LISTOWEL FOOD FAIR WELCOMES AWARD WINNING CHEF TJ O'CONNOR

AWARD WINNING KERRY CHEF TJ O'CONNOR TAKES TO THE STAGE AT FORTHCOMING LISTOWEL FOOD FAIR

Listowel Food Fair is delighted to welcome Award Winning Chef TJ O'Connor to the 'Cooking Demonstration' event on Saturday 7th November 2026 at 3pm at the Listowel Arms Hotel. TJ O'Connor is an Award Winning Chef, Senior Lecturer and Head of Section in the Department of Hotel, Culinary Arts and Tourism at Munster Technological University (MTU), primarily based at the Kerry Campus in Tralee.

With over two decades of experience at the institution (dating back to 2001), TJ O'Connor is a leading voice in Irish hospitality education, culinary arts apprenticeships, and regional industry advocacy. TJ O'Connor heavily champions "earn and learn" degree models, coordinating work placement partnerships, the BA in Hotel Management, and advanced culinary progression tracks like the Chef De Partie Apprenticeship.

TJ O'Connor frequently advocates on public platforms and local media regarding Ireland's hospitality staffing crises. Notably, he has publicly urged the Irish government to include hospitality roles on the critical skills occupations list to combat chef shortages. Alongside fellow tutors, he helps run the 'Kookability' initiative at MTU Kerry in partnership with Down Syndrome Kerry, focusing on training, independence, and culinary employment skills for individuals with Down Syndrome.

In May 2024, TJ O'Connor received the prestigious 'Outstanding Achievement Accolade' at the Irish Restaurant Awards for his lifelong contribution to the Irish hospitality sector.

Welcoming TJ O'Connor to the festival line up Jimmy Deenihan said:

"TJ O'Connor has amassed considerable experience and culinary skills both nationally and internationally since he graduated from MTU back in 1987. He has been a vocal supporter of the use of locally produced food by the hospitality sector over the years. During my time as Chairperson of the Governing Body of MTU from 2021 to 2026 I witnessed firsthand the commitment and dedication that TJ has given to the University and his students."

Tickets for the 'Cooking Demonstration' at the Listowel Arms Hotel on Saturday 7th November 2026 include both events, with Celebrity Chef Rory O'Connell at 2pm, followed by the popular Award Winning Kerry Chef TJ O'Connor at 3pm.

Tickets for the 'Cooking Demonstration' can be purchased on EventBrite.ie and on the festival website - www.listowelfoodfair.ie

A Seanfhocal A Week

By Kian Lyons (Listowel Student)

"Aithníonn ciaróg ciaróg eile"

It's often that people of similar personalities or interests naturally find one another. We've all heard of the idiom "Birds of a feather flock together", and this week's seanfhocal conveys a similar meaning, but in a more interesting way! "Aithníonn ciaróg ciaróg eile" translates directly to "A beetle recognises another beetle". In other words, "It takes one to know one".

Whether it's a shared sense of humour, a common passion, or a shared outlook on life, these connections bring people together. Interestingly, this seanfhocal reminds us that we can sometimes recognise qualities in others that we see in ourselves. Perhaps it also allows us to notice our own qualities and appreciate them through somebody else.

Overall, I think this is quite a relatable seanfhocal. If we look deeper, we can often find common traits with family members and close friends. These shared qualities or interests are part of what connects people, and there's something interesting about that.

AONTÚ RATIFIES TWO CANDIDATES FOR KERRY LOCAL ELECTORAL AREAS

Aontú has ratified Leigh Fitzell of Ballylongford as its candidate for the Listowel Local Electoral Area and Catherina O'Sullivan of Killorglin as its candidate for the Kenmare Local Electoral Area, strengthening the party's presence across Kerry.

Both candidates were ratified following the party's selection process and approval by Aontú's Ard Chomhairle.

Leigh Fitzell's selection marks an important step forward for Aontú in the Listowel area. He is committed to listening to local people, representing their concerns and standing up for the issues that matter most to communities across North Kerry. His dedication and commitment will be invaluable as Aontú continues to build its presence in the area.

Catherina O'Sullivan brings valuable electoral experience, having contested both local and general elections. In the 2024 general election, she secured 1,437 first-preference votes in the Kerry constituency, with her total reaching 2,897 by the eleventh count following transfers. This strong result demonstrated her ability to attract support across the constituency. Her selection for the Kenmare Local Electoral Area builds on that experience and reflects her continued commitment to representing local communities.

Aontú believes effective public representation begins with listening to local people, understanding their concerns and working to deliver meaningful change. The party welcomes both candidates and looks forward to their contribution to the Local Electoral Areas of Listowel and Kenmare.

Getting Ready for November – A Little Autumn Wellness Check-In

And just like that, October is nearly over! As we prepare to turn the calendar to November, the evenings are darker, the mornings are cooler and we are spending more time indoors. It is a lovely opportunity to slow down a little, check in with ourselves and make sure we are giving our bodies and minds the care they deserve as we head towards winter.

At this time of year, I like to take a look at the simple things that make a difference to our everyday wellbeing. Are we drinking enough water? Are we eating nourishing meals, getting out for a walk and making time for rest? Are we allowing ourselves a little breathing space in what can be a very busy time of year?

We often put everyone else first, but looking after ourselves is just as important. A brisk walk in the fresh autumn air, a nourishing bowl of homemade soup, an early night or ten quiet minutes with a book can all be small but valuable ways to recharge.

I also like to prepare my **Natural Wellness Cupboard** for the season ahead. Essential oils are a lovely addition to our everyday routines, whether we are diffusing our favourite aromas at home or creating a calming evening ritual.

Lavender is one of my favourites for winding down in the evening, while **Wild Orange** brings a bright, cheerful aroma to the home. **Lemon** has a fresh, clean scent, and **On Guard** is another blend I like to have available as part of my seasonal wellness routine. I also keep oils such as Tea Tree, Peppermint and Frankincense in mind for their different uses, always following the directions and safety guidance for each product.

Of course, a wellness cupboard is about more than essential oils. It is about having the things that help us maintain healthy routines, from nourishing foods and plenty of water to our favourite self-care products.

If you are new to essential oils and wondering where to begin, the **Family Essentials Kit** and **Home Essentials Kit** are two options worth exploring. The Family Essentials Kit offers ten foundation oils and blends in 5 ml bottles, while the Home Essentials Kit provides the same selection in 15 ml bottles and includes a diffuser. I can help you decide which option might suit your home, explain how to use the products appropriately and support you as you get started. There is no need to change everything overnight. Start with a few simple habits, find what works for you and build from there.

Caroline's Top Tip

Before November begins, take ten minutes for an autumn wellness check-in. Look at the oils and products you already have, see what you are running low on and make a little plan for the weeks ahead. Then choose one small act of self-care to make part of your daily routine.

If you would like to explore dÓTERRA products, having your own account costs €25 per year and gives you access to wholesale pricing. The annual fee can be waived with a qualifying kit purchase. I am always happy to guide you through the options and help you build a Natural Wellness Cupboard that suits your family and your needs.

Thought for the Week

"You don't have to do everything to look after yourself. Sometimes the smallest daily habits are the ones that help us feel most supported."

As October draws to a close, let's welcome November with a little more intention. Nourish your body, make space for rest, get outside when you can and remember to care for your own wellbeing as lovingly as you care for everyone around you.

BLOOD, GUTS AND BLACK PUDDING

'BLOOD, GUTS AND BLACK PUDDING -IRELAND'S DYING ART OF BLOOD AS FOOD'
BY KATE RYAN IS WINNER OF THE '2026 LISTOWEL FOOD FAIR FOOD BOOK OF THE YEAR'

The Listowel Food Fair is set to host its 31st staging of the forthcoming festival in the North Kerry town of Listowel, famed for its literary geniuses, food production and culinary delights. An exciting full festival programme of events for all ages and appetites starts on Thursday 5th November and runs until Monday 9th November 2026.

The Listowel Food Fair is delighted to announce, 'Blood, Guts and Black Pudding -Ireland's Dying Art of Blood as Food' by Kate Ryan to be the recipient of the '2026 Listowel Food Fair Food Book of the Year'.

Speaking on behalf of the Listowel Food Fair Jimmy Deenihan said:

"In 2008 the Listowel Food Fair Committee decided to launch a Listowel Food Fair Food Book of the Year Award to mark the historic connection between Food & Literature in North Kerry. As the years have gone on, this award has evolved to become a much sought after and prestigious nationally recognised award among food writers across the country.

Cornucopia the now renowned Dublin Restaurant won the inaugural award for its colourful cookbook 'Cornucopia at Home'. Food influencer & bestselling author Sophie Morris won the 2012 Listowel Food Fair Food Book of the Year Award with her book – 'Sophie Kooks: Quick & Early Feelgood Food'.

Almost all of the most successful food writers in Ireland have received the Listowel Food Fair Food Book of the Year Award over the years. This year I am delighted that Kate Ryan is the recipient of the 2026 Listowel Food Fair Food Book of the Year Award for her book 'Blood, Guts and Black Pudding - Ireland's Dying Art of Blood as Food.' Kate's book is based on Ireland's dying art of blood and food which is a longstanding North Kerry tradition and will resonate with the older population in particular.

On behalf of the Listowel Food Fair, I would like to congratulate Kate Ryan, and we look forward to welcoming her to the forthcoming 2026 Listowel Food Fair."

Speaking about the adjudication process and the winner Jeremy Murphy of JM Agency Book Publishing said: "In selecting our '2026 Listowel Food Fair Food Book of the Year', our adjudication is guided by three core criteria: excellence in food writing and storytelling; depth, substance and a sense of purpose; and the connections between food, culture and community. Together, they reflect the spirit of the award, which has evolved over the years to celebrate not simply the best new food books, but works that make a lasting contribution to our understanding and appreciation of food. Kate Ryan's 'Blood, Guts and Black Pudding' excels across all three criteria.

We were particularly impressed by Kate's research and her ability to bring a fascinating, but often overlooked, aspect of Ireland's food heritage to life in such an engaging and accessible way. The book goes beyond the history of black pudding to explore the traditions, knowledge and craftsmanship that connect food with our cultural identity, and what we risk losing when those traditions disappear. Kate is a richly deserving winner, and we are delighted to recognise her achievement."

Speaking on the announcement of 'Blood, Guts and Black Pudding' as the 2026 Listowel Fair Food Book of the Year, Author Kate Ryan said: "I am so honoured to be named the recipient of Listowel Food Fair Book of the Year award, 2026, for Blood, Guts & Black Pudding – Ireland's Dying Art of Blood as Food. To be included in the roll call of past winners of this award, from Darina Allen and Ross Lewis to Mark Moriarty, is a wonderful accolade.

My book is not a book of recipes, of course, but rather a celebration of one of Ireland's oldest foods and foodways in utilising the blood of animals to make an ordinary, yet also extraordinary, food. It was always my hope with this book to rekindle a love so many people have of black and other blood puddings of Ireland, one that stokes precious memories of people, community, gathering and sharing around food.

I also wanted to restate the important role of women in the Irish food story; their resourcefulness, industry, and tradition of recipe that is fundamental to our shared heritage of black pudding making. I am so pleased the judges have recognised the importance of a book like this to Ireland's food identity and deem it worthy of such a prestigious award. Thank You!"

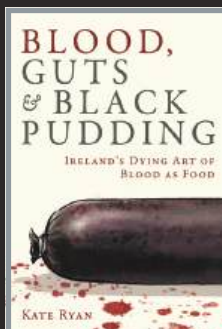

With something for all ages and appetites, this year's festival has so much to offer. To see the full programme see pages 15-17 or log on to www.listowelfoodfair.ie

The 2026 Listowel Food Fair is supported by Kinisla, Fáilte Ireland, Kerry County Council, Kerry Local Enterprise Office, FBD Insurance plc, Garvey's Super-Valu, John J Galvin & Son Ltd, Listowel Credit Union, Media365, Buckley Agri and Tipperary Crystal.

SAN RITA WELLNESS

Welcome to San Rita Wellness weekly column... We hope you are safe and well.

Today we are talking about soups. Soup is great this time of year, as it's hot, filling and biscuits don't go well with it. I am sure you will agree that there is nothing nicer than wrapping your hands around a hot mug of soup. You can either make a meal of it at lunchtime, have it between lunch and dinner to fill the gap or have it as a starter before dinner. Either way soup is a winner all round.

Nothing tastes as nice as your own homemade soup or for convenience you can buy it ready made. There is no big secret to making soup or you don't have to be Jamie Oliver, as anything and everything can go into it and it's a great way to use up your veg also.

ADD INS - Potato or pasta are great to bulk it up. You can also add in shredded leftover cooked chicken for more flavour. To make your soup creamy try adding in some 0% fat natural Greek yogurt.

STAPLES - It is always a good idea to keep your press stocked with stock cubes, tinned tomatoes and beans, herbs and seasonings like garlic and ginger.

GADGETS - Soup makers are ideal as they do all the work for you and your soup is ready to pour from it once ready. These are widely available at the moment in the shops. A flask is another handy gadget as you can bring it with you in the car or to work. And last but not least, we eat with our eyes so serve your soup in a nice attractive colourful bowl.

Let's go through the word **S O U P** and see how soups can help us.

- S - Soup can be homemade or ready made.
- S - Shopping, buy in fresh veg weekly or the soup mix in a bag.
- S - Secret, no secret as anything goes.
- S - Satisfying, low in calories, warm filling and healthy nutrition.
- S - Scales will smile at the end of the week.

- O - Opinion, we all have our own favourite types of soup.
- O - Options, as a meal, inbetween or a starter.
- O - Orange or green, yellow or cream.
- O - Optimistic, soup can prevent a bad day leading to a bad week.

Gift Grub & Me:

My Life in Comedy

By Mario Rosenstock

In this unfiltered, sharp-witted, and hugely entertaining memoir, Gift Grub's Mario Rosenstock invites listeners behind the microphone to explore the unique journey that made him one of Ireland's most distinctive comedic voices. From his formative years in rural Waterford to an unexpected and often serendipitous rise in entertainment, Mario traces the defining moments, risks, and instincts that have shaped his rollercoaster career.

With trademark hilarity and candour, he reveals the creative process behind his iconic impressions and reflects on the evolution of Irish satire over the decades. Along the way, readers are treated to vivid behind-the-scenes stories, hilarious and memorable encounters with well-known personalities - from Jose Mourinho to Roy Keane and Gay Byrne - and the many wonderful highs and lows of life in the public eye.

Blending laugh-out-loud moments with genuine introspection, Gift Grub & Me is more than a comedy memoir - it's a portrait of an artist driven by curiosity, resilience, and a keen ear for the absurd. Insightful, warm, and irresistibly funny, this is an essential read for fans and newcomers alike.

WHAT IS PRESBYOPIA?

Presbyopia is the normal loss of near focusing ability that occurs with age. Most people begin to notice the effects of presbyopia sometime after age 40, when they start having trouble seeing small print clearly.

Presbyopia is caused by an age-related process. This differs from astigmatism, myopia and hyperopia, which are related to the shape of the eyeball and are caused by genetic and environmental factors. Presbyopia generally is believed to stem from a gradual thickening and loss of flexibility of the natural lens inside your eye.

These age-related changes occur within the proteins in the lens, making the lens harder and less elastic over time. With less elasticity, this means the eye has a harder time focusing up close and we may have to hold material further away to see it clearly.

What is the treatment for presbyopia?
Presbyopia is a natural part of ageing and there is no cure for it. The solution is generally to wear glasses for reading.

Contact lenses are also available for presbyopia if you do not want to wear glasses.

Are there exercises I can do to stop needing reading glasses? Will I make my eyes worse by wearing glasses?
No. As presbyopia is caused by the lens stiffening, and not the muscles weakening. Wearing glasses will not make your eyes worse and there are no exercises that can help this.

However, you may notice that when you take your glasses off, things appear to be worse without them than before you had them. This is simply because you are noticing how clear and comfortable vision should be.

Before you had the glasses, you were unaware how blurry your vision really was because it changed slowly over the years.

Presbyopia will get worse as you age until you reach your late fifties, when you will have no natural focusing ability left. Unfortunately there is nothing you can do to stop it.

For any vision changes it is important to have a sight test to determine the cause.

Ballylongford has cause for celebration following an impressive 10-point increase in this year's SuperValu Tidy Towns competition, bringing the village's overall score to 360 points.

The result recognises the ongoing efforts of the local community to enhance the appearance and environment of the village. From floral displays and general upkeep to the care shown in maintaining homes and properties, the collective contribution of residents and volunteers has helped Ballylongford present itself at its very best.

The Tidy Towns volunteers can take great pride in this latest achievement and in the considerable improvements they have helped bring about since their work began several years ago. Their continued dedication has played an important role in enhancing the village's appearance and creating a more attractive environment for residents and visitors alike. The latest increase in points is a welcome acknowledgement of that sustained commitment and the positive impact of their work.

With a strong community spirit and continued local involvement, Ballylongford can look forward to building on this progress in the years ahead. Congratulations to everyone involved in this achievement.

LISTOWEL RUGBY CLUB

Training continues across the club this week, with our Minis and youth teams all back in action as the season gathers momentum.

Minis

There is no Minis fixture this weekend, but training for U8, U10 and U12 boys and girls continues at 10.30am in the Town Park. New starters are always welcome, so if your child would like to give rugby a try, come along and get involved.

U14s

Castleisland/Listowel U14 played hosts to Killorglin/Iveragh on Sunday afternoon. Conditions were dry, with a moderate breeze behind Killorglin/Iveragh to start the game. Castleisland/Listowel's defence was tested in the opening minutes by some big carries from the Killorglin/Iveragh forwards, but it was Castleisland/Listowel who got on the scoreboard first, with a well-worked forwards try scored by E. O'Sullivan.

Not to be outdone, the Castleisland/Listowel backline made a turnover of their own on halfway and, with some outstanding offloads, O. Larkin touched down. T. Charlie converted.

Killorglin/Iveragh turned to their big men again and, after what seemed a lifetime of battering the Castleisland/Listowel try line, they finally found a soft shoulder to get over the line. The two points from the conversion were also added. The final few minutes of the first half saw both sides give everything in attack and defence. S. Riordan had the final say, breaking through three tackles to get over the line. T. Charlie converted.

Castleisland/Listowel had the wind at their backs in the second half and, with the help of a strong bench, turned up the gears. They dominated the break-down and made metres with every carry. C. Magan was first on the scoreboard with a well-worked try, converted by T. Charlie. A few phases later, T. Charlie ripped the ball in his own half and took off on a blistering run to finish under the posts, before converting his own try. Castleisland/Listowel's O. Larkin and C. Magan both crossed again after a late Killorglin/Iveragh try. Final Score: Castleisland RFC X Listowel RFC 45 - 7 Killorglin/Iveragh

U16s

Castleisland-Listowel U16s faced a strong Desmond Rugby side in Abbeyfeale on Sunday morning. Playing against a strong wind in the first half, we spent long periods defending as Desmond produced some excellent running rugby and led 20-0 at half-time.

Our players battled hard in the second half, but a number of injuries left us facing an uphill challenge. Desmond added two further tries to secure the win. The game was played in a great sporting spirit. Thanks to Desmond Rugby for the food, teas, coffees, and hospitality afterwards.

Best of luck to all our teams in action this weekend. Support from the sidelines is always appreciated, so if you can, come along and get behind the players.

Keep an eye on our social media pages for fixture updates or any changes. Your Club, Your Country

Tickets for this year's Your Club, Your Country draw are still available.

Tickets are available through club members and on our website, listowelrfc.com. Your support would be very much appreciated.

Concussion Awareness

With the season now in full swing and all age groups back playing regular matches, it is important that players, parents, and coaches are aware of the signs and symptoms of concussion.

Concussion can happen during a match or training session, and symptoms are not always immediately obvious. Any suspected concussion should be taken seriously, and players should follow the appropriate assessment and return-to-play guidance.

If in doubt, sit them out.

Further information and concussion guidance is available on our website, listowelrfc.com.

SENIOR: Main senior team sponsor Buckley Agri of Listowel are on board again this year as principal sponsor and we are delighted to have such a prestigious business involved with our senior team. Cronins Cider are also sponsoring the team and recently provided training gear. A huge thank you to both sponsors who backed this team before anyone and we are delighted to repay that faith by landing the county junior club championship. Next up is the world-famous North Kerry Championship where we play Duagh in the opening round this Sunday the 1st November in Duagh - come along and support the lads in what should be a good game.

MINOR: North Kerry Championship semifinal result - Finuge 2-12; Listowel 1-09. A fantastic performance from our young minor team to take the honours against Listowel today and progress to the final. A close affair throughout, as is always the case between these two teams, our lads hit big scores when the game was in the melting pot and drove for home. What made this all the more notable was our men had lost out to the same opposition two weeks ago in the Kerry County league final and were also down a few players on the day. Well done to the team & management who now have the NK Championship final to look forward to, sponsored by O'Connors of Duagh. Ballyduff will be the opponents following their defeat of Beale, with the final set for Bob Stack Park Ballybunion, this Saturday the 31st of October - come along and support

another of our teams in one of the last finals of the year!

U16: North Kerry Championship semifinal sponsored by Macoil, result - Finuge 1-13; Ballyduff 2-14. This semifinal was a close-run affair throughout between two well matched teams. Ballyduff got off to a fast start with a goal and two pointer, but our lads worked their way into the way finishing the first half strongly. H/T score Finuge 0-09; Ballyduff 1-06. Early in the second half Ballyduff got another critical goal to put space between the teams. Again, our lads battled back but Ballyduff won plenty possession in midfield to keep up the pressure and worked good scores. A goal from Joe Joy threw a lifeline but it was not going to be enough on the day. Captain on the day was Daithi Laide who always brings a massive workrate and plenty scores too. Congratulations to Ballyduff and we wish them well in the final.

This brings the curtain down on the U16 season which was a very productive one, yielding a Kerry county league title. Well done to the boys & management on another great sporting year

U14: What a great result for our U14s playing with St Senans last Saturday two weeks when they played Listowel Emmets in the North Kerry Championship final. 10 points down at halftime the team staged a mighty comeback to win by 6 points! Captain on the day was Jamie Walsh who accepted the trophy with great delight. This brings the curtain down on an eventful year for our U14 players. We would like to thank St Senans for giving our players the opportunity to join with them and ensuring they had plenty good quality football for the year. The team played in four finals, winning two and played at the highest levels in each competition - sure to help develop everyone for the future. The boys involved this year were Dylan Stack, JJ Liston, Robbie & Cian Breen, Aaron Collins, Eoghan Og Galvin, JJ Liston and Jamie Walsh.

U12: Well done to our Finuge U12's on very progressive season in terms of skills and personal development. Thanks to Liam, Toby, Paul, Aoife, Justin, Conor and anyone who volunteered their time in 2026. Thank you to Maurice Lynch for organising the recent medal event. Jimmy Dennyhan coached the players on the day and shared his knowledge of the game, thank you. Congrats again to our senior players Shane and Ricky on winning the county championship and for presenting all the players medals. Finally, thank you to jersey sponsor Brian McCarthy.

U10: A massive thank you to Ricky, Shane and Jimmy for taking the time to present the medals to our Finuge U10s recently. It was a lovely way to finish off what has been a fantastic season.

A huge thank you to all the parents for bringing the boys to training and games throughout the year - for your support, encouragement and commitment - it really is appreciated. Most importantly, well done to all the lads. They've put in a huge effort, improved so much and, most of all, have had great fun playing football together. We're very proud of them all. Thanks everyone for a brilliant year! Fionnúig abú - Neart Trí Iarracht.

U9: Fantastic performances two weeks ago by our U9 boys in the Munster GAA blitz at the UL Grounds. The boys played Moyle Rovers, Lisseycasey and Ahane. Great effort, teamwork, skill and spirit shown from start to finish. Neart trí iarracht - Fionnúig abú!

U8: And so, our U8s football year comes to an end for 2026 - we celebrated with a presentation of medals and treats. A special thanks to Finuge county champions Ricky and Shane for presenting the medals. We would like to thank all of the parents and guardians for bringing the kids to all of our blitzes and training throughout the year. The improvement in skills was great to see and the future looks bright. Keep up the practicing at home over the winter and we will all get going again in Spring 2027. Finuge Abú - Neart Trí Iarracht.

U6: Our U6 stars have clocked out for 2026! Thank you to Bryan, James, Patrick and everyone who contributed to the U6 team this year. Thanks also to all the other coaches from various groups. The kids have improved massively over the course of the year and we hope to see everyone back next year. Thank you to our county champions Ricky and Shane for presenting the medals to our youngest stars. Fionnúig abú - Neart Trí Iarracht.

CLUB SHOP: With the season slowing down and Christmas on the horizon, we have the perfect gifts for the football player or supporter in your life - Finuge GAA merchandise. This is an online shop hosted by KCS. Search for www.kcs-ports.ie, click on the 'Club Shop' tab and search for Finuge. We have over 50 items and bundles of high-quality Finuge branded sports gear to choose from, happy shopping. And we have just added the senior county winning Buckley Agri jersey along with the Cronin's Cider training top.

COUNTY CHAMPIONSHIPS: A great win by our U16 district side recently to claim the county championship following a great season. We are delighted to have Finuge represented on the team by Joe Joy, Padraig McElligott, Ruairi O'Brien and captain of the side Daithi Laide. Captain Daithi lifted the winning trophy as the team were crowned champions on Monday night in Austin Stack Park following a great victory over Castleisland District. This was quickly followed up with the county minor championship win and again we had great representation on the North Kerry team through Matthew O'Flaherty and Daithi Laide - resulting in a quick double for Daithi. An excit-

ing game against East Kerry that went down to an injury time score to win the game.
Our district senior team made great strides this year and reached the county semifinal last Sunday against Kenmare. A low scoring affair, Kenmare went ahead early on and were able to maintain that to the end. Gavin O'Keeffe, Shane Conway and Ivan Conway were our representatives on the team and each man played a big part in the successful path this year. Well done to everyone and plenty to build upon for the future.

ACKNOWLEDGEMENT: Finuge GAA would like to thank the Department of Rural & Community Development and the Gaeltacht, along with Kerry County Council for the financial assistance received under the Local Enhancement Programme 2026 in respect of a contribution towards the purchase of sports/training equipment.

SECONDARY SCHOOLS: Congratulations to St Michaels of Listowel on their historic win last week in the senior post primary O'Sullivan Cup competition. The team defeated the Sem of Killarney to claim honours for the first time since 1974. Finuge GAA had great representation on the team & squad through

Micheál O'Sullivan, Darragh O'Sullivan, Daithí Laide, Davy Lawlor, Joseph McElligott, Joe Joy, Gillian O'Sullivan and Jamie Breen - well done lads.

KERRY PITCH AND PUTT

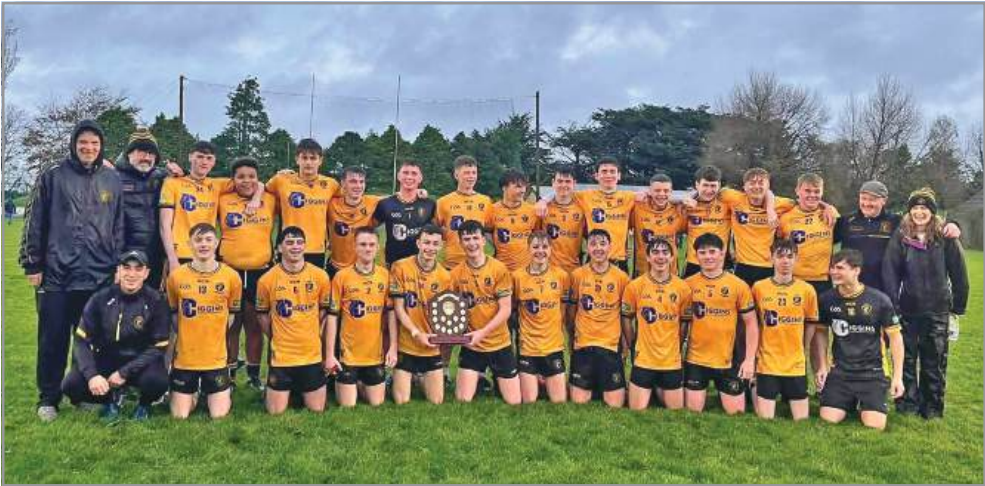

It proved to be too contrasting experiences for the Deepark Killarney team in the National Inter-Club Finals in Lucan in Dublin on Saturday last.

Leaders overall of the 18 teams involved after the opening Scotch Foursomes,

the delayed effect of Storm Boleo on the capital put them out in difficult conditions for the Singles in the afternoon where they ended up finishing in 12th place overall. The team looked on the brink of making it to Sunday's semi-finals and finals day with a combined 11 under par for their Scotch Foursomes as the combination of Michael Cronin & David Harnett shot seven under par with a three under par score from John McGrath & James Foley and a one under par total for Damien Fleming & Colm O'Dowd putting them first by one stroke ahead of the Singles.

They went out into a totally different setting in the afternoon however as the effects of the storm had landed on Lucan as one over par rounds for both Damien Fleming and John McGrath were the best they could manage in losing a total of 30 shots in the Singles and finishing the tournament on +19. Commiserations to the team on being very much the victims of the elements last Saturday.

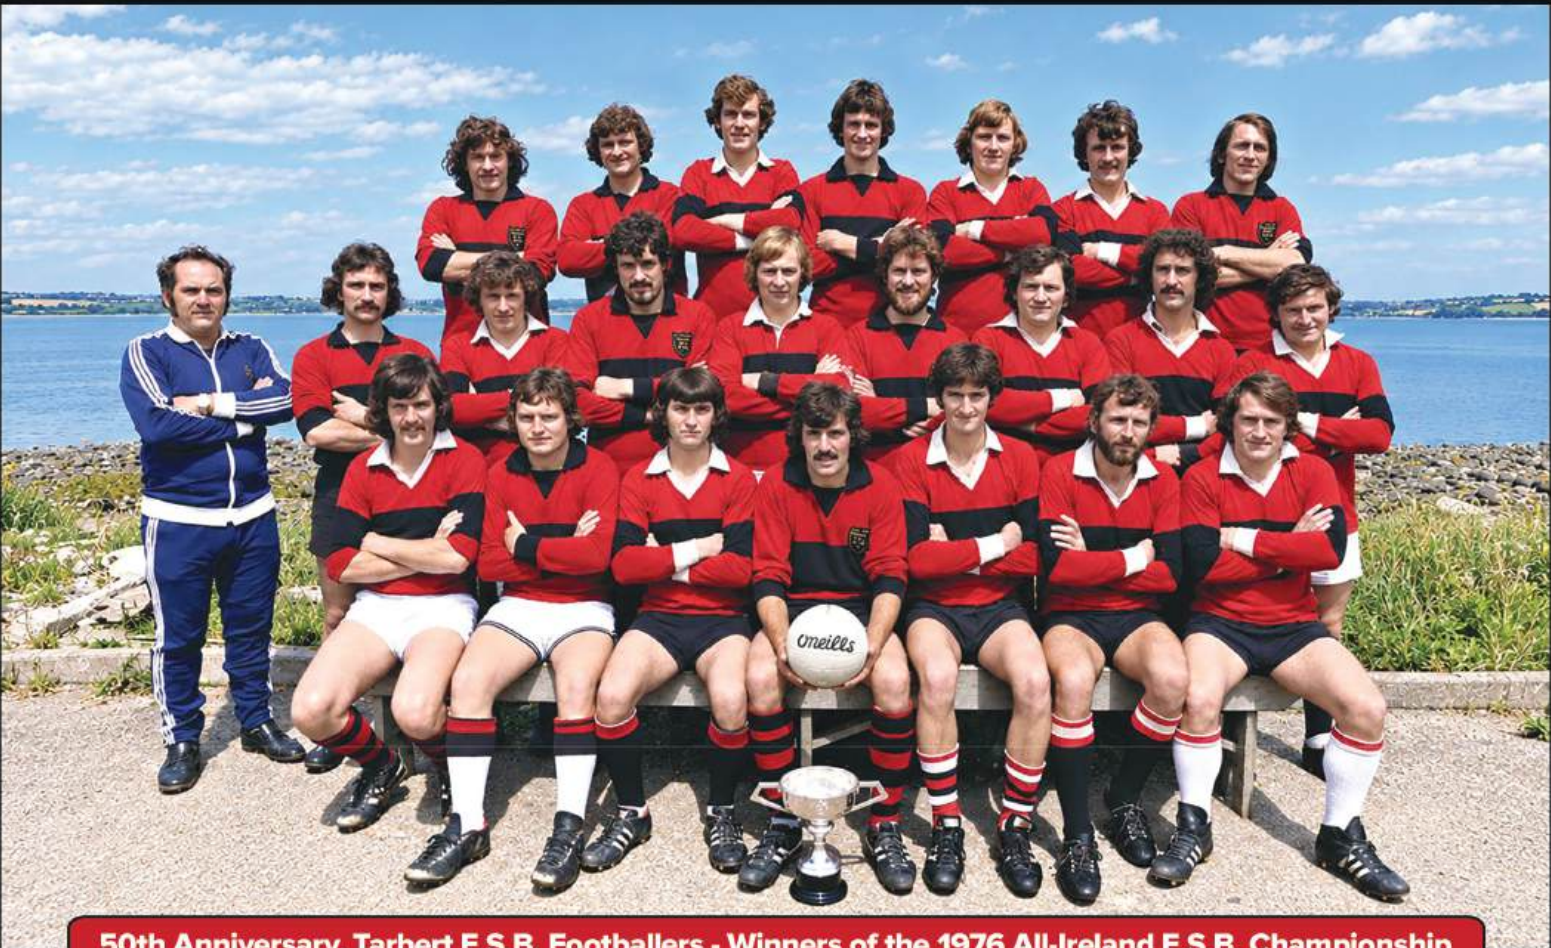

There is one final competitive weekend this coming Saturday as Pitch & Putt Ireland host a Mens Ranking event in Lakeside in Templemore. Our Best Wishes to all the Kerry players taking part in the event itself.

Congratulations to Listowel Emmets U16s who won the North Kerry U16 Championship defeating Ballyduff in an epic battle after extra time

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours.

This time I ask you this special one, (mention favour). Take it dear heart of Jesus and place it within your heart where

your father sees it. Then in his merciful eyes it will become your own favour not mine. Amen.
Say this prayer three times for three days and your favour will be granted. Never been known to fail.
Must promise publication of prayer. **E.D.**

MEANING OF LIFE

"Research tells me that we speak an average of 12,000 to 16,000 words a day."

Another interesting detail is that small talk apparently makes up about one third of all our conversations. Then, if we consider the number of swear words, angry words, curses, lies and idle gossip... I wonder just how many of our spoken words are of any real value at all?

Curiosity led me to check the number of words in the New King James Bible. It contains approximately 783,000 words.

So what, you may say. What's so special about the Word of God?

Well, isn't it absolutely astonishing that we can read and hear the very words of God, including the words spoken by Jesus, recorded for us in Holy Scripture? And we are still free to do that here in Ireland... something we should never take for granted.

We all know that words have power.

Proverbs 18:21 puts it powerfully:

"Death and life are in the power of the tongue, and those who love it will eat its fruit."

The words spoken by Jesus bring forgiveness, salvation and life.

But what about our words? Jesus reminds us that the words we speak reveal what is going on inside our hearts:

"A good man brings good things out of the good stored up in his heart, and an evil man brings evil things out of the evil stored up in his heart." (Luke 6:45)

As followers of Jesus, we are called to turn away from harmful, negative speech that is destructive, harsh or untrue. Instead, we should use our words to build others up, to encourage them and to impart grace to those who listen.

Ephesians 4:29 puts it beautifully:

"Watch the way you talk. Let nothing foul or dirty come out of your mouth. Say only what

helps, each word a gift to whoever is listening."

What a wonderful challenge for every one of us!

God has given us His Word so that we are not left to make up our own ideas about what He wants to say to us. His Word is trustworthy and stands firm, regardless of how much the world around us may change.

Psalms 119:89 declares:

"Forever, O Lord, Your word is settled in heaven."

That's why it is so important that we fill our hearts and minds with the Word of God by reading it, hearing it and meditating upon it.

Jesus reminds us again in Luke 6:45 that:

"Out of the abundance of the heart the mouth speaks."

Just imagine what a wonderful difference it would make to our families, our communities and our world if our mouths spoke more words of life, truth, kindness and encouragement!

And surely the more we fill our hearts with God's Word, the more His truth, love and grace will be reflected in the words we speak.

Incidentally, in countries such as North Korea, possessing a Bible can expose people to severe persecution, imprisonment and even death. How thankful we should be that we can still freely read and share God's Word here in Ireland.

The question I need to ask myself is not simply how many words I speak, but how many of those words reflect the life-giving truth and love of God?

If you require any further information or would like a free Bible, please contact LCF at 085 7387594 or email lcfkerry@gmail.com.

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours.

This time I ask you this special one, (mention favour). Take it dear heart of Jesus and place it within your heart where

your father sees it. Then in his merciful eyes it will become your own favour not mine. Amen.
Say this prayer three times for three days and your favour will be granted. Never been known to fail.
Must promise publication of prayer. **B.H.**
