CAROLINE'S DÓTERRA ESSENTIAL OILS

WELLNESS WITH CAROLINE HORGAN

Bringing the Festive Autumn Vibes into Your Home with doTERRA

Lif There is something special about this time of year. As the evenings grow darker and the temperatures drop, we naturally begin to spend more time indoors, making our homes warm, cosy and welcoming.

One of my favourite ways to bring that beautiful autumnal feeling into our home is through essential oils. Some of my absolute favourites for this time of year are Clove, Cinnamon, Eucalyptus and Wild Orange. Not only do they have gorgeous aromas, but each brings something a little different to our everyday wellness routines.

Clove has a beautiful, rich and spicy aroma that instantly reminds me of the festive season. It is traditionally valued for its warming scent and is a lovely addition to autumn diffusing blends.

Cinnamon is another seasonal favourite. Its warm, sweet and comforting aroma makes it perfect for this time of year. One of my personal favourites is adding one drop of dóTerra's Cinnamon to my coffee for that extra autumnal touch! Just remember that not every cinnamon essential oil is intended for internal use, so always check the specific product label and guidance.

Eucalyptus brings a fresh, clean and invigorating aroma into the home. It is particularly lovely during the colder months when we want our surroundings to feel fresh and revitalising.

Wild Orange is such a beautiful oil to have on hand. Its bright, sweet and uplifting aroma can help create a cheerful atmosphere and blends wonderfully with the warmer, spicier oils.

One of my favourite ways to enjoy these oils is by combining them in a cold-water diffuser. A blend of two to three drops of Wild Orange, Clove and Cinnamon creates that gorgeous cosy, festive atmosphere, while adding a drop of Eucalyptus brings a lovely freshness to the mix.

Diffusing these fabulous oils around the home is something I really enjoy. The aromas can uplift the atmosphere, create a welcoming environment and bring that lovely feeling of comfort and wellbeing to everyone who walks through the door.

If you would like to introduce some of these dóTerra seasonal oils into your own home, or perhaps stock up on your favourites, I am always happy to help. All of these oils can be ordered through me, and I place doTERRA orders every second week. Whether you are looking for individual oils, building your collection or simply need a little guidance on getting started, I am here to help.

Contact Caroline Horgan, your doTERRA Wellness Advocate for North Kerry, for information, orders and guidance.

A Thought for the Week Ahead

As we move towards the festive season, remember that sometimes it is the simplest things that bring us the greatest happiness.

A warm cup of coffee, a beautiful aroma filling the home, a little time spent with loved ones or simply taking a moment to appreciate the comfort of home.

Wishing you all a cosy, happy and healthy week ahead!

COLDPLAY BY CANDLELIGHT RETURNS TO LISTOWEL

One of the most popular shows on the Irish concert circuit comes back to North Kerry next month. Coldplay by Candlelight 2.0 takes over the Listowel Arms Hotel on Monday 7 December at 7.30pm. The show is the work of pianist and arranger Frank McNamara. With The Bridgerton String Quartet, he turns Coldplay's biggest songs into new arrangements for piano and strings. The room is lit by a thousand candles.

Audiences can expect Fix You, Yellow, The Scientist, Viva la Vida and A Sky Full of Stars, played the way you have never heard them before.

"Coldplay write beautiful melodies, and when you strip them back to piano and strings they become something else entirely," says Frank. "Version 2.0 is a brand new set of arrangements. People who came before will hear something fresh, and first-timers are in for a real treat."

The Candlelight Classics shows have toured hotels and venues across Ireland, regularly selling out. The Listowel Arms, on the Square, is a perfect home for the evening.

"There's nothing like a candlelit concert in the run-up to Christmas," Frank adds. "It's a lovely night out, a great start to a seasonal get together."

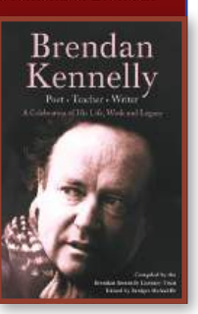

The first release of tickets has already sold out, and tickets are now available from €25. Book online at candlelightclassics.ie, or buy in person at the Listowel Arms reception.

NEW BOOK CELEBRATING BRENDAN KENNELLY TO LAUNCH IN LISTOWEL

A new book celebrating the life and work of Kerry-born poet Brendan Kennelly will be launched at Kerry Writers' Museum in Listowel on Saturday 5 December in the year he would have turned 90. The Brendan Kennelly Literary Trust has also launched a new website where readers can learn more about Kennelly, the Trust and the book.

Brendan Kennelly: Poet | Teacher | Writer – A Celebration of His Life, Work and Legacy brings together more than forty contributions from family, friends, writers, colleagues, former students and admirers. Contributors include Michael D. Higgins, Miriam O'Callaghan, Paul Meehan, Gabriel Fitzmaurice, and Katie Donovan. There are also a number of contributions from family members. The book is illustrated with photographs and includes an extensive bibliography.

Bridget McAuliffe, editor of the book, said, 'There are people in North Kerry who remember Brendan as a neighbour or a friend, and people who first met him through a poem or in a classroom. We wanted the book to bring those accounts together. It means a great deal to us to launch it in Listowel, so close to Ballylongford, where he grew up.'

The new Trust website provides an introduction to Brendan Kennelly's life and work, information about the Trust and details of the new publication. Visit www.brendankennellytrust.com.

A Seanfhocal A Week

By Kian Lyons (Listowel Student)

"Ní bhíonn in aon rud ach seal"

With Autumn coming to a close and Winter officially beginning to take shape, I think this is a suitable seanfhocal for this week. "Ní bhíonn in aon rud ach seal" directly translates to "Nothing lasts more than a while", with the word "seal" meaning a short period of time. Ultimately, the phrase means that nothing lasts forever.

It's funny to think that the trees, which were so full of leaves in July, began to lose leaves in September and are now almost completely bare. This is a reminder that nothing stays the same forever. In Spring, when Winter is over, the leaves will begin to grow and the cycle will begin all over again.

This week's seanfhocal is a reminder that the things and moments around us are often brief and fleeting. They are here for a while, but nobody knows when they might disappear. It encourages us to appreciate things while you have them, but is also a reminder that difficult moments don't last forever either.

SAN RITA WELLNESS

Welcome to San Rita Wellness weekly column… We hope you are safe and well.

At San Rita Wellness your self care and well being is important to us. Wellness covers a variety of areas such as eating healthily, being active and looking after ourselves both mentally and physically. One of the ways of looking after ourselves is getting a good nights sleep. But that's probably easier said than done.

Sleeping well directly affects your mental and physical health. Health experts recommend that we should try and get 7 to 9 hours sleep a night. Fall short and it can take a serious toll on your daytime energy, productivity, emotional balance, and even your weight. We can often feel moody, short tempered and reach for sugary foods to give ourselves a bit of an energy boost. Yet many of us regularly toss and turn at night, struggling to get the sleep we need.

If you want to optimize your health or lose weight, getting a good night's sleep is one of the most important things you can do.

Here are some tips to help you sleep better at night.

Sleep Routine - Try to go to sleep and get up at the same time every day. This helps set your body's internal clock and optimize the quality of your sleep.

Feeling drowsy - Having a heavy meal late in the evening can leave you feeling sleepy way before your bedtime. Get off the couch and go for a short walk, call a friend, or get your clothes ready for the next day.

Screen time - Screen time limits your dream time . Avoid bright screens within 1-2 hours of your bedtime. The blue light emitted by your phone, tablet, computer is especially disruptive. Say no to late-night television.

Wind down - Have a relaxing wind down routine. Have a bath ,listen to music or read a book. When it's time to sleep, make sure the room is dark. Use heavy curtains or shades to block light from windows, or try a sleep mask.

Avoid Alcohol - Having a couple of drinks at night can negatively affect your sleep and hormones. Alcohol is known to cause or increase the symptoms of sleep apnea, snoring or disrupted sleep patterns

Tidy Room - To optimize your bedroom environment, try to minimize external noise, light, and artificial lights from devices like alarm clocks. Make sure your bedroom is a quiet, relaxing, clean, and enjoyable place.

Daily Exercise - People who exercise regularly during the daytime sleep better at night .Regular exercise also improves the symptoms of insomnia and sleep apnea and increases the amount of time you spend in the deep, restorative stages of sleep.

Limit Caffeine -
Caffeine stimulates your nervous system and may stop your body from naturally relaxing at night. In one study, consuming caffeine up to 6 hours before bed significantly worsened sleep quality.

For extra support and for weekly accountability check us out on Facebook San Rita Wellness or sanritawellness.com for details of our "In Person Meetings","At Home Service" or our "One to One Service."

NB - Our weekly "In Person Meetings" take place in the Kerry Writers Museum, The Square, Listowel every Wednesday from 10am to 11am. Everyone welcome to come along and join our friendly group.

The Spring Rices and the Crosbies:

Two notable families from Limerick, Kerry and Irish History

By Michael Christopher Keane

This book traces the stories of two families, the Spring Rices of Limerick and the Crosbies of Kerry. Both families achieved much prominence in local and Irish history over a number of generations.

Both family stories include the Irish revolutionary years, ranging from the War of Independence and the Civil War to the Irish Volunteers, the Asgard yacht and the Howth gun-running of 1914. The tales from the War of Independence and the Civil War also include the burning of two Big Houses. The differences in approach of the two landlord families during the horror years of the Great Famine are discussed in detail. Other stories extend further back in time to the 1798 rebellion, the Battle of the Boyne, Cromwell, the Battle of Kinsale and the Elizabethan-Desmond conflict.

Some of the more colourful accounts include a high-profile affair involving a future British Prime Minister, a tale of ship piracy and a prominent activist during Ireland's revolutionary years who became a Hollywood actor.
Overall, the stories provide a revealing snapshot of Irish family history through the generations and are published now as there is a clear danger that otherwise they would recede into the mists of time and soon be lost forever.

DRIVING BETTER VISION

As the clocks have changed and the nights draw in, that drive home after work looks very different to how it did in summer.

Where once you were heading home in daylight, you're now navigating dark roads, oncoming headlights, rain-soaked surfaces, and the kind of low-light conditions that make driving feel genuinely tiring, and for some people, genuinely stressful.

Drive home with clarity and confidence this autumn
The lenses we recommend for evening and night driving are designed to tackle the real challenges of darker commutes:

- **Advanced glare reduction** - Minimise distracting reflections from headlights and street lights
- **Enhanced contrast** - See road markings, signs, and hazards more clearly in low light
- **Sharper night vision** - Improved clarity when natural light is limited
- **Reduced eye strain** - Arrive home feeling comfortable, not exhausted
- **Safer driving** - React faster to road conditions and unexpected obstacles

Whether you're navigating a busy road or winding country lanes, driving through autumn rain or peering at unlit junctions, the right lenses make every evening journey that bit calmer and more confident.

Ready for more relaxed evening drives this season?

Ask our dispensing team today about enjoying the best vision in any situation.

Speak to us today about the right HOYA lenses for you.

Minister for Education Welcomed to Coláiste na Ríochta

There was great excitement in Coláiste na Ríochta today as the school welcomed Minister for Education, Hildegarde Naughton TD, together with a number of distinguished guests. At the heart of the visit were the students themselves. Minister Naughton met members of the Student Council, who spoke about their roles and responsibilities and how student voice contributes to decision-making and school life. The Minister also heard about the school's Erasmus+ programme and the valuable international links Coláiste na Ríochta has developed with partner schools in Spain and France.

Principal Iseult Glynn also discussed the school's exciting **Additional School Accommodation project**, which has reached **Stage 2A**. The school has been approved for a **state-of-the-art Technology Suite, Autism Unit, Fitness Suite and additional classrooms**, representing a significant investment in the future of the school and its students.

Joining Minister Naughton for the visit were Minister Norma Foley TD, Senator Mike Kennelly, Cllr Aoife Kennelly, KETB Director of Schools Con Moynihan, Michael Lyons and Colm McBride of the KETB Buildings Department, Chairperson of the Board of Management Noel Keenan, Deputy Principal Mollie Burke, and Assistant Principals, Ms. Marian Sugrue, Mr. Jimmy Laide and Mr. Cathal O'Mahony.

Principal Iseult Glynn described the visit as an important opportunity to showcase both the achievements and future ambitions of Coláiste na Ríochta:"Today was a very proud occasion for our school. It was wonderful to see our students representing Coláiste na Ríochta so confidently and sharing their experiences directly with the Minister. We are equally excited about the next phase of our school's development. The additional accommodation project will transform and enhance our facilities and ensure that we can continue to provide the highest quality educational experiences and supports for all our students."

The school sincerely thanks Minister Naughton and all those who attended for taking the time to visit and for their continued interest in the development of Coláiste na Ríochta.

Listowel Tidy Towns

AWARD NIGHT 2026

Photos by John Kelliher

The Listowel Tidy Towns Group held their 29th Annual Local Competitions Awards night with Julie Gleeson, chairperson opening the night by welcoming everyone to their annual ceremony, with a special welcome to Listowel MD Cahaolrleach Cllr Jimmy Moloney, Listowel MD manager John Kennelly & all his MD team. Their guest speaker on the night was Brendan O'Brien, chairperson of Tralee Tidy Towns group.

Congratulations and well done, to all of the worthy prize winners of each of our 2026 competitions A special 'Thank You 'to our loyal sponsors, Killisla, Listowel Garden Centre, Centra Listowel, Sean Heaphy – Corrib Oil, Credit Union, John J Galvin and Listowel MD who did not hesitate to once again come on board and agree to fund all of the prizes for these long running local competitions. Listowel Tidy Towns Group is deeply indebted to you all. As we are to the sponsors of all of our Annual events, thanks too to our excellent and diligent judges, who gave up their time and had such difficult decisions to make in all of the various categories. Some hard choices to make in several areas they tell us!!

Listowel Tidy Towns would like to say a huge thank you to all the competitors and congratulations to all our successors. Listowel Tidy Towns group cannot emphasise enough the importance these local competitions play in Listowels role and achievements in the National Tidy Towns competition. In 32 years Listowel has come a long way in Tidy Towns, the difficulty is staying there. This year we retained our gold medal status and gained 14 extra marks, a huge achievement in its own right. Listowel now boasts 18 Gold Medals. But, if Listowel Tidy Towns is to continue to exist, we urgently need more people!!

On that note of urgent appeal Julie invited the presentation of awards to commence, followed by some light refreshments kindly provided by Garveys SuperValu

Coiste na nÓg
As the 2026 season comes to a close, we would like to sincerely thank all our coaches, mentors, volunteers, sponsors, parents and players for their commitment, support and dedication throughout the year.

Our coaches and volunteers give countless hours to help our young players learn, develop and enjoy their football, while the support of our sponsors and families continues to play a vital role in everything we do. Your contribution to our club is greatly appreciated.

We are proud of all our players and everything they have achieved this season and hope everyone enjoys a well-deserved break.

Finally, we wish the Listowel Emmets Senior Team the very best of luck in the North Kerry Final this Sunday.

LISTOWEL RUGBY CLUB

Another competitive weekend for our youth teams, with close contests, strong performances, and plenty of determination on display across the age groups.

U14s
Castleisland RFC x Listowel RFC made the short trip to Killarney on Sunday for what proved to be a fiercely contested encounter between two determined sides. Castleisland RFC x Listowel RFC struck first with a superbly worked team try, finished off by Ewan O'S. Tomateca C.added the conversion to give the visitors a 7-0 lead.
Killarney responded after a sustained spell of pressure inside the Castleisland RFC x Listowel RFC 22. Spotting an opportunity on the blind side of a ruck just five metres out, they powered over for their opening try and added the conversion to bring the sides level at 7-7 heading into half-time.

The second half got underway with neither side willing to give an inch. Both teams produced a fantastic display of intensity at the breakdown, commitment in defence, and some fearless tackling. The contest remained finely balanced, with every metre hard-earned.
Just when it looked as though the game might finish all square, Killarney found a way through following a line-out, getting over the Castleisland RFC x Listowel RFC try line. A well-executed conversion extended their lead.

Castleisland RFC x Listowel RFC refused to give up and threw everything at the Killarney defence in the closing stages. Despite wave after wave of pressure and a tremendous effort from the lads, they could not find a way through the defensive line.

Final Score: Castleisland RFC x Listowel RFC 7 - 14 Killarney RFC.
Congratulations to Killarney on their victory, and well done to our own lads, who showed tremendous pride, respect, and sportsmanship throughout.

U18.5 Boys
Castleisland RFC x Listowel RFC U18.5s beat Tralee in a thrilling match in Castleisland on Saturday.
Tralee took an early lead with a dominant first-half display. Conor Riedy and Kevin Dundon scored first-half tries for Castleisland RFC x Listowel RFC, but the home side were probably fortunate to be only 19-10 down at half-time.

Tralee extended their lead early in the second half to 24-10 before Castleisland RFC x Listowel RFC began a superb fightback.

Conor Riedy crossed for his second try before Adam Heffernan followed with a long-range effort. Adam Caldwellconverted to close the gap to 24-22.

With the game in its dying minutes, Castleisland RFC x Listowel RFC were awarded a penalty try for a high tackle on Adam Caldwell as he was about to score. That gave the home side the lead for the first time in the game.
They held on to complete a brilliant comeback and secure a memorable victory.

Final Score: Castleisland RFC x Listowel RFC 29 - 24 Tralee.

U18.5 Girls
KILK Girls Show Fighting Spirit in Thrilling Encounter with Bantry/Skibbereen.
On a cloudy afternoon, with rain threatening but thankfully staying away, KILK faced a very strong Bantry/Skibbereen side in a highly competitive encounter.

The Cork visitors struck early, but KILK steadied the ship and responded with their opening try. What followed was a fiercely contested battle, particularly among the forwards, with strong carries, physical exchanges, and intense competition at the breakdown.

Bantry/Skibbereen showed their quality, exploiting gaps in the KILK defence to establish a commanding lead and giving our girls plenty of food for thought.

KILK, however, refused to lie down. Daimhin McKenna powered over from five metres with a determined pick-and-go, while Danielle Naughton produced two excellent tries, slicing through the opposition midfield with pace and determination. Emma Looney also got on the scoresheet, running a superb straight line before finding a gap in the Cork defence.

Leading by example, captain Isabelle O'Shea showed tremendous character and quality, crossing for a crucial try and adding two conversions to bring KILK within five points and put the visitors under real pressure.
Ultimately, Bantry/Skibbereen proved worthy winners, but KILK can take plenty of positives from their determination, attacking play, and never-say-die attitude. There are lessons to be learned, but no time to dwell. The games keep coming, and the girls will take what they have learned into their next fixture.

KILK Try Scorers: Danielle Naughton (2), Isabelle O'Shea, Daimhin McKenna, Emma Looney. Conversions: Isabelle O'Shea (2).

BEALE GAA

It was not our day, as we came up short against championship favourites, Listowel Emmets, in Sunday's North Kerry Senior Championship semifinal in Moyvane. It was always going to be a tough assignment, but we gave a brave account of ourselves and battled throughout before eventually succumbing to a formidable Emmets side, who were bidding to secure their place in a third consecutive North Kerry final. Our opponents made the early running, putting 1.02 on the scoreboard before we registered our first point. However, we kept in touch and trailed by just two points at the interval, 0.6 to 1.5.

The contest remained competitive on the changeover, and it was in the final quarter that Emmets began to pull away, adding significantly to their tally to secure a 3.18 to 0.13 victory. Ultimately, we were up against a strong Emmets side, and they showed their quality in securing their place in another final. While the end score was disappointing, we can take pride in reaching the semifinal and in the effort and commitment shown by the team and management throughout the year.

Beale team: Brian Dineen, Dara O'Connor, Seamie O'Sullivan, Joe Finch, Fionnán Toomey, Daithí Toomey, Fiachra Buckley, Phillie Blake, Rob Stack (c), Barry O'Neill (0.2), Conor Toomey, Cormac Scanlan (0.1), Ian Mannix (0.1), Eric Daly and Daithí Keane Tyrell (0.7). Fir Ionaid: Tom Joy for Fiachra Buckley, Shane O'Connor (0.2(2p)) for Seamie O'Sullivan, Seán Maloney for Rob Stack, Jack Mallon for Ian Mannix, Chris Kiely for Cormac Scanlan, Joe Downey, Archie Walsh, Rory Mulvihill, Darragh Kissane, Callum McSweeney, Owen Tydings and Diarmuid O'Mahony.

Just one more championship competition still to play. Beale juniors play the rescheduled Kieran Corridan Intermediate Championship semifinal against St Senans B, in Mountcoal on Sunday at 11.30.

The AGM of Beale GAA Club will be held on Friday, November 27th, at 8.30pm in Ballybunion Community Centre.

Get your teams together and your brains in gear for the Beale GAA Table Quiz on Saturday at 9.30 in Mikey Joe's. Join us for a fun night of brain-teasing and banter with quiz master, Tony Moore, and spot prizes galore. Another date for your diary - the annual Beale GAA Race Night is on 29th December - the event of the Xmas season!

Check out the Beale Lotto winning numbers and prize details each week in local newspapers, on our social media platforms or in designated outlets, with details shared as they come in. Recent draws took place in The Exchange and Mikey Joe's. The next draw will be held in The Feale Bar on Sunday night, with a jackpot of €3,350. Match all 4 numbers to win or share the Jackpot, and match 3 numbers to win or share €100! Beale Lotto tickets, €2 each or three for a fiver, are available in Cahill's SuperValu, the local pubs and online. Míle Buíochas to everyone who supports and promotes the Beale Lotto.

Asdee & Beale District Community First Responders are looking for volunteers to join the local team, covering Asdee, Beale, Ballybunion, Ballydonoghue and Ballylongford. No previous experience, medical background or qualifications needed – just a willingness to give a little of your time to help people in need in our community. As a Community First Responder, you could make a real difference when someone needs emergency assistance. You'll receive training through the National Ambulance Service. Everyone is welcome to come along to an Information evening on Thursday in The Bunker at 7.30pm. For further information, contact 087 465 2527 / 087 950 2167.

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours.

This time I ask you this special one, (mention favour). Take it dear heart of Jesus and place it within your heart where your father sees it. Then in his merciful eyes it will become your own favour not mine. Amen.
Say this prayer three times for three days and your favour will be granted. Never been known to fail. Must promise publication of prayer. **A.D.**
