tremendous pride, determination and commitment. Having qualified for the Division 3 Regional Féile before being moved up to Division 2, our boys embraced every challenge that came their way.

On Saturday in Ennis, we were drawn in a tough group alongside Western Gaels (Clare) and St. Michael's (Cork), with the top two teams progressing to the Cup semi-finals.

Our opening game against Western Gaels was a fiercely contested battle. Despite several decisions going against them, our boys kept their composure and never lost belief. It all came down to the final play, when a huge free-kick from outside the large arc sailed over the bar to secure victory by the narrowest of margins - a win rescued from the jaws of defeat.

Following that dramatic victory, the boys regrouped and prepared for their second group game against St. Michael's. The Cork side proved to be an exceptionally strong outfit, defending tenaciously throughout. They deservedly claimed the win and went on to top the group.

The defeat dented our boys' confidence, but credit must go to the management team, whose encouragement, belief and experience helped lift the players ahead of their Cup semi-final against the Division 2 Kerry champions, John Mitchell's.

The Kerry derby was everything you would expect - a massive battle from start to finish. Great leadership, determination and a never-say-die attitude saw the North Kerry club edge out their town neighbours and book a place in the final.

Waiting in the final were St. Michael's once again. Our boys produced a much-improved performance and battled bravely from the first whistle to the last. Unfortunately, the result went the way of the Cork side for a second time, but our lads left the field with their heads held high and their shields intact, applauded by a fantastic Kerry support.

A huge thank you to everyone who travelled to support the team on the day, and

to the wider community for the incredible encouragement and support shown throughout our Féile journey over the past number of weeks. We are immensely proud of these young players - not only for how they performed on the field, but also for the character, sportsmanship and teamwork they displayed throughout the competition.

Finally, a special word of thanks to our management team of Mike, Ger, Aidan and Seán. Their dedication, hard work and commitment to these boys has been outstanding, and this memorable Féile journey would not have been possible without them.

Well done, boys. You have done Ballyduff proud.

SENIOR HURLING

Ballyduff played Lixnaw in Round 1 of the Garvey's Supervalu 2026 County Senior Hurling Championship at Austin Stack Park on Sunday last. In a game that was dominated by Lixnaw, and they led by eight points at one stage in the second half, it looked like Ballyduff were staring defeat in their opening game in the Championship. However, Ballyduff dug deep in the closing minutes, and a Luke Rochford goal turned the tide in the "Duffers" favour. They outplayed their opponents to grab a one point victory over the recently crowned County Senior League champions on a scoreline of 1 - 18 to 1 - 17. With a game against St. Brendans on this coming Sunday a win or a draw would see them into the next round.

BALLYDUFF: Darragh Quinlan; Jake Segal, Paud Costello, Kyle O'Connor; Dylan Moriarty, Darragh Slattery, Daniel O'Carroll; Kevin Goulding (0 - 1), Eoin Ross; Adam Segal (0 - 2), Jack Goulding (0 - 1), Aidan O'Connor (0 - 1); Luke Rochford (1 - 1), Pdraig Boyle (0 - 11), Dylan Costello.

SUBS: John Curtin (0 - 1) for D O'Carroll; Kieran O'Carroll for D Moriarty.

Emmets Ladies Seniors v Kerins O Rahillys County League Round 8 - Thursday 25 June Ballyrickard

The Senior Ladies took on table-toppers Kerins O'Rahillys on Thursday evening. The game started tightly, with Kerins O'Rahillys opening the scoring with two points, before Laura Foley and Emma Cotter responded well at the other end to keep Listowel in touch. However, Rahillys began to gain control around the middle, particularly from kickouts, and were rewarded with two well-taken goals and several points after strong fielding and pressure in that area. Listowel responded with a fine Emma Cotter goal, but Kerins O'Rahillys struck again shortly after, converting a penalty to extend their lead. There was plenty of hard work around the middle third, with Ciona Pierce, Zara O'Doherty, Rebecca Stapleton and Leah Henry all getting through a lot of possession and breaking ball. As Listowel trailed into the second half, they struggled to cope with Rahillys' strong running and accurate kick-passing into their forward line. Despite this, they continued to work hard, with Nora Keane standing out in defence. Points in the second half came from Leah Henry, Emma Cotter and Zara O'Doherty, but Listowel were unable to fully close the gap, despite their efforts. A special mention to Becky Mason, who stepped in to play in goals in the absence of regular keepers Taylor Lynch and Niamh Mulvihill. A warm welcome back also to Leah Henry and Trina Kennedy, both valuable additions to the panel. Overall, it was a difficult evening for the Senior Ladies against a well drilled Tralee side, but with several key players missing there were positives to take and plenty to work on ahead of championship.

Final score: Kerins O'Rahillys 3-18 Listowel 1-9

Emmets Ladies Seniors v Austin Stacks County League Round 9

The final round of the County League, saw our Senior Ladies travel to Austin Stacks in Connolly Park. A depleted squad certainly didn't help matters, but the 18 players who took to the field gave absolutely everything and left it all out there. Playing three games in eight days also took its toll, but the effort, commitment and determination shown by every player made us proud. Taylor was outstanding in goals. The backs were immense under constant pressure and dealt bravely with long spells of attack. In midfield, we covered every blade of grass, while the forwards found their rhythm, particularly during a gallant second-half performance especially Éire O'Hanlon hitting over 3 points. There were excellent performances all over the pitch, but Emma Browne stood out in defence with countless blocks, turnovers and her trademark relentless aggression.

At the beginning of the league, a third-place finish in a group of ten would have been considered a great achievement. However, the standards within this group have risen so much that disappointment is the lasting feeling after coming so close to a promotion to Division 2. A huge thank you to every player who toggled out throughout the campaign, with 28 players representing the

club over the course of the league. Thanks also to our loyal supporters and management team for their continued commitment and encouragement.

All roads now lead to the Championship in mid-August, where the club will proudly field two Senior teams – a magnificent achievement and a testament to the progress being made at Emmets Ladies Listowel

Finally, we wish Kerry Senior Ladies the best of luck against Meath this weekend and hope as many as possible will come out to support them. Kerry Abu

FINUGE GAA

FINUGE 500: Congratulations to our May €500 winner Denis Woods and our Munster Hurling tickets winner Roisin Corridan. Entry tickets for each month are available at McCarthy's Bar Finuge, Foleys Your Stop Shop Lixnaw, Stacks Londis Lixnaw, JJ Walsh Bar & Butchers Lixnaw, Gibbons Filling Station Lixnaw and the Post Office Lixnaw. Tickets also available online at www.finugegaa.com or from any club officer. Some really great bonus prizes are coming in the months ahead - All Ireland football tickets for July and passes for Listowel Races September meeting will be won in August!

SENIOR: Last round of the county league is being played this weekend with the team away to Kilgarvan on Sunday at 2pm. Promotion is now off the table but preparation for the county club championship is now on the horizon. Main senior team sponsor Buckley Agri of Listowel are on board again this year as principal sponsor and we are delighted to have such a prestigious business involved with our senior team. Cronins Cider are also sponsoring the team and recently helped provide training gear. Competition sponsor is McCarthy Insurance Group - MIG.ie

JUNIOR: Well done to our Junior team who got their North Kerry league off to a winner with a win over Knockanure - final score, Finuge 4-14; Knockanure 2-07. The second round game last Thursday against Ballydonoghue saw a minimal one point loss.

MINOR: County club championship final against Beaufort was played Monday 22nd of June in Caherslee. Not to be on the night for our young minor team who came up against a stronger and older Beaufort side. The boys battled hard throughout but the opposition were stronger in the heat. At halftime the score stood at Beaufort 2-11; Finuge 0-06 which created a margin that our lads could not recover. Hard luck to the team & management but well done on your effort.

The minor county league gets going this Monday 29th of June when the team travel to play Dromid/Waterville. The team will also play An Ghaeltacht and Glenflesk in their group.

U17: Our U17 Super 10 team were in finals action Monday 15th of June on what turned into a Super Monday for them. First up was a semifinal appearance against Keel and a comprehensive win on the scoreline of Finuge 3-13; Keel 3-03. This qualified the boys for the final against old friends Listowel Emmets in what was a much tighter affair. Final score - Finuge 1-03; Listowel 0-03. Captain Callum O'Sullivan happily collected the winning trophy for the team in what was a great nights work. Well done to the team and management over the three weeks of this competition.

U16: The county league got going last Thursday 18th of June against Laune Rangers away which saw a fantastic start with a fine win on the road - Finuge 5-11; Laune Rangers 2-10. Heavy rain before the game made ball work tricky but both teams took no notice. This win was built on a commanding and controlled first half against the wind which saw a healthy halftime lead. Laune Rangers came more into it in the second half but our lads responded to each score with one of their own. Captain on the night was Daithi Laide fresh from his impressive Kerry minor campaign. Last weeks game against An Ghaeltacht did not go ahead due to the heat and thunder warning and is likely to be played after all rounds are completed. This week the team travel to play Castleisland Desmonds on Thursday evening.

U14: The boys are involved in the North Kerry U14 development league the past few weeks which is running parallel with the county championship - last game in the series was last Thursday night week.

ACADAMEY: Our youngest members are in full summer action and having an absolute ball! Training for U6, U8, U10 is on Sunday mornings. Please feel free to contact us through social media or any club officer if you have a boy or girl in these ages that would like to try out Gaelic Football.

U12: Well done to our U12s on a great performance against Scartaglin. Teamwork, kick passing, score taking, defending and winning primary possession were excellent. Best team performance to date. Thank you to Lixnaw for use of the pitch. The team play next in Cromane - best of luck to all involved.

U10: Well done to our U10 boys on a fantastic performance this evening against Duagh. That was your best team performance of the year so far. The effort, teamwork, skill and determination shown by everyone was outstanding from start to finish. Every player played their part, worked hard for each other and showed how much you have improved. Keep training hard and enjoying your football. A special thank you to Daithi Laide and Jamie Breen for helping the lads with their warm-up, offering words of encouragement after the game, and doing a great job refereeing the matches. The team await details of the next phase.

U8: Well done to our mighty U8s who played brilliantly in the sunshine in Duagh on Friday evening week. Great skill and teamwork on show - the team are improving every week. Keep up the practice at home. Thank you to Duagh or hosting.

CLUB MEMBERSHIP: Its that time of the year again and club membership is open to all those wishing to join. DISTRICT U14: Well done to our three representatives on the North Kerry U14 county championship team who secured a win against East Kerry two weeks ago and a loss to Mid Kerry last week. Aaron Collins, Eoghan Óg Galvin and Robbie Breen are playing big parts on this team and we wish them every success.

KERRY NORTH: Well done to Joe Joy on another great day out for the Kerry North U15's who were in action against Laois in Rathdowney. Joe worked his magic once again and bagged 3-03 for himself from the centre forward position. It's always a proud day for the club when one of our own pull on the green & gold of Kerry and on Saturday we had another three young men line out for the Kingdom. Aaron Collins, Robbie Breen and Eoghan Óg Galvin lined out together for the Kerry North U14 team against Laois in Portlaoise. Well done boys on your Kerry development work, keep it going.

CÚL CAMPS: Its that time of the year again to book your Finuge Cúl Camp places. This year the camp takes place the last week of July from the 27th - 31st. A fantastic week of fun and activity as always, so don't miss out and book today!

LIXNAW SENIORS: Best of luck to the Lixnaw senior hurlers for the county championship.

KERRY SENIORS: Its been a rollercoaster of a season so far which saw the team put in a fantastic display against Armagh last Saturday week in Killarney which was followed by another dramatic game with Tyrone. The big games keep coming thick and fast, with old enemy Dublin now on the horizon in the All Ireland semifinal on Sunday 12th of July. This will be a sellout so grab any ticket you can soon as they are available!

KERRY PITCH AND PUTT

Last Saturday was a fairly busy one both locally and outside of the county as well as off the course. Firstly, the Munster U16 Matchplay event saw Kerry representation in the latter stages of all three events as Listowel's Shona Griffin would reach the final of the Girls event.

She had defeated her club-mate Mary Walsh in the semi-finals before losing out to Tipperary's Sarah Ryan in the decider. The Boys Championship event meanwhile saw Deerpark duo Fionn McMonagle and Aodhan O'Halloran reach the semi-finals before losing out to Fermoy duo Cillian Corcoran and Conor Ronan respectively with Ronan winning the event overall afterwards.

The Boys Plate event meanwhile would see Sean Keane of Listowel make that final but he was defeated in the decider by Crosshaven's Harry Duggan. The U16 action switches to a local setting this weekend with the County Strokeplay taking place in Listowel on Saturday morning. Saturday also saw Deerpark's Connie O'Sullivan Jr finish fifth in the National O55 Intermediate Strokeplay Championship in Rochfortbridge in Westmeath with a score of five under par, five shots off the winning score of 10 under par on the day.

Closer to home Castleisland held their Scratch Cup events last Saturday, this being a significant staging for the club coming as it does in their 60th Anniversary Year. Their Senior event- now named the Pat Mitchell Memorial Scratch Cup- saw Aidan O'Connor from the host club triumph with a score of 17 under par, one ahead of club-mate James Dignan with Michael Conway of Tralee shooting -15 in third and John McGrath of Deerpark fourth on 14 under. The Intermediate event meanwhile saw a three way tie on eight under par between Listowel's Ger Guerin, Tralee's John O'Regan and Deerpark's Gearóid Cronin with Guerin winning on countback ahead of both O'Regan and Cronin.

The Junior event for the Lorna Looney-Brosnan Cup was won by Bernard Tangney from the host club with a terrific score of 12 under par, five ahead of club-mate John Clifton on seven under with Barry Kavanagh from the Ranges in Cork finishing third on five under par. The Ladies Gross prize was won by Deerpark's Eileen McCarthy with +2 as Andrea Stanalev of the host club was the winner of the Ladies Nett on 87. Also last Saturday night our 'Songo' fundraiser took place in Tralee and it proved to be massive success in raising funds for our Inter-County teams as we thank both Catriona and Lisa O'Connor for their efforts in organising the night itself.

This Sunday is a big one as the Munster Adult Strokeplay Qualifiers will take place in Castleisland with spots in the Finals in Deerpark on the weekend of July 19th on offer. The County Board will finalise details of the timesheet nearer the weekend but our best wishes to all involved with a reminder that the event is a dress code competition.

Finally, the County Board would like to offer its sympathies to Deerpark's James Foley on the death of his mother Eileen in the past week. May she Rest in Peace.
